The first blacksmith shop that farmers pass in coming to Oregon City is that of Maple & Hoffman, at the junction of the Seventh street road and Main street. There is no class of work they cannot handle and at reasonable prices. They have an expert horse-shoer and guarantee satisfaction.
Lovers of flowers will be pleased to learn that the Women's Relief Corps are making active preparations for a rose show to be held during the early part of June. This will be a treat for the Oregon City people, as nothing of the kind has ever before been attempted in this city. The ladies will spare no effort to make the show a success.

The annual meeting of the W. G. T. U. will be held next Friday at 2:30 p. m. with Mrs. Sloper, at top of Seventh street. All ladies are welcome. Reports will be given and officers elected for the coming year. Delegates will be appointed for the State convention at Newberg.

Remember the oratorical contest (this Friday) at Willamette Falls. Take cars at 7:15. The Hesperians will be represented by Fred Meindel, Howard Brownell, Chas. Babcock and E. Secor. These young men will put up a good debate and will give the Falls City club a pretty close rub. Come along and encourage the boys.

"Burt" Hatch now has charge of the steamer, Wm. M. Hug, which is engaged in towing logs from the upper river to the pulp mills at Oregon City. The boat passed down yesterday morning with a large raft and returned to Salem late in the evening. The logs are placed in the river above Corvallis; after being hunched, are brought to near the mouth of the Santiam, where they are boomed temporarily and later floated to their final destination.—Salem Statesman.

W. H. Howell attended a meeting of the Northwestern Firemen's Association at Astoria last Saturday. Rules and regulations were adopted governing the annual tournament, which will begin at Astoria on August 19 and continue three days. All the members of the committee were present. It is expected that the Oregon City team will distinguish itself at this time, as it has always done on former occasions. One thousand dollars will be given in prizes.

The special Gospel meetings conducted by the California Evangelists Palmer and Turner will begin next Wednesday evening in the Baptist church. These men come highly commended by the churches in California and Oregon where they have labored and much good is expected to result from their visit to our city. All Christian people are invited to come in and help make the meetings a success. A general invitation is extended to the people to come and hear them.

"We take pleasure in recommending Chamberlain's Cough Remedy because it is praised by all who try it," says J. W. Cox & Son, druggists, Marshfield, Oregon. No one afflicted with a throat or lung trouble can use this remedy without praising it. It always gives prompt relief. It is especially valuable for colds as it relieves the lungs, makes breathing easier and aids expectoration. A cold will never result in pneumonia when this remedy is taken and reasonable care exercised. For sale by Geo. A. Harding, druggist.

Another very interesting meeting of McLoughlin Chautauqua circle was held at the residence of Mr. and Mrs. C. H. Caulfield last Monday evening. There was a good attendance, and the lesson proved of unusual interest. Mrs. Caulfield entertained the members cordially. Mrs. E. E. Williams invited the circle to meet at her residence next Monday evening, which was accepted. Col. R. A. Miller was selected leader, and will take up a portion of the time with a lecture on psychology. The lesson begins with the 9th chapter of "Thinking, Feeling and Doing," and includes the 13th.

There was a very good attendance at the gospel meeting at the Y. M. C. A. rooms last Sunday afternoon. Rev. A. J. Montgomery made a short but very impressive address on Christ's sacrifices. A part of the gymnasium apparatus has and is placed in position, and on this (Thursday) evening a reception will be tendered the members, at which time a class in athletics will be formed. Friday evening the monthly members meeting will be held. Next Sunday afternoon at four o'clock, Captain Kimball will address the meeting on "Heart Talks with Young Men." The male quartette, consisting of George S. Howard, A. F. Parker, E. S. Smith and G. H. Bestow will sing.

Jackson, the gunsmith, umbrella and bicycle surgeon and general utility man has moved his establishment from 7th street to Main in the Caulfield block near the court house corner. His removal was made necessary by the growth of his business, his old shop not being large enough to accommodate all his machinery and stock. As he now has more than double his former space he will be able to put in additional machinery and increase the capacity of his shop. Mr. Jackson as a mechanic has few equals and his work needs no recommendation. There is nothing too difficult or delicate in the shape of repairing that Mr. Jackson cannot successfully handle and his prices are always reasonable.

