**THE TEACHERS MEET.**  
**Barlow Entertains the Teachers—One of the Best Meetings Ever Held by the Association.**

The regular monthly meeting of the Teachers' Association of Clackamas county was held in the school house at Barlow, Saturday January 25, 1896.

Called to order at the regular time by Supt. H. S. Gibson. The minutes of the previous meeting were read by the secretary, Miss Fannie G. Porter. Next in order was the election of officers. Mr. E. M. Ward was chosen vice-president. Miss Porter was re-elected secretary. Mr. A. C. Strange was elected treasurer. Mrs. Bertha M. Gibson was re-elected editor.

Miss Elgiva Mullan and Mr. Ramsby played a violin and organ duet, with taste and expression. Mr. A. C. Strange spoke on "Results to be Secured in School." Teachers sometime think after years of apparent success that they are above taking advice from others. "The results" that we hope to attain comprise every hope of the profession. It is impossible to measure the work of the real teacher. The ideas brought to life by his teaching (his precept and example) do not end with the life of the pupil. It is possible for one to spend a great deal of time in reading yet never acquire knowledge by so doing. Teachers should strive to arouse the love of country and trust in those "who stand in high places."

There may be, and doubtless are, wrong-doers, in places of trust, but the one who constantly tries to call attention thereto, strikes a blow at the foundation of our republican form of government. One of the greatest results to be attained in teaching, is the development of mind. It is said that ninety-seven hundredths of the acts we perform are done through force of habit. Pupils should be taught to obey the law through respect for it and not through fear of it. "Habit is but another name for character."

Miss Jennie E. Rowen recited "Ben the Wolf" in her usual pleasing style. "How to teach Writing" was the subject assigned Mr. P. L. Coleman. Mr. Coleman believes fully as much time should be devoted to writing, as is bestowed on mathematics or history. He illustrated the correct manner of holding the pen. The pupil should be taught to write well and to write rapidly. Mr. Coleman illustrated his manner of teaching the formations of different letters.

Mr. Ward and Mr. Gary spoke a few words on this subject. C. M. Ramsby sang "A letter from Home." Mr. Ramsby's singing was much appreciated by his audience. It was decided to hold the next Association meeting at Park Place. Mr. Gray, Miss Phelps and Miss Monroe were asked to prepare a suitable program for the occasion.

The meeting was adjourned until 1 p. m. Called to order by Supt. Gibson. The audience was delighted by instrumental music by Miss Mullan and Mr. Ramsby. Miss Bessie Shephard recited a stirring poem "Alaska." "History" was assigned to Geo. L. Story. "The principles of our government demand that the masses of the people shall be educated. The study of history teaches the struggles of our forefathers for constitutional liberty. History comprehends all that is noblest of human development. Cromwell and Hampden paved the way for the American Revolution. Mr. Story considers history one of the most important branches of study. The knowledge of what has been done in the past should prove the best guide for the future."

Mr. Kyser, T. J. Gary, E. M. Ward, J. W. Gray, A. C. Strange, S. W. Holmes and H. S. Gibson took part in the discussion which followed. Miss Veve Tull sang a beautiful song. Mr. T. J. Gary spoke on "The Best Discipline." "If it were possible for a teacher to read the character of each pupil, he might secure the best discipline without the use of the rod. As it is, there are times when its use is indispensable. It is sometimes necessary to enforce order. Transgression must be followed by punishment." The best discipline is an active means to the improvement of the mind and morals of the pupil. A. C. Strange, G. L. Story, S. W. Holmes, H. S. Gibson and E. M. Ward also spoke briefly on this subject. P. L. Coleman recited "Setting the Old Blue Hen" in a manner that convulsed his audience. Miss Nellie Younger, Hattie Monroe and Laura Beattie sang "Sweet Distant Chimes" and greatly disappointed the audience by a persistent refusal to respond to an encore. Mr. Parmenter, C. U. Barlow, Andy Kocher, W. W. Irvin and others spoke words of encouragement to the association. The attendance at this meeting was quite large and very attentive. The program for the next meeting has not yet been prepared. On motion, association

adjourned to meet at Park Place the last Saturday in February, 1896.

Following is a list of teachers present: H. S. Gibson, P. L. Coleman, A. C. Strange, E. M. Ward, Arthur Holden, W. H. Dobyms, S. W. Holmes, J. W. Gray, Geo. L. Story, T. J. Gary, W. G. **An old Soldier's Recommendation.**

In the late war I was a soldier in the First Maryland Volunteers, Company G. During my term of service I contracted chronic diarrhoea. Since then I have used a great amount of medicine, but when I found any that would give me relief it would injure my stomach, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was brought to my notice, I used it and will say it is the only remedy that gave me permanent relief and no bad results follow. I take pleasure in recommending this preparation to all my old comrades, who, while giving their service to their country, contracted this dreadful disease as I did, from eating unwholesome and uncooked food. Yours truly, A. E. BENDIGO, Halsey, Oregon. For sale by G. A. Harding, druggist.

**The Portland.**

Give The Portland a trial.

