From these tables it appears that the appropriations made by the last legislature

flors made prior to the session of 1889.

To those who have kept close watch lead, and will win at the polls in June, notwithstanding the boasts of the populists of several important factors that will go towand giving strength to the republican candidates, the first, being that they are good, upright men who will win the confidence of the people; the universal wish for the succontest; the knowledge that back of these and the consumers and producers of the the country on political matters, country; the paying off instead of increasing the national debt; the maintainance of the nation's credit and of its money on a the candidates named by the populist com sound and safe basis, be it gold, silver or bination. They are all men of average paper. In casting their ballots the voters of ability, integrity, and standing in the coun factors and the result of the election in capped by the impossible, improbable, and June cannot but be favorable to the republican party.

lent to an election is by no means a certain voters of Clackamas county; but the good thing, though so many factors favor the sense of the voters will prevail and they ticket. It will depend on the class of men will meet a sure defeat at the polls in June put up for the offices, and the kind of support they receive from those that are promi nent in the party affairs. It will take the best men the republicans have, and the best work they can do, to win this election. It rests with the convention next Wednesday tion next month. The big counties seem to whether the republican or populist princi- all ples are to predominate in Clackamss County Leader. county-whether we are to have men representing the old, well-tried principles of the ideas of the populists.

THE Y. M. C. A.

The organization of a Young Men's Christian Association marks a new epoch in the social progress of the manufacturing center of the state. Taking the population into consideration, Oregon City contains an unusual number of young men, many In view of the criticism which has been of whom are employed in the mills and made of the last legislative assembly, the factories; and the further fact that there is following statement showing the appropri- a dearth of suitable places where young ations of the legislature for the sessions of men can pleasurably and profitably spend 1889, 1891, 1893 and 1895 will be found inte- their evenings, makes the establishment of this organization one of special import. Aside from the moral features of the Young Men's Christian Association, its so-2,000 00 cial advantages and means of self-improvement are no less prominent. The training 4,500 00 in physical culture and instruction in other same time, however, it laments the jealous classes, which will eventually be added, the les existing between the public men of that 0,000 90 baths and free reading room, are all induce. state, and fears that the unfortunate pas-0,000 00 ments that will prove attractive to the sion will defeat its favorite. young men of the city. They will have a There is no ill-feeling between Reed and 3,000 00 quiet, pleasant place in which to spend McKinley forces. These two leaders always 0.778 62 their evenings, with every facility for self- work together in congress, and it is said that 1,500 00 improvement; the gymnasium, reading should either of them be elected president, 2,000 00 room and comfortable quarters fill a long the other would be offered a conspicuous 2,500 00 needed want in this city. Many young men place in the administration. Some of Mr. ,500 00 go to the saloons to while away the even- Reed's friends say that if he does not get ,000 00 ing where there are comfortable chairs and the nomination they would much prefer 10,000 00 and a warm fire, for the very reason that that McKinley should get it, and the same 15,000 00 they know of no other place to go. The feeling is expressed by the McKinley men 15,000 00 Y. M. C. A. will prove a great charactoward Reed. It is certain that the Reed 8,000 00 ter builder; its influence can only be for men do not regard Mr. Morton as a serious good; it will prove a great promoter of candidate any more than they do Mr. Quay. 10,000 00 good citizenship and moral worth. There- At least that was the expression of one of fore the Y. M. C. A. should receive the the Reed leaders at the capitol.-Toledo 2,407 91 support and encouragement of every citi- Blade. 15,000 00 zen of Oregon City, that it may be made an 2.500 00 institution that will be pointed to with 10,000 00 pardonable pride, when visitors are shown 1,000 00 over the city.

2,251 65 THAT attack in the Herald of last week made by a representative of a powder company on Commissioner R. Scott, was a very 5,000 00
