

OREGON CITY OFFICERS
Mayor: H. S. Craig
Recorder: Chas. E. Burns
Chief of Police: E. S. Galiff
Assessor: R. L. Holman
City Attorney: F. W. B. H.

The Committee Will Have Quarters Selected by Next Monday.

The Oregon City Young Men's Christian association is now an assured fact. Mr. Levi Johnson, who for some time has admirably filled the position of general secretary of the Portland, East side, Young Men's Christian association, has been engaged to take charge of the work in this city, and it is expected to have permanent quarters selected by next Monday evening and everything in working order in another week.

The board of managers elected at a recent meeting are as follows, each church being represented:

Presbyterian—L. C. Caples and W. C. Muir.

Baptist—F. E. Donaldson and H. E. Cross.

Methodist—W. S. Maple and Will Moore.

Congregational—Robert Warner and G. H. Bestow.

Episcopal—John Humphrey.

The board have selected the following officers: President, L. C. Caples; vice president, Robert Warner; recording secretary, Will M. Moore; treasurer, F. E. Donaldson.

At the Monday night meeting Mr. Johnson was present and unanimously elected general secretary. He is very highly recommended by J. A. Dummitt, traveling secretary of the Pacific Northwest. Mr. Johnson will assume charge of his duties on March 16. At this meeting President Caples appointed the following standing committees:

Executive—H. E. Cross, E. J. Maple and J. R. Humphrey.

Finance—G. H. Bestow, W. M. Moore and F. E. Donaldson.

Educational—Robert Warner, F. E. Donaldson and E. J. Maple.

Auditing—Will M. Moore, Robert Warner and H. E. Cross.

Vacancies—Chester Muir, G. H. Bestow and J. R. Humphrey.

Mr. Johnson will hold a consultation meeting with the board on Friday evening and at the meeting to be held next Monday evening the committee on permanent location will make a final report. The association has now on hand about \$100 in cash and pledges and it is believed that under the efficient management of the board and the general secretary, the Y. M. C. A. has every promise of a successful future and will be the means of doing much good work among the young men of Oregon City.

A Modera Athenaeum.

Last Friday evening the spacious room of Prof. S. W. Holmes was filled to its utmost capacity with boys and girls. A good program was rendered and was well received by the attentive spectators. Miss M. Noble recited a much appreciated poem. Miss V. Monroe delivered a comical recitation in her inimitable elocutionary style. The Hesperian choir rendered two beautiful selections and was encircled with volleys of shouts and applause. The debate, resolved, "That Fire is More Destructive Than Water," was very ably discussed by each of the disputants. The speeches of most importance were delivered by J. Tompkins, Everett Secor and others. The arguments were clear and decisive and the debate was lively contested by both sides. The geographical match would have been a success had it not been for the disorderly manner in which a few members and visitors conducted themselves while it was in progress. Such persons will have to exercise more self government or will find themselves in a most unpleasant position. The Hesperian society does not and will not stand responsible for the actions of its members before or after the meetings. The singing congregations and social smokes which are held around the Barclay school premises have no connection whatever with the work of the Hesperian society and such disturbances ought not and will not be thrown upon the reputable character of the society so as to check the progress of the organization. Let the public visit us and be convinced that what is said here is true.

Chautauqua Notes.

Professor Rigler, well-known in this city, has a Chautauqua circle in Portland of 50 or 60 members. They are all enthusiastic over their leader.

Prof. R. A. Heritage, of Salem, late of Chicago, was in the city recently conferring with the Chautauqua board in regard to music in July. Prof. Heritage came to Salem last fall and now has 699 pupils in his conservatory of music. President Hawley says of him "When he sings the angels leave their heavenly choirs to listen." The board of directors have closed a contract with Professor Heritage to conduct the music at the assembly and bring with him all the singers he can enlist over the state. He will be assisted by Herr Emil Winkler, pianist, late of Leipzig.

The Junior Endeavor societies of the city held a grand rally at the Congregational church last Sunday afternoon at four o'clock. About 150 Juniors were in attendance accompanied by their respective Junior superintendents, Mrs. L. C. Driggs, of the Baptist society; Miss Musa Barclay, of the Presbyterian, and Miss Marguerita Wall who acted as superintendent of the Congregational society in place of Mrs. M. L. White, who could not be present on account of illness. In addition to the regular topic exercises, the Juniors were drilled in special exercises to be repeated at the Endeavor State convention.

