The exposure to all sorts and conditions of weather that a lumberman is called upon to endure in the camps often produces severe colds, which, if not promptly checked, result in congestion or pneumonia. Mr. J. O. Davenport, ex-manager of the Fort Bragg, Redwood Co., an immense institution at Fort Bragg, Cal., says they sell large quantities of Chamberlain's Cough Remedy at the company's store and that he has himself used this remedy for a severe cold and obtained immediate relief. This medicine prevents any tendency of a cold toward pneumonia and insures a prompt recovery. For sale by G. A. Harding, druggist.

In a recent editorial, the Salem, Oregon, Independent says: "Time and again have we seen Chamberlain's Cough Remedy tried and never without the most satisfactory results. Whenever we see a person afflicted with hoarseness, with a cough or cold, we invariably advise them to get Chamberlain's Cough Remedy; and when they do, they never regret it. It always does the work, and does it well." For sale by G. A. Harding, Druggist.

The annual election of officers of the different hose companies will take place next Monday at the Fountain Hose company's rooms, when a chief and an assistant will be elected. The polls will be open from 9 a. m. to 4 p. m. The candidates mentioned so far are, S. R. Green, for chief and H. S. Strange and C. F. Clark, for assistants.

Recorder Ryan is becoming a popular solemnizer of marriages, and last Thursday evening another couple presented themselves to have the nuptial knot tied. They were W. H. Snow, a well known citizen who resides in the south part of Clackamas county, near Hubbard, and Mrs. Eunice McCracken, a most estimable lady.

The Novelty Candy Factory makes a specialty of tropical and all other fruits in season. Their oranges, lemons and bananas are the very choicest that can be obtained in the market, and they are sold at the very closest margin of profit. They will meet all competitors in the fruit line.

County Clerk Horton has granted marriage licenses as follows during the past week: Feb. 29th, Edna M. Black and Joseph DeShazer; Feb. 22nd, Sarah Beaman and C. E. Smith; Feb. 24th, Lucy E. Cox and Louis Seiberlich; Feb. 26th, Lillian C. Gifford and F. H. Curtis.

A drowning man would have little use for a method of rescue which would require days. A dyspeptic doesn't want to bother with a remedy that is going to take weeks to show its beneficial effects. The Mt. Lebanon Shakers are offering a product under the name of Shaker Digestive Cordial which yields immediate relief. The very first dose proves beneficial in most cases; and its owing to their unbounded confidence in it that they have put 10 cent bottles on the market. These can be had through any druggist; and it will repay the afflicted to invest the trifling sum necessary to make the trial.

The Shaker Digestive Cordial relieves by resting the stomach and aiding the digestion of food.

LAXOL is the best medicine for children. Doctors recommend it in place of Castor Oil.

S. H. Orr spent a couple of days in Portland this week.

E. E. Judd, a well known farmer of Marquam and secretary of the republican club at that place, was in Oregon City Tuesday.

Jack Blount, who went to the Rogue river mines in Southern Oregon with G. B. Ward about three months ago, has returned home. They discovered some good paying ground, but the lack of sufficient water privilege was a serious hindrance in their way of working the pay dirt.

Dan O'Neill, the veteran steamboat man and for years one of the most popular pursers on the lower Columbia, returned home Tuesday from a brief trip to Astoria. He found it rather quiet among the river men and little doing on the new railroad, though the Astorian's, he states, expect lively times this spring.

George Austin, who served two days in the city jail last week for insulting some ladies who were coming out of the Methodist church, was again arrested early last Sunday morning by Officer Shaw, charged with disorderly conduct. After laying in jail for a couple of days he was brought before Recorder Ryan, who gave him the alternative of either leaving the county or working on the streets and roads for 25 days; and further told him that if he did not make himself scarce by Tuesday noon, he would suffer the consequences. As Austin has not been seen since, it is presumed that it will be some time before he again annoys ladies coming out of Oregon City churches.

Wachon Tribe No. 13, Improved Order of Red Men, have about completed the fittings in Pope's hall, which they recently leased, and held their first meeting in the new quarters last Tuesday evening. There was an unusual good attendance of members, and some degrees were conferred. Owing to the convenience of the new meeting place, it is believed that the regular attendance of members will be much better than in the past. Next Tuesday evening the lodge will hold one of its popular stag socials.

The county jail has another prisoner. Adolph Winterer was bound over to the grand jury by Justice Haines, of Oswego, on a charge of the larceny of a horse from Constable W. S. Smith. He was brought to town Tuesday by the constable and turned over to the sheriff. This makes four prisoners now confined in the county jail. They are Charles Montgomery, for murder; William Lackey serving a time sentence for larceny; Dr. Wallings, for practicing dentistry without a license, and the late arrival.

WASHINGTON'S BIRTHDAY.

Appropriate Exercises at the City Schools—First Lesson in Patriotism.

The children of the Eastham school observed Washington's Birthday with appropriate exercises though no elaborate preparations were made for the occasion. By invitation the members of Meade Post No. 2, G. A. R. and the Ladies' Aid Society were present as guests of the school.

