NATIONAL RELIEF.

New Tariff and Finance Bills To Come.

BELUCOSE CANADIANS.

Pledges of Support Sent Salisbury—A Newspaper to Equip a Regiment.

WASHINGTON, Dec. 23.—The house republicans will introduce on the day after Christmas and pass within a week two bills in response to President Cleveland's message of appeal for help for the treasury. One of these will be a tariff bill to increase the revenue and the other a financial bill designed to maintain the gold reserve and prevent a recurrence of alleged existing troubles with greenbacks.

Although strong efforts were made to preserve secrecy concerning the details of the plan, its features have been obtained by the Associated Press from unquestionable authority.

The tariff bill will be entitled "A bill to increase the revenue and to prevent deficits on the treasury," and will go into effect when signed by the president, if he signs it, and will remain in effect until August 1, 1898, when by its own provisions its operation will cease. Its items follow: the duty on wool of 60 per cent of the McKinley act rates, a duty of 60 per cent of the rate of 1890 on lumber which will be from 10 to 15 per cent ad valorem; an increase of 25 per cent from the Wilson-Gorman act rates, on cereals, breadstuffs, dairy products and livestock, including poultry; a horizontal

increase of 15 per cent of the Wilson-Gorman bill on all other schedules, with a provision that in no case shall the duty exceed the McKinley rates except where the Wilson-Gorman rates exceed those of the McKinley law.

The second bill will provide for two issues of bonds; the first will be for an unlimited amount of 3 per cent five year coin bonds, to protect the gold reserve, with a provision that the currency redeemed by the proceeds shall not be paid out for current deficits in the revenue unless the expenses of the government are in excess of the revenues (which is not expected they will be if the first bill is in operation.)

In addition the second bill will provide for one year 2 per cent treasury certificates of indebtedness, not to exceed \$50,000,000 and to be disposed of at the discretion of the secretary of the treasury, to meet current deficits in the revenue. These are to be offered for sale at the sub-treasuries and depositories of the government.

MONTEAL, Dec. 23.—Canada is beginning to look a little more serious than at first at the war question.

The Fifth battalion, composed almost entirely of Scotch, with headquarters in the country of Stornmont, and to whom the first defense of the frontier south of Mount Royal would fall, cabled to Lord Salisbury today as follows:

"Do not lose any sleep over the defense on our part of the frontier. We'll triple our number of men if war should be declared."

The Montreal Star today offers to equip a regiment and look after the relatives of its members during the war, if there should be one. It says:

"To deliberately and without provocation court for this country such a dire calamity as a war with the most powerful empire on earth, appeared more like the outcome of a drunken orgie of an imperial despot than the deliberate act of the chosen leader of a free and enlightened nation. But whatever might have been the motive for this action, which has such stupendous significance for us, or none at all, the manner of its reception by the press and people of the United States forbids Canadians any longer ignoring it or looking at it with indifference."

Cuban Successes.

HAVANA, Dec. 24.—General Gomez and the insurgent army have turned the flank of the Spanish forces commanded by General Campos in person at Colon, and are now well to the westward of that place, threatening a quick movement upon Havana. This news from the front created the greatest consternation here.

The insurgent army is now only about 50 miles from Havana and the Spanish authorities seem entirely to have lost their heads. At this rate the insurgents will be in front of Havana possibly tomorrow if they have obtained control of the railroads from here to Matanzas, when last heard from, and moving rapidly westward. This column of the Cubans is said to number over 12,000 men while opposed to them is 50,000 Spaniards, but the Spaniards have lost in every move by their slowness and lack of strategy.

A hot dinner these cold, drizzly days is not complete without a roast of meat to grace the table and stimulate the appetite with its flavor. At Albright's meat market roasts can be had that are juicy and tender from fat, stall-fed cattle and which are put up in a style that will please both the cook and the diners.

FRATERNAL MATTERS.

G. A. R. Will Install Their New Officers Jan. 1st.—Other Elections.

There will be a joint installation of the newly elected officers of Meade Post, No. 2, G. A. R., and Meade Relief Corps, No. 18, at the new hall in Wilamette block, Wednesday evening, January 1st. E. W. Allen, department commander, will be present and install the officers of both organizations. A camp fire will be held and refreshments served. All old soldiers and their families are invited to attend and participate in the festivities. This will be a memorable event in the history of these organizations as it will be the first meeting held in the new hall. It is probable that the Post and Relief Corps will make this their permanent headquarters.

Multnomah Lodge No. 1, A. F. & A. M., held their annual election and installation of officers last Saturday evening. The new officers are as follows: J. H. Walker, W. M.; D. W. Kinnaird, S. W.; F. S. Kelly, S. W.; T. F. Ryan, secretary; T. S. Lawrence, tyler; C. A. Nash, S. D.; John R. Humphrey, J. D.; Joseph T. Lynch, S. D.; George F. Horton, J. S. Multnomah, is the oldest Masonic lodge on the coast, and the first organized west of the Missouri river. G. L. Gray, P. M. W., installed the newly elected officers. On Friday evening a number of the members of the lodge will make a fraternal visit to Lone Pine lodge at Norton, where they will be entertained on the occasion of a re-union and fraternal gathering.

Abernethy Rebecca Degree Lodge, No. 80, I. O. O. F., held an election last Friday evening with the following result: Mrs. Minnie G. Charman, noble grand; Mrs. Nellie F. Glass, vice grand; Mrs. Hattie Wetherell, secretary; Miss Mollie Hankins, permanent secretary; Mrs. Pauline Metzner, treasurer. The installation of officers will take place next Friday evening, when the appointive officers will be selected.

Willamette Degree lodge and the Foresters will both elect new officers this week.

Story of Lincoln.

McClure's Magazine for January will be an edition of 300,000 copies, a circulation equal to any two of the high priced magazines. It will tell the story of Lincoln as a clerk in a country store, studying grammar in the intervals of weighing out tea and sugar and other groceries, which in that day included whiskey; acquiring, by his native wit, wisdom and honesty, a local ascendancy which emboldens him to announce himself as a candidate for member of the Legislature; and then, to the sacrifice of his chance of election, leading a company of raw recruits to the Black Hawk war. Much new material is promised, including three portraits of Lincoln, and facsimiles of interesting documents written and signed by Lincoln.

The January number is to have an article giving the whole story (never yet published, but long desired by the public) of Mr. Braine's relation to his own candidacy for the Presidency in 1884. It is written by Mural Halstead, whose opportunity for knowing all the facts was unequalled; and it embodies conversations with Blaine and an important unpublished letter written by him a few days after his defeat. Some very interesting portraits will accompany the article, and Blaine's letter will be reproduced in facsimile.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding a gripe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Charman & Co's. Drug Store. Regular size 50c and \$1.00.

Every mother should know that croup can be prevented. The first symptom of true croup is hoarseness. This is followed by a peculiar rough cough. If Chamberlain's Cough Remedy is given freely as soon as the child becomes hoarse or even after the cough has delivered it will prevent the attack. 50c.

Mrs. T. S. Hawkins, Chattanooga, Tenn., says, "Shiloh's Vitalizer 'SAVED MY LIFE.' I consider it the best remedy for a debilitated system I ever used." For Dyspepsia, Liver or Kidney trouble it excels. Price 75 cents. For Sale by G. A. Harding.
