BARLOW NEWS.

The Ladies Give a Ball—Justice Court Notes—Personal Mention.

LADIES WILL REIGN.—Saturday evening the 18th, is the time set for the leap year ghost dance, to be given by the ladies of the Barlow grange, and it is anticipated that Columbia hall will be filled with young and old too, I guess, arrayed in snowy sheet and pillow-slip, and that there will be a crowd of spectators as well, to witness the merry dancers. The young ladies seem to be less backward than the gentlemen usually are, for quite a number of tickets have been sold already, and most every young gentleman in town seems to be engaged for this particular evening, I mean, of course! Come, ye fair ones, remember that the price is only 25 cents a number, including supper for self and gentleman, and don't let the poor boys lack an invitation now, when they can't help themselves!

OUR PRIDE, THE LITERARY.—The literary and debating society met in Columbia hall last Friday evening and we were pleased to note its flourishing condition, as there were in attendance, 75 persons. The regular routine business was finished, after which a lengthy literary program was rendered and greatly appreciated, we should judge, by the rounds of applause that greeted each participant. The debate, "Resolved, That the reduction of the hours of labor would benefit the world at large," was ably discussed by the speakers, and although the writer could not determine why, the decision was given in favor of the negative. For the next meeting, January 24, the question, "Resolved, That the sun is cold instead of hot," with Miss Annie Bauer leader of the affirmative and Mr. Chris Zeigler of the negative.

ASSAULT AND BATTERY CASE.—An assault and battery case was tried before Justice Ritter Monday, C. Bonaker, plaintiff and F. Getz, defendant. The trial consumed some little time, as a jury was impaneled and together with the many witnesses and the lengthy arguments of attorneys of the prosecution and the defense, the decision was not rendered until nearly 6 p. m., which was in favor of the prosecution. The fine imposed was \$5 and the costs of the case were \$17.50, thus leaving an expense to the county of \$12.50, aside from the fees of the prosecuting attorney. The attorney for the prosecution was Deputy Prosecuting Attorney Rice, and E. F. Driggs for the defense.

Republican Club Items.

The republican club meeting at Willamette Falls last Saturday evening, was the first rousing meeting of the campaign. Those who were present from Oregon City say that State Senator George C. Brownell made a splendid address, and the meeting was well attended by enthusiastic republicans. The Oregon City delegation had to leave for home on the car before further organization of the club was completed, and the correspondent at that place has sent in no report. It is learned, however, that J. P. Logan was elected president of the club, and that another meeting will be held this (Thursday) evening for further completing the organization, and to elect delegates to the state club convention.

GEORGE BROS. PROPRIETORS.

Mrs. J. P. Bell, Oswatimie, Kan., wife of the editor of The Graphic, the leading local paper of Miami county, writes "I was troubled with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that, at times I would walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nerve and It completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did; there's relief untold for them if they will only give your remedies just one trial." Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 a bottle for \$5.00, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.