A surprise party was given Mrs. J. Robb by a number of her friends on Tuesday evening at her home on Madison street between Sixth and Seventh. Dancing was indulged in until midnight when light refreshments were served. Those present beside Mr. and Mrs. Robb, were Mr. and Mrs. J. H. Coleman, Mr. and Mrs. T. M. Coleman, Mr. and Mrs. W. Risdon, Mr. and Mrs. A. Shipley, Mr. and Mrs. Chapman, Mr. and Mrs. G. C. Bacon; Misses M. Mossbarger, Hattie Johnson, Mollie and Musa Barklay; Messrs. A. Dillman, L. Abriel, T. Metca, C. M. Bacon, C. Lankins, F. Munson and F. Marra.

Anna Peters, mention of whom was made in last week's ENTERPRISE, is still at the residence of Sheriff Maddock. Some of the ladies in the city desire to have Miss Peters sent to the Open Door refuge home in Portland, but in view of the fact that she would be thrown into the society of hardened women, some of whom have no well defined intention of leading a different life, the wisdom of such a move is questioned. Sheriff Maddock was the first person who took any interest in re-claiming the unfortunate girl, and he does not consider it advisable to send her to this Open Door institution.

Business at the United States land office in this city has been active during the past week, and final proofs and contests have been coming in galore. In fact, Register Miller says they are doing a land office business. Hon. William Galloway assumed the receivership of the land office last Saturday, and G. E. Cox, the special clerk, sent out from Washington a couple of months ago, will remain with him until the 1st of July.

Mr. C. U. Barlow, the well-known Barlow merchant, was in the city Tuesday. Regarding his candidacy for a seat in the legislature, mention of which was made in the ENTERPRISE last week, Mr. Barlow states that he is not a candidate and thanks his friends for their kindness toward him, but cannot allow his name to come up before the convention.

The Woodmen will give a basket social Tuesday, March 17th, at Willamette Hall. A short literary and musical program will be rendered to be followed by a lunch to be prepared by the families of the members. As this is the regular meeting night of the lodge, the members are requested to meet at 7:30 for a short session. Visiting Woodmen invited.

The republicans of Damascus will hold a grand rally Saturday evening at the Union school house, at which time it is the intention to organize a Young Men's Republican club. Prof. H. S. Strange will address the meeting and probably other Oregon City speakers will be in attendance.

County Clerk Horton granted a marriage license on March 6th to Tressie A. Nicholson and George F. Blair. They were married on March 8th by Justice Jack, of Marquam precinct. On the 7th day of March a permit to wed was given to Polly A. Johnson and Levi Welty.

William M. Ashby, of Detroit, Marion county, a native of Canada, and Louis Rudstrom, of Oswego, a native of Sweden, took out their final citizenship papers last Tuesday before County Judge Hayes. They are now full-fledged American citizens, having renounced all allegiance to the countries of their birth.

The cheap rates of \$5 cabin, \$2.50 steerage, including meals and berth, are still in effect on the O. R. & N. Co.'s steamers from Portland to San Francisco. Steamers leave Portland every five days.

Don't be chased by a howling mob and make people think you are Schlatter the magic healer. But look neat—try Rogers. He cuts your hair in the latest styles, and shaves you properly. Under the ENTERPRISE office.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be lost forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

G. A. Harding desires us to publish the following extract from a letter of Chas. M. Gutfield, of Reedley, Fresno Co., Cal., as he handles the remedy referred to and wants his customers to know what a splendid medicine it is:

"With pleasure I tell you that by one day's use of Chamberlain's Colic, Remedy I was relieved of a very severe cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

If you suffer with piles, it will interest you to know that DeWitt's Witch Hazel Salve will cure them. This medicine is a specific for all complaints of this character, and if instructions (which are simple) are carried out a cure will result. when you have eaten heartily, you should take one of Doctor Pierce's Pleasant Pellets. Your stomach and liver need the gentle stimulant as well as invigorating effect of these tiny, sugar-coated granules. If you feel drowsy, dull, languid, indigestible, tired or debilitated; if you've no appetite and frequent headaches or dizziness, a furrowed or coated tongue—it proves that you're bilious. In that case you should use the "Pellets." They are anti-bilious granules, which act in a prompt and natural way, without griping.

Doctor Pierce's Pellets are the best pills I ever took for the liver. All my friends say they do them the most good."