**Attention Comrades.**

Regular meeting of Meade Post No. 2, G. A. R., will be held at the hall in Willamette block, Maine St., on Wednesday, February 5, at 7:30 sharp. Recruits will be mustered, and other matters of importance will come before the Post. Let there be a good attendance of the comrades.

C. A. WILLIAMS, Post Commander.

RED FRONT TRADING CO.

Some time ago Mr. Simon Goldbaum of San Luis Rey, Cal., was troubled with a lame back and rheumatism. He used Chamberlain's Pain Balm and a prompt cure was effected. He says he has since advised many of his friends to try it and all who have done so have spoken highly of it. It is for sale by G. A. Harding, druggist.

One minute Cough Cure is rightly named. It affords instant relief from suffering when afflicted with a severe cough or cold. It acts on the throat, bronchial tubes, and lungs and never fails to give immediate relief. For sale by C. G. Huntley, druggist.

For sale, a large quantity of rhubarb and asparagus roots, 3 years old, also fine strong, early spring cabbage plants, asparagus beds made at reasonable rates. Apply to R. GLASSPOOL, Green Point, Oregon City.

Cholera Morbus is a dangerous complaint, and is often fatal in its results. To avoid this you should use De Witt's Colic & Cholera Cure, as soon as the first symptoms appear. C. G. Huntley, Druggist.

Munyon's medicines are the latest, and Charman & Co., the up-to-date druggists, have a complete stock. Pamphlets free.

For clean, white cotton rags 5 cents per pound cash, will be paid at THE ENTERPRISE office.

**NOTES FROM WASHINGTON.**

**Relief Bills Passed for Oregon Pioneers and Land Grant Settlers.**

Special to the ENTERPRISE.  
WASHINGTON, Jan. 23.—"Oregon sets a shining example that other western states would do well to practice after," remarked Representative Doolittle to me during a recent conversation, when her people send a man to congress they generally keep him here for some time. Senator Dolph served 12 years, Senator Mitchell has seen almost eighteen years of service, Mr. Herman is in his sixth consecutive term and Mr. Ellis in his second. The consequence is that Oregon has received much better treatment in the matter of appropriations than her wealthier and more populous sister, California. The value of a congressman to his state increases with age of service. Of course I want you to understand, and Mr. Doolittle laughed when he said it, "that this conversation has no personal bearing, but as a general proposition it is bad policy for a state to play the part of the capacious housewife who turns away a partially drilled servant one day to take on a raw one the next."

Oregon in this has followed somewhat the example of Maine and other Eastern states. Look at Maine, a small state that has played a most conspicuous part in the affairs of the nation. Why? Not because of the superior natural ability of her representatives, but because she retains the same men election after election. Senator Hale has been 25 years in congress, Senator Frye 23 years, Speaker Reed 19 years and her three other congressmen have been here over 14 years and by reason of long service have the most important chancelleries in the House. As a result she not only makes a conspicuous national figure but she gets a larger share of the appropriations than perhaps any other state."

The following bills have been passed by the senate on motion of Senator Mitchell: Bill refunding to William A. Stark-weather \$2,170, money paid out of his private pocket for necessary clerk-hire while register of the land office at Oregon City; bill increasing the pension of Mrs. Mollie Crandall, widow of Capt. Clark P. Crandall to \$20 per month; bill granting the aged pioneer, Peter Grant Stewart \$7500 for property owned by him near the mouth of the Columbia and appropriated by the government as a reservation 41 years ago; bill to appropriate \$461,02 for W. L. Adams found to be due him as collector for port of Astoria, on settlement of his accounts; bill extending time for construction of a bridge across the Columbia; bill allowing certain purchasers of forfeited railroad grants to secure title by paying the difference between the price paid to the railroad and that asked by the government. This is in line with the bill passed a week ago by the House and senate. Mr. Ellis has seen the chairman of the House committee in regard to his bill on the same matter and has been promised an early report. He will try to suspend the rules and pass it next week. The secretary and land commissioner have both promised him to recommend its passage. Congressman Herman appeared before the Interior department this morning and argued the right of the Indian war veterans to pensions. He expects a favorable report. He also argued before the treasury department in favor of the bill establishing lighthouses at Siuslaw and Tillamook bay. He hopes for favorable action on this matter. The chairman of the House commerce committee has promised Mr. Herman a favorable report on the bill extending time for construction of the Columbia river bridge.

Senator McBride yesterday made a favorable report of the most important of all the land bills connected with forfeited grants before congress. The bill is to refund to purchasers of the government land the \$1.25 per acre they paid, with the understanding that a railroad was to be constructed by their lands. The government afterward forfeited the grants to the railroads and reduced the price to the original \$1.25 per acre, but it retained the additional \$1.25 per acre it recured from the first purchasers notwithstanding it has taken back the grants and prevented the construction of the roads. Senator Mitchell introduced the bill early in the session and Senator McBride has been jealous in his efforts to have tardy justice done to these people from whom the government obtained money under false pretenses, but Senator Berry, a democrat from Arkansas for some reason no one pretends to understand, blocked the consideration and passage of the bill.

FRANK PELTRET.
