There is no medicine so often needed in every home and so admirably adapted to the purposes for which it is intended, as Chamberlain's Pain Balm. Hardly a week passes but some member of the family has need of it. A toothache or headache may be cured by it. A touch of rheumatism or neuralgia quieted. The severe pain of a burn or scald promptly treated before inflammation sets in, which insures a cure in about one-third of the time otherwise required. Cuts and bruises should receive immediate treatment before the parts become swollen which can only be done when Pain Balm is kept at hand. A sore throat may be cured before it becomes serious. A troublesome corn may be removed by applying it twice a day for a week or two. A lame back may be cured and several days of valuable time saved or a pain in the side or chest relieved without paying a doctor bill. Procure a 50 cent bottle at once and you will never regret it. For sale by G. A. Harding, Druggist.

## CITIZENS CONVENTION.

### A Large Gathering at Pope's Hall Monday Night.

Pursuant to call a large number of citizens gathered at Pope's hall Monday evening to nominate candidates for city officers to be voted for at the city election to be held next Monday. The meeting was called to order by Dr. W. E. Carl. On motion of Henry Meldrum Dr. Carl was made permanent chairman, who stated that it was truly a citizen's convention; that creed nor politics was not taken into consideration in the deliberations of this body; he said that citizenship means political freedom untrammelled by sectarianism; that a man should deem it an honor to fill the office of mayor or councilman of his native city.

On motion A. B. Graham was elected secretary and J. M. Lawrence was made assistant secretary. Charles Albright and S. R. Green were appointed tellers. On motion it was decided that the voting be by ballot, and was amended requiring each voter's name to be registered, in order to preclude any possibility of ballot box stuffing.

The chairman announced that nominations for mayor were in order, whereupon L. L. Porter placed the name of E. G. Caulfield in nomination, and V. R. Hyde presented the name of Hiram Straight, the present incumbent. Caulfield received 119 votes, Straight 137, scattering 1.

Clyde Huntley, Ross Holman, H. E. Straight, and F. T. Barlow were placed in nomination for treasurer. Huntley and Holman both declined, leaving the field to Barlow and Straight. Straight received 130 votes and Barlow 72. It was announced that nominations for councilmen were in order. On motion the voters of the first ward gathered on the south side of the hall and the voters of the second ward assembled on the north side of the room.

J. W. O'Connell was elected chairman of the first ward convention, and T. P. Randall, secretary. W. A. Huntley and C. H. Caulfield were appointed tellers. Rudolph Koerner, Benjamin Jaggard and John Bittner were placed in nomination for councilmen. The ballot resulted as follows: Koerner 74, Jaggard 58, Bittner 26, scattering 1.

In the second ward convention G. A. Harding was elected chairman and W. B. Wiggins secretary. A. B. Graham and F. R. Charman were appointed tellers. The office looked long and hard for the man in this ward, and the nominations were all made in the first ward before the second ward people fairly got down to business. After about 25 persons had declined to be candidates for councilmen, the following names were balloted upon with the accompanying result: L. C. Caples 11, H. J. Harding 41, J. Kuerten 23, Secore 10, Mack Howell 12, William Straight 10, H. E. Harris 11, T. M. Gault 17, Gleason 1, Nobelett 1, Broughton 1.

The citizen's ticket reads as follows, as nominated at Monday night's convention:

Mayor, Hiram Straight.  
Treasurer, Hiram E. Straight  
Councilmen first ward, Rudolph Koerner and Benjamin Jaggard.  
Councilmen second ward, Henry J. Harting and J. Kuerten.  
Before the convention adjourned the chairman announced the following citizens central committee: Frank T. Griffith, Henry Meldrum and Joseph E. Rice.

## THE CANDIDATES.

The following is a brief sketch of the nominees of the convention:

Hiram Straight, candidate for mayor, conducts a grocery store on Main and Eighth streets. He was born and raised here in the city and is so well known that he needs no further introduction.

H. E. Straight, the nominee for the office of treasurer, is a clerk in Pope & Co's, hardware store and makes his home with his widowed mother to whose support he largely contributes. He is a bright, honest, industrious young man and is in every way capable to fill the position to which he aspires.

For councilmen in the First ward, Benjamin Jaggard and R. Koerner are the candidates. Mr. Jaggard is one of the leading capitalists of Oregon City, while Mr. Koerner is superintendent of the Oregon City Wollen Mills.