The exercises began at 10 o'clock by the school falling in double column and marching down Seventh street to Jackson streets where they met the column of old soldiers and ladies of the Relief Corps, and after saluting them escorted them to the assembly room of the school building. The indoor program opened by the children singing "Hail Columbia" which was rendered with a will. The 2d grade class under Miss Spangler then sang "Sweet little Man" in a very pleasing manner. A recitation by W. Koerner, a bright, little boy of Miss Lawrence's room greatly delighted the old soldiers and visitors. That sweet and inspiring song that for so long has been a popular favorite, "Mount Vernon Bells," was splendidly rendered by Miss Baird's class of little folks. The little tots of Miss Hankin's room then sang "Little George Washington" to the tune of Yankee Doodle in such a lively manner as to win a hearty applause. The recitation of Edna Caulfield of Mrs. McAdam's room was well rendered and the little miss was heartily applauded. Howard Brownell of the ninth grade, Prof. McAdam's room, delivered an address on the life and work of Washington, which was of his own composition, that would have been a credit to an older person. The song, "Sword of Bunker Hill" was finely rendered by Misses Kate Ward and Mabel Hannagan.

The Grand Army men were then called and on their behalf Commander C. A. Williams of Meade Post responded in a brief speech appropriate to the occasion, in which he spoke of the integrity and patriotism of Washington as an example worthy to be followed by all Americans. Capt. J. T. Apperson was then called on and gave a brief sketch of the early history of Oregon and of pioneer school days as experienced by him as a boy of 13 years. F. H. Beach, C. A. Davenport and E. F. Grider gave an interesting account of their army experiences. Mr. Grider graphically described the death of Col. E. D. Baker, of Oregon, who was killed at the battle of Ball's Bluff.

The rooms were handsomely decorated and presented a very attractive appearance, prominent among the decorations being fine pictures of Washington, Lincoln and Grant, which had been purchased by the scholars. There was a large number of visitors present besides the invited guests and they were greatly pleased with the exercises, and complimented the teachers on the work of their pupils.

The way Washington's birthday was celebrated on Friday last, by the pupils of the Barclay school, proved that the memory of that hero is still green, and that nowhere is patriotic sentiment more manifest than in our public schools.

The assembly hall had been decorated for the occasion with flags, ferns and Oregon grape, and in a very prominent place hung a large picture of Washington which had been presented to the school by Dr. Carl, in honor of the day. Many friends and patrons were present to show their appreciation of the children's efforts.

Promptly at 10:30 a. m., the pupils from the several rooms marched to the assembly hall and carried out the following program:

Song—"Mount Vernon Bells." School Recitation—"Red, White and Blue." School Recitation—"Nette Bradley, Yona Walker, Merie Wooddy."

Song—"Washington's Birthday." 5th Grade Pupils Recitation—"How Washington Looked." Nette Stafford Roy Miller, Stanley Hermann

Hatchet Drill. 2nd Grade Song—"George Washington's Hatchet." Recitation—"George Washington's Cherry Tree." Oller

Recitation—"George Washington." Six 3rd Grade Girls Recitation—"George Washington." Six 1st Grade Boys

Little Alexander Oller recited a piece in which he seemed to have discovered that Washington lacked one thing, for "Although he beat the British, And drove them in a hole, He never made a touch-down, And never kicked a goal."

Director J. W. Noble responded to a call for a speech, and among other things said, "We should always take Washington as an example of truthfulness."

Dr. Carl made a very appropriate speech. In speaking of the game of football to be played the next day, he said, "Whatever you do, play a fair game. A victory is something to be proud of, but in an honest defeat there is no disgrace."

After a few remarks by Rev. Rugg, the school sang "America," which closed the exercises.

County Superintendent Gibson has sent out blanks and supplies to the various school districts, and it is expected the clerks will be prompt with their reports. The school apportionment will not be made until May.

The nicest and finest stamped linens ever brought received now at the Racket store.

Born, on February 22d, to the wife of Ben Faust, a son. Mother and child are doing well and the father is happy.

Mrs. J. P. Bell, Osaucatomie, Kan., wife of the editor of The Graphic, the leading local paper of Miami county, writes "I was troubled with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that, at times I would walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me. I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and it completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did, there's relief untold for them if they will only give your remedies just one trial."

Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 a bottle for \$5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

Dr. Miles' Heart Cure Restores Health

The Needy Republican club had one of their old-time rallies last Friday evening at the Needy school house, which was packed to its utmost capacity to accommodate the large audience. The first speech of the evening was by A. S. Dresser, of this city, who gave a clear and forcible argument in favor of the principles of the republican party. He was followed by J. U. Campbell, of Oregon City, whose speech was well received by his hearers. Following the regular speakers impromptu addresses were made by H. Weller, Jacob Zimmerman and Samuel Woller, that greatly stimulated the enthusiasm of the audience. These meetings are held monthly and this club can get up more enthusiasm and earnestness per member than any club in Clackamas county.

The live young republican club of Willamette Falls has decided to hold meetings every two weeks from now on until the close of the campaign. Their next meeting will be on Tuesday evening of next week at Batdorf's hall. Mr. A. S. Dresser of this city will make the principal address of the evening and as he is a speaker of much force and logic he will be well worth hearing. The public is cordially invited to attend.

It is now stated that there is a probability that a team will be selected out of the Eastham and Barclay school football players, to play with a junior team at Astoria on May 30th. If the game materializes our boys can be depended upon to do themselves credit.

It is J. Y. Humphreys, who is president of the Willamette Fishermen's Union, instead of Jonathan Humphreys, as has heretofore been published. The union will hold its first regular meeting next Tuesday evening.

We call attention to the professional card in another column of Dr. J. W. Welch dentist. Dr. Welch has recently fitted up a fine suite of rooms in the Willamette block and removed his office there from the building he recently occupied near the depot.

The W. C. T. U. will meet with Mrs. Monroe corner Eleventh and Madison streets on Friday at 2:30 p. m. All members are requested to be present.
