The costume party given by Mrs. G. A. Harding, Mrs. T. A. Pope and Mrs. P. F. Morey to the young people last Friday evening, at Willamette hall, was one of the pleasantest affairs of its kind ever given in the city. The celebrated people of the present and olden times were all represented, there being queens, noblemen, Persians, Jews, peasants, cavaliers, flower girls, dominos, night, fairies, Red Riding Hood, Lady Washington, Japanese, Chinese, soldier and baby. The clown was by no means an unimportant figure, he making himself at ease in the company of nobles as well as peasants. Some of the dresses worn were quite elaborate and all of the characters well represented. Delightful music was furnished by Cooke's orchestra, and during the evening refreshments were served in the corridor.

The Blue and The Scarlet.

Another wave of football excitement is on in Oregon City and this time it is the juvenile population that is carried away in expectancy of the fun they are to have on Washington's birthday when the two teams from the public schools meet upon the gridiron in Gladstone park. A team has been picked from among the boys of the Barclay school and one from the Eastham school and the boys have been in training for several weeks and considerable feeling has been worked up between the two schools as to the relative merits of their respective teams and the girls as well as the boys have been gaily wearing the colors of their favorite team, the Barclay colors being scarlet and white and the Eastham blue and white.

The teams will line up as follows:

Table with 3 columns: Eastham, Position, Barclay. Names include Harry Austin, Walter Adams, Guy Clarke, etc.

Chauncey Ramsby is captain of the Eastham team and Chas. Burns captain of the Barclay. Ralph Cross was first elected captain of the Barclay team, but owing to sickness had to give it up. The Barclay boys have been coached by Leighton Kelly and Dr. Sommer and Eastham boys by Chas. Pope and Will Parker. The two teams are very evenly matched as to weight and training and the boys will put up a game worth witnessing by lovers of this exciting sport. The game will be called at 2 o'clock sharp, Saturday afternoon and will take place on the athletic grounds at Gladstone park. The field has been put in good shape and if a heavy rain does not take place will be in excellent condition for the teams to do their best on. The grounds, though have been thoroughly drained so there will be no standing water. There will be no admission charged to the grounds and the public is invited to come and witness the game, a good pair of lungs, tin horns and plenty of ribbon being acceptable accessories.

Card of Thanks.

On behalf of St. John's church the pastor desires to thank those who so kindly aided in making the celebration of the Golden Jubilee of the organization of the church in Oregon City the flattering success that it was, and especially do we wish to thank the members of Meade Post, G. A. R. and Women's Relief Corps for their presence at our celebration and to Commander C. A. Williams and Mayor Hiram Straight for their able and patriotic addresses.

A fire alarm at six o'clock Monday evening caused a sudden gathering of the greater part of our fleet footed citizens and boys to the house occupied by the family of Capt. John Kelly, on the corner of 1st and Main streets, opposite the residence of Hon. Peter Paquet. Mrs. Kelly was lying seriously ill in the house at the time, but it was not found necessary to move her. Little damage was done beyond burning a hole in the roof, the fire being quickly extinguished without the aid of the fire companies, both of which promptly responded to the call. Fred Charman aided the Cataract team materially by hitching the cart on the back of his buggy, his spanking team of greys getting to the scene in short order.

The valentine social and dance given by the ladies of St. Paul's guild at the Willamette hall last Thursday evening was a flattering success both in enjoyment and financially. The postoffice which was a feature of the evening, was presided over by Miss Mina Kelly who made an efficient and accommodating postmistress, and the valentines on hand were all sold out and a new stock was procured. A lunch was served and dancing was indulged in for the remainder of the evening, music being furnished by Mrs. Beatriz McDonald. About \$25 was added to the guild treasury. Much credit is due the ladies of the guild, and to Miss Mollie Holmes and Mrs. Dan O'Neill especially, who were untiring in their efforts that the social might prove a success, which it was.

The Teachers association will make Parkplace their next place of meeting on Saturday, February 29th. The Golden Jubilee.

The 50th anniversary of the organization of St. John's Catholic church was celebrated on Wednesday of last week in a manner befitting the memorable occasion by the congregation Archbishop Gross of Portland and a large number of the dignitaries of the church were present and did much toward making the exercises a success.

The celebration commenced at 11 o'clock a. m. at the church where high mass was celebrated by the pastor, Rev. Father Hillebrand assisted by the visiting priests. This was followed by an address by Bishop Gross that was a most masterly effort. It was largely historical and dwelt upon the work of the church in this country and of the duties that its members owe their church and country. He counseled patriotism and love of country on his hearers and was proud that in this land all were Americans, regardless of religion and could work together for the common good of their country. The services were attended by Meade Post No. 2, G. A. R. and the Women's Relief Corps who marched in body to the church, on invitation the committee having the celebration in hand.

At the close of the exercises an elegant lunch was served in the parochial school building to the visitors.

In the evening an entertainment was given at Shively's opera house, at which able addresses were made by Commander C. A. Williams, of the G. A. R., Mayor Straight and Joseph Rice.

A farcial comedy was rendered by a troupe under the direction of Mr. E. J. McKittrick that brought down the house with laughter. Some fine instrumental music was rendered by Misses Lon and Mattie Draper and Dr. Schubert. And a most interesting feature of the evening was the historical paper read by Miss Fannie Porter. It was a complete resume of the history of St. John's church as well as a sketch of the struggles of the early Catholic missions in Oregon. The article showed much ability and research on the part of Miss Porter, and so complete and accurate was it, that it will be valuable for reference, to all interested in the early history of Oregon.

SMALLER THAN USUAL

"Pellets" are superior in a great many ways to all mineral waters, sedlitz powders, salts, castor oil, fruit syrups, laxative teas, and other purgative compounds. Made of concentrated vegetable ingredients, they act in a mild, natural way. Their secondary effect is to keep the liver active and the bowels regular, not to further constipate, as is the case with other pills. They don't interfere in the least with the diet, habits or occupation, and produce no pain, griping or shock to the system.

Dr. Pierce's Pleasant Pellets cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation, sour stomach, loss of appetite, coated tongue, indigestion, or dyspepsia, windy belchings, "heart-burn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels. These "Pellets" are easily dissolved in the stomach and absorbed into the blood, stimulating a flow of bile from the liver, and arousing to activity all the glandular secretions. Thus they act in nature's own way. In proof of their superior excellence, it can be truthfully said, that they are always adopted as a household remedy after the first trial. Put up in glass vials, therefore always fresh and reliable.

One little "Pellet" is a laxative, two are mildly cathartic. As a "dinner pill," to promote digestion, take one each day after dinner. To relieve distress from over-eating, they are unequalled. They are tiny, sugar-coated granules; any child will readily take them. Once used, always in favor. Accept no substitute that may be recommended to be "just as good." It may be better for the dealer, because of paying him a better profit, but he is not the one who needs help.