For councilmen in the Second ward, Henry J. Harding and Joseph Kuerten. Mr. Harding owns a grocery store and bakery on Main street and is one of the old and well known residents of Oregon City. Mr. Kuerten is superintendent of the Oregon City Soap Works and has been a resident of the city for several years.

**Eighty-nine Companies Fail.**  
Fire companies generally, offering first-class indemnity with large capital and surplus behind their contracts, make no money on farm risks in Oregon, and average only 5 per cent. profit on Oregon

business as a whole. The reason is clear. The Coast Review welcomes the projected Farmers' Fire Relief mutual and prepares to add its name to the California Farmers and the Washington Farmers, and the California Fire Relief, and eighty-six other defunct Pacific Coast mutual assessment life, fire and accident associations.

**Wife**—Here's an account of a man who shot himself rather than suffer the pangs of indigestion. Husband—The fool! Why didn't he take DeWitt's Little Early Risers? I used to suffer as bad as he did before I commenced taking these little pills.

No excuse for sleepless nights when you can procure One Minute Cough Cure. This will relieve all annoyances, cure the most severe cough and give you rest and health. Can you afford to do without it?

One minute Cough Cure is rightly named. It affords instant relief from suffering when afflicted with a severe cough or cold. It acts on the throat, bronchial tubes, and lungs and never fails to give immediate relief.

Coughing irritates the delicate organs and aggravates the disease. Instead of waiting, try One Minute Cough Cure. It helps at once, makes expectoration easy, reduces the soreness and inflammation. Every one likes it.

One Minute Cough Cure is a popular remedy for croup. Safe for children and adults.

J. N. Harrington, G. W. Grace and W. H. Savage, of Mountain View Hose Company at Ely, have been formally admitted to the board of fire delegates of the Oregon City fire department. The department is now thoroughly organized and equipped to do thorough service in every part of the city. H. C. Salisbury resigned his position as assistant chief engineer of the Oregon City fire department, on account of his removal to Gladstone. H. W. Trembath was elected as his successor.

If the muddy accumulations get much deeper on Main street the brick pavement will soon be hid from view. The present method of cleaning streets is an apparent failure. Unless some prompt measures are taken the mud will be shoe month deep when the rains get fairly started.

D. S. M. Fretwell, manager of the Shores Medicine Company, had another hearing before Justice Dixon last Friday on a charge of practicing medicine without a license. Deputy District Attorney L. L. Porter conducted the prosecution, and Hon. J. F. Caples represented the defendant. The cause came on for a hearing at 10 a. m., and it was midnight before the case was concluded. Fretwell was fined \$100, which he deposited subject to a possible appeal to the circuit court.

E. M. Rands, formerly postmaster of Oregon City, and who has been editor of the Vancouver Independent for the past year, has disposed of his interest in that journal to his former business partner, Mr. DuBois. The Independent is one of the leading journals of Vancouver, and is doing a good business. Mr. Rands retired on account of ill health.

Messrs. White Brothers are preparing plans for the new engine house to be erected on John Quincy Adams street, near Seventh. The building will be two stories in height.

The Mount Lebanon Shakers have recently perfected an ingenious cure for dyspepsia. Their Digestive Cordial consists of a food already digested and a digester of foods happily combined.

The importance of this invention will be appreciated when we realize what a proportion of the community are victims of some form of stomach trouble. Thousands of pale, thin people have little inclination to eat, and what they do eat causes them pain and distress.

This Digestive Cordial of the Shakers corrects any stomach trouble at once. It makes thin people plump. Every one will be greatly interested to read the little book which has been placed in the hands of druggists for free distribution.

What is LAXOL? Nothing but Castor Oil made as palatable as honey. Children like it.

White Brothers are putting on the finishing touches to A. S. Dresser's new residence. He intends having a six-room cottage erected on the adjoining lot. The same firm are preparing plans for the new engine house to be erected on John Quincy Adams street, near Seventh.

## Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed in the spring, when the languid, exhausted feeling prevails, when the liver is torpid and sluggish, and the need of a tonic and alternative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting or freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness, yield to Electric Bitters. Only 50 cents per bottle, at Charman & Co.'s drug store.