Is it "overwork" that has filled this country with nervous dyspeptics?—that takes the flesh off their bones, the vitality from their blood, and makes them feeble, emaciated and inefficient? No. No it is bad cooking, overeating of indigestible stuff, and other health-destroying habits. The remedy is an artificially digested food such as the Shaker Digestive Cordial. Instead of irritating the inflamed stomach the Cordial gives it a chance to rest by nourishing the system itself and digesting other food taken with it. So flesh and strength return. Is not the idea rational? The Cordial is palatable and relieves immediately. No money risked to decide on its value. A 10 trial bottle does that. LAXOL is the best medicine for children. Doctors recommend in place of Castor Oil.

Evangelist A. S. Copley, of Albany has opened a Gospel mission in the old M. E. church building near the depot. Services every night at 7:30 and Sunday 2:30 and 7:30 and everybody is welcome. The mission emphasizes holiness of heart and life and teaches Divine healing of the body and the Christ's second coming. The prayers and presence of God's people to help and the presence of all others to be helped is earnestly solicited.

Horses vs Bicycles.
The owner of a horse is not debarred from the road with every little shower like the bicycle rider. Some of the finest saddles and driving harness ever brought to Oregon City will be offered for sale next week by W. A. Mack, the well-known Eastern Oregon horse raiser, at Noblett's stables. A number of fine draught animals will be in the bunch. These horses are all young, sound and will be sold at a very low price.

Campaign Notes
On Monday May 4 at 1:30 in the afternoon the Neely republican club will open the campaign in that part of the county with a tag rally at which Hon. Thos. H. Tongue will speak. As the Neely boys never do anything by halves this meeting will be well worth attending by the public at large.

The Milwaukee republican club also hold a rally Saturday evening and are making preparations to start the campaign off in big shape. Prof. H. S. Strange will address the meeting and as he is one of our most polished and instructive speakers all who attend the meeting will be given something to think over.

The Canby republican club have also taken steps to open the campaign in that place with a big rally on Monday evening, May 4. The speaker of the evening will be Hon. Thos. H. Tongue and that he will have a large and appreciative audience is an assured fact for the Canby republicans have the ruse in them that brings success to their meetings.

Saturday of this week the New Era republican club will hold their monthly meeting at the Leland school house, Mr. A. S. Dresser will address the meeting on the financial question in which he will compare the republican and populist idea on this important question. As Mr. Dresser is one of the best political speakers in this county on the subject of finance, his speech will be worthy of close attention on the part of his hearers.

On Wednesday evening of next week the Young Men's Republican club of Oregon City will hold a big rally at Weinhard's new hall. The orator for the evening will be Hon. Thos. H. Tongue, republican nominee for congress, and as Mr. Tongue is one of the ablest and most entertaining speakers in the state, his speech will be well worth hearing. The officers of the club and Chairman Ramsby, of the central committee are working to make this rally the grand opening for the campaign. It is expected that some fine vocal and instrumental musical talent will be present to make the evening one of pleasure as well as of profit. The public generally and especially the ladies are cordially invited to be present.

West Side School Matters.
In compliance with a petition filed in his office, Supt. Gibson has formed a new school district, No. 105, from off the south part of the West Oregon City school district. The division line between the old and new district leaves the Willamette river between the W. P. & P. Co.'s sulphite mill and station B, of the P. G. E. Co. and runs in a south-westerly direction until it intercepts the old boundary of the district at the Tualatin river. By this division each district will have half of the mill and factories on the west side within their limits and thus equalize the taxable property. The division was made necessary by the great size of the district which made it very inconvenient for the children residing in Willamette Falls and the south part of the district to attend school.

The voters of the new district have called a special meeting at Batdorf's hall, Willamette Falls for next Monday evening when they will elect officers and make arrangement for a summer school. For the present a building will be rented in which to hold school but the district expects to erect a fine four-room school building. There are children enough in the new district to form a good school.

The directors of the old district have decided to have some extensive improvements made to the building and the grounds. A brick foundation will be placed under the building and a weather playroom made for the scholars and grounds will be leveled off and a substantial fence erected so that trees may be planted and the school yard beautified and made an ornament instead of an eye sore to the town. The West Side people have one of the handsomest locations in the city for their school building and they are displaying the energy and pride that will make the West Side school a credit to Oregon City.

Gospel Mission.
Evangelist A. S. Copley, of Albany has opened a Gospel mission in the old M. E. church building near the depot. Services every night at 7:30 and Sunday 2:30 and 7:30 and everybody is welcome. The mission emphasizes holiness of heart and life and teaches Divine healing of the body and the Christ's second coming. The prayers and presence of God's people to help and the presence of all others to be helped is earnestly solicited.
