He was treated by several physicians, also visited the hot Springs, but received no permanent relief until he used Chamberlain's Pain Balm. He says it is the best medicine in the world for rheumatism. For sale by Geo. A. Harding, druggist.

McLaughlin Chautauque circle met at the residence of Mrs. L. C. Driggs last Monday evening. There was a good attendance and an interesting meeting. The meeting next Monday night will be held at the residence of H. L. Kelly, with C. H. Dye as leader. The lesson will be the first five chapters in "Thinking, Feeling and Doing," the last of the series of the five books for this year's course of study.

F. Rath, of George precinct, who attended the democratic convention last Saturday, registers a kick because his name appeared on the list of judges of election as a populist. His name was on the petition sent in by the populists for appointment, and, as a matter of course, he was classed with the populists. Mr. Rath states, however, that he first voted for Pierce for president, and has ever since been a consistent democrat.

Meade Post, G. A. R. are making preliminary arrangements to fittingly observe Decoration Day. A committee of five has been appointed, who are systemizing arrangements in that direction. "We take pleasure in recommending Chamberlain's Cough Remedy because it is praised by all who try it," says J. W. Cox & Son, druggists, Marshfield, Oregon. No one afflicted with a throat or lung trouble can use this remedy without praising it. It always gives prompt relief. It is especially valuable for colds as it relieves the lungs, makes breathing easier and aids expectoration. A cold will never result in pneumonia when this remedy is taken and reasonable care exercised. For sale by Geo. A. Harding, druggist.

England is beginning to copy American ideas in a great many things. The London correspondent of the Argonaut shows in a letter entitled "Americanizing England," printed in the issue of April 6th, that there is an agitation in favor of adopting American forms in certain legal matters, while American tobacco, and buggies, and locomotives are becoming common, and the naval department is adopting some American ideas in the treatment of cadets and midshipmen. For sale at Huntley's Book Store.

Mr. Levi Johnson and family moved into the house owned by James Healey, on Thirteenth and Washington streets Tuesday. Mr. Johnson is secretary of the Y. M. C. A. gymnasium and reading room recently organized here but formerly lived in Portland. Last Monday evening, previous to his removal to this place, a farewell reception was given him by the East Side Y. M. C. A., of which he held the same position as he does here. As an evidence of personal regard and appreciation of the good work accomplished by Mr. Johnson, a handsome Oxford bible was presented to him by the young men of that association on this occasion.

The dog-catchers are abroad in the city, and three of them keep a lively lookout for stray dogs on the thoroughfares without a regulation tax-collar. Since Chief of Police Burns began the enforcement of the dog-tax ordinance, dogs are making themselves rare on the streets of Oregon City. On Tuesday last, there were five dogs in the city pound back of Freytag's grocery store. There were two more, but their owners had redeemed them from the hands of the dog butcher. The dogs are kept in the pound for 48 hours, and if not redeemed within that time they are turned over to a furrier from Portland, who has taken a contract to kill the dogs for their hides. It is not improbable but what some Oregon City belle will be wearing furs made from some worthless canine cur that once trotted over the suspension bridge.

Here is a diamond, here a piece of charcoal. Both carbon; yet between them stands the mightiest of magicians—Nature. The food on your table and your own body; elementally the same; yet between the two stands the digestion, the arbiter of growth or decline, life or death.

We cannot make a diamond; we cannot make flesh, blood and bone. No. But buy means of the Shaker Digestive Cordial we can enable the stomach to digest food that would otherwise ferment and poison the system. In all forms of dyspepsia and incipient consumption, with weakness, loss of flesh, thin blood, nervous prostration, the Cordial is the successful remedy. Taken with food it relieves at once. It nourishes, and assists nature to nourish. A trial bottle—enough to show its merit—10 cents.

LAXOL is the best medicine for children. Doctors recommend it in place of Castor Oil.

Vesper Musicals.
On Thursday evening Mrs. E. E. Charman and her class of young ladies, the Halcyon Chorus, gave a delightful musicale at her home in this city. About 60 guests gathered at an early hour and spent the evening in listening to one of the most artistic programmes ever given here. Solos were sung by several who have never before appeared before an audience and the verdict was that Mrs. Charman has succeeded admirably in bringing out the talent of our young ladies. Among the soloists were Mrs. W. B. Wiggins and Mrs. J. W. Gray, always favorites, and the debutantes, Miss Ora Spangler, Mrs. C. D. Latourette, Mrs. Noble Heath, Miss Vera Caulfield, Miss May Mark, Miss Edith Wishart, Miss Annie Anderson, Mrs. T. W. Clark and Mrs. Clark Ganong, who were each and all encored. Mrs. T. W. Clark accompanied. Several choruses were charmingly rendered and the evening closed with refreshments, served by the young ladies. The following program was rendered:

O. C. Transportation Co. Reorganized.
With the first of this month a change in the stockholders and management of the Oregon City Transportation Co. was made. As now constituted the new company is composed of Arthur W. Graham, Alden B. Graham and Newton Graham, with Arthur as president, Alden manager, and Newton secretary. The entire stock is now owned by the Graham brothers, they having bought up the stock held by A. B. Mason, of Portland, and T. P. Randall of this city. Mr. A. B. Graham will have charge of the company's office in Portland, where he will look after the multitude of matters that will be under his charge. The dock in this city will be in charge of Capt. Graham, father of the boys. The officers on the company's boats will remain as they have been for some time, Capt. A. J. Spong being in command of the Altona with Capt. A. W. Graham as purser and pilot. The Ramona will be in command of Capt. Newton Graham. There will be no change in the time table of the boats, they continuing their daily trips, which include Sunday, leaving Portland, Taylor street dock, and Independence at 6:45 a. m.

The Altona and Ramona make their various landings along their route with almost the regularity of a railroad train. The service they give is admitted by all to be the best ever had on the Willamette. No other boats on the river have more courteous and obliging officers than have these boats, and their popularity with the traveling public and shippers is fully deserved. The Graham brothers have a host of friends in the city, as well as all along the river, who wish them the best of success. As they are all three young men of more than average push their new venture cannot be otherwise than successful.

A Juvenile Surprise Party.
On last Friday evening the little school mates of Nettie Bradley gave her one of the most successful surprise parties of the season, which took place at the residence of her parents, Mr. and Mrs. J. A Sad Drowning Accident.

Antoine, aged 14 years and eight months, and Thomas, aged 13 years and eight months, sons of Mr. and Mrs. Casper Andres, residing at Fourteenth and Washington streets, were drowned in Moss lake last Friday afternoon. The boys were upon an old raft, which they had rowed across the lake with a piece of board. On their return as they neared the shore the raft began to take water, and becoming frightened they jumped overboard. Instead of landing in shallow water as they expected, the water proved to be eight feet in depth and they finally sank to rise no more. Some bystanders on the shore witnessed the drowning, but as they were unable to swim, did not offer any assistance. Mr. Andres is a wood hauler, and has eight children besides the two drowned. The bodies were soon recovered, and the funeral services were held at the Catholic church on Sunday, and were largely attended.

A few years ago two boys, sons of Mr. and Mrs. John Schram, were drowned in this lake. They were skating and broke through the ice.
