FRIDAY, JANUARY 31, 1906.

SILVER WEDDING ANNIVERSARY.—Monday of this week was the twenty-fifth anniversary of the marriage of Mr. and Mrs. H. C. Stevens and a number of their intimate friends having knowledge of the fact planned and executed a surprise for the worthy couple in a social gathering during the evening. The visitors brought an elegant lunch with them and the evening was spent in a pleasant manner, vocal and instrumental music and charades being the pastimes. As a memento of the day an elegant silver berry dish and spoon was left by the friends. Those present were: Mr. and Mrs. H. L. Kelly, Mrs. Mary Charman, Misses Clara and Elva Outfield, Mr. and Mrs. J. G. Filabury, Mr. and Mrs. C. H. Canfield, Mrs. Daisy Shindler, Mr. and Mrs. T. W. Fouts, Mr. and Mrs. E. E. Charman, Mrs. S. M. McCown, Mr. and Mrs. R. D. Wilson, Mrs. J. W. Norris, Mrs. Robt. Canfield, Mr. and Mrs. W. L. McDaniels, Mr. and Mrs. C. D. Latourette, Mr. and Mrs. T. L. Charman, Mr. and Mrs. H. C. Stevens, Mrs. E. Stevens, Miss Mirtie Stevens, Mr. and Mrs. Chas. Albright, H. C. Stevens Jr., Mr. and Mrs. E. E. Williams, Mr. and Mrs. Geo. Broughton and Chas. Wilson.

AN OLD STANDBY.—People have long since learned that seeds of unknown quality, be they ever so cheap are dear at any price and this fact has been the cause of the great growth of the well known seed house of James Vick's Son's Bayers have found that they can rely on the seeds from this firm and that all plants sent out by them are true to name. Vick's are among the pioneers in the seed business in this country and their success has been well earned. It pays to plant good seeds, and we advise our friends who are thinking of doing anything in this line to send 13 cents to Vick's Floral Guide.

USURPING WOMEN'S WORK.—Dangerous mishaps are always sure to befall a man when he undertakes work that properly belongs to the women. Further proof to this well known fact is furnished in the experience of H. T. Sladen and Wm. Kidd, who are each carrying a hand in bandages, the result of trying to split the kitchen stove wood. Each have a thumb split open and have suffered sufficient pain to teach them that splitting wood and getting kindling and that other accessory of building fires is not man's forte.

WORK FOR BOARD.—A stout, industrious country boy of 16 years wants a position where he can work for his board and go to school. Address "Boy" care of ENTERPRISE office.

On account of the union prayer meeting, the W. C. T. U. will meet at the Baptist church at 2 o'clock next Friday. All ladies are cordially invited to be present.

There will be a republican rally at McClaren's hall at Wilhoit on Saturday evening, February 1st. Hon. George O. Rinearson will address the meeting.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding la grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Charman & Co's. Drug Store. Regular size 50c and \$1.00.

A Beautiful Flower.

Among the fruit and flower novelties which 1896 brings us, we notice that the enterprising and reliable firm of James Vick's Son's, Rochester N. Y., are already calling attention to three, which seem to have won great favor where known. They are the DOUBLE SWEET PEA, the only one in the world true to name, "Bride of Niagara," the earliest of all the tomato family and sure to become a great favorite, and the already famous blackberry, the "RATHBUN."
From the praise and compliments given so abundantly to the "Bride of Niagara," this sweet pea must be more than charming and from the encomiums lavished on both the new tomato and this new blackberry, it is perfectly certain no garden desiring to have the first and best of everything, can be without these three new comers.

By the way readers, are any of you so far behind the times as not to know "Vick's Floral Guide?" If any of you have never seen it, send 10 cents to this firm at Rochester N. Y. and get a copy. You can deduct this from the first order for seeds and the pleasure and information their Guide will give you will certainly induce you to keep up the acquaintance.

THE REVIEW OF REVIEWS

Edited by ALBERT SHAW.

THE REVIEW OF REVIEWS, as its name implies, gives in readable form the best that appears in the other great magazines all over the world, generally on the same date that they are published. With the recent extraordinary increase of worthy periodicals, these careful reviews, summaries, and quotations, giving the gist of periodical literature, are alone worth the subscription price.

Aside from these departments, the editorial and contributive features of the REVIEW OF REVIEWS are themselves equal in extent to a magazine. The Editor's "Progress of the World" is an invaluable chronicle of the happenings of the thirty days just past, with pictures on every page of the men and women who have made the history of the month.

The Literary World says: "We are deeply impressed from month to month with the value of the 'REVIEW OF REVIEWS,' which is a sort of Eiffel Tower for the survey of the whole field of periodical literature. And yet it has a mind and voice of its own, and speaks out with decision and sense on all public topics of the hour. It is a singular combination of the monthly magazine and the daily newspaper. It is daily in its freshness; it is monthly in its method. It is the world under a field glass."
