If you suffer with piles, it will interest you to know that DeWitt's Witch Hazel Salve will cure them. This medicine is a specific for all complaints of this character, and if instructions (which are simple) are carried out a cure will result. We have tested this in numerous cases, and always with like results. It never fails.

J. A. Lousignont was taken to the state penitentiary at Salem last Saturday evening by Sheriff Maddock, where he will serve a year's sentence for the larceny of some tools from a shop at Clackamas Heights. It is possible that there will be a family reunion at the penitentiary before many weeks, as it is stated that two of Lousignont's brothers are in a fair way to go the same place at an early date. The Clackamas county authorities are just now puzzled what to do with J. A. Lousignont's wife and children. They are in destitute circumstances and have no means of support.

It is hoped that encouragement may be given and an organization effected at this time.

Admission 25 cents, reserved seats 50, at Huntley's book store. The fund realized will be donated to the gymnasium.

PAUPER EXPENSES.

A Detailed Statement of What the Needy Cost Clackamas County.

AN ENTERPRISE reporter has spent considerable time during the past two weeks looking up the expenditures made by the county court in caring for paupers. The reporter was assisted in many ways by Deputy County Clerk H. S. Strange and County Judge Hayes while making researches in this direction. Every transaction in connection with the pauper expense of the county was gone over in detail and properly verified from the records in the county clerk's office. The total amount of warrants drawn on the pauper account for the fiscal year beginning November 1st, 1894, and ending October 31, 1895, is \$5,185.76. A careful estimate shows that there are only 18 pensioners on the county's bounty who would likely be sent to the county poor farm if there was one. This estimate includes one widow woman, who receives \$11 per month for the support of herself and children. These 18 pensioners cost the county \$164 per month, \$1968 per annum for board, besides their clothing, which is another item of expense. One thousand and fifty-nine dollars is paid to regular pensioners annually, who receive only partial support from the county, most of whom are families. It would be impracticable to send these people to the poor farm, and they would still have to receive some aid from the county. The hospital expenses for the year heretofore mentioned were \$558.79; surgical treatment, \$126; burial expenses, \$115.50. The above items of expense foot up \$3,835.50, leaving \$1,350.26 for the numerous cases of temporary relief and for clothing for the paupers and medical aid for the county charges. It is estimated by those competent to know that the hospital and burial expenses would only be cut down about \$100 per annum, as special cases only are sent to the hospitals, where the afflicted person is unable to pay for their own treatment, and where indigent persons meet with severe accidents. Besides most of the funeral expenses borne by the court accrue by reason of the death of needy individuals, or for example, if some unknown corpse was fished out of the waters of Willamette, Clackamas county would have to bear the burden of burial. If there was a poor farm the only items of appropriation that would be saved, is \$1,968 for the 18 regular paupers and \$100 in funeral and hospital expenses. The other approximate expenses of \$3,177.76 per annum the county would still have to bear, as it is out of the question to send every family that needs temporary relief on account of sickness, to the county poor farm. The county would still be at the expense of supplying the paupers with clothing. From the various bids presented it is estimated that it would cost about \$5,000 to properly equip a poor farm, and the expenses of operating the same would be at the lowest estimate, not less than \$2,000 per year, as the salaries of superintendent and matron, and the expenses of operating the farm would be no small matter. The question would naturally suggest itself to the taxpayer, Where is the deficit to come from to pay the interest on the investment?

A Pioneer Gone.

Died, At his home near Marmon on Nov. 23, Fred Sievers, aged 67 years, 10 months and 10 days.

Mr. Sievers was one of the pioneers of Oregon, having settled on the Sandy about thirty-five years ago, after a residence in Oregon City for a number of years, and is well known by all the old-time settlers and travelers over the Barlow road, having kept the Summit house for several years. He was born in London, England, Jan. 13, 1828 and came to America in his twenty-second year. He passed peacefully away, after a short illness at his home near Marmon surrounded by loving relatives, a wife and four children, besides two grown sons. He was laid in his final resting place in the family burying ground, on his homestead by sorrowing friends.

Mr. Sievers was a loving husband and father, a kind and obliging neighbor and will long be remembered by those who have enjoyed his genial companionship.

Oregon City sports expect to revel in a game of football about Christmas time. A team is to be made up from Company F to play an eleven made up of the best town players. The personnel of the two teams has not yet been decided upon, but it is intended to have the teams organized and in active practice at an early date. The proposed game will be an important event of the holidays.

Rev. Charles Short, of Marion county, was a guest at the residence of Mr. and Mrs. L. C. Driggs on the corner of Center and Sixth streets, last Monday evening. While eating supper he left his hat and coat on the front porch, but when he came out they were missing. They were evidently taken by some strolling tourist, as no trace has been found of the missing articles.

A meeting of the Thespian Club was held Shively's opera house Wednesday evening. It was decided to put on that ever popular drama, "Damon and Pythias" at an early date; probably in about three weeks. This play will be under the immediate charge of Mr. and Mrs. Rasmus, formerly of Madison Square theater, New York City. Mr. Rasmus has been putting "Damon and Pythias" on the stage in various parts of the country with great success. Mr. Rasmus will represent Damon, and Pythias will be impersonated by C. E. Bailey. The remainder of the cast will be made up by members of the Thespian Club, except a prominent part to be taken by Mrs. Rasmus. This drama will no doubt prove a drawing attraction, as Mr. Rasmus has had many years of special drill in this line, and will appear at the Marquam Grand in February. "Strife" will be presented by the Thespians at a later date.

Queen Esther rehearsal at the M. E. church Friday night. All singers are invited to come. Bring your Queen Esther books, if you have any.

An excellent entertainment Thanksgiving night at the Baptist church. Admission, ten cents.

"For Charity Suffereth Long."

Mrs. Laura C. Phoenix, Milwaukee, Wis.

"Matron of a Benevolent Home and knowing the good Dr. Miles' Nervine has done me, my wish to help others, overcomes my dislike for the publicity, this letter may give me. In Nov. and Dec., 1892, The inmates had the "LaGrippe," and I was one of the first. Resuming duty too soon, with the care of so many sick, I did not regain my health, and in a month I became so debilitated and nervous from sleeplessness and the drafts made on my vitality, that it was a question if I could go on. A dear friend advised me to try Dr. Miles' Restorative Nervine. I took 2 bottles and am happy to say, I am in better health than ever. I still continue its occasional use, as a nerve food, as my work is very trying. A letter addressed to Milwaukee, Wis., will reach me." June 6, 1894. Mrs. LAURA C. PHOENIX.

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 per bottle, or it will be sent prepaid on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.
