Oswego, Dec. 4.—Last Saturday night was a red letter night for Pig Iron Lodge No. 135, A. O. U. W. Both degrees were conferred on ten men, a greater number than ever taken in at any one previous time. After the initiatory ceremonies the members retired to Prosser's hall and partook of an elegant lunch prepared by the ladies of the D. of H. After lunch the members of both lodges, together with a large number of friends, returned to the lodge room and spent an hour or more in speech making, recitations and songs. It was a time long to be remembered.

Borings Breezes.

BORINGS, Dec. 2.—It is a long time since there has been anything in the paper from Borings.

The republicans have heard from Kentucky but the populists and democrats have not.

The populists of Borings held a meeting in the school house Saturday, November 30, at 2:30 P. M. The speakers were the Honorable Mr. Secore of Oregon City and William Dean of Sandy Ridges. They did away with all of the railroads and all of the "gold bugs," and coined the money in the school house. All that a person has to do now is to start toward the school house and meet the big silver dollars coming down the road through the mud. We hope that Messrs. Dean and Secore will get rich and fat on silver now. Come again, gentlemen, and we republicans will have a walk over in the spring.

Once more the rain has come and farmers are happy.
