During to find a man to fill his place at this time. the last two years of Judge White's administration there was a greater proportionate discrepacy between the revenues and ex- fitted for the position of county school sucould be collected, and consequently they ability, and the readiness with which he ac are a loss to the county. However, it is well commodates the patrons of the office, tells here to state that all the liens that the linquent taxes are good and collectable.

#### FACTS ADMITTED.

That the present administration went into power upon a free trade platform.

That at that time there was a surplus in the treasury of \$250,000,000. That it was accumulated under a republican tariff system.

That the present administration adopted the Wilson bill That the present administration then expended the \$250,000,000 surplus

That it then borrowed \$202,000,000 to meet demands. private sale for \$11,000,000 less than they

were worth in the market That values have steadily declined for three years.

That paupers are pouring in upon us. That our laborers are tramping. That thousands of our people have be-

ome insolvent. That money cannot be had upon any

That workshops are closed That we are wearing out our old clothes.

How much more of these things do our

people want?

given notice that when the last appropria. carried out complete in every detail. tion bill has passed, he will press the joint resolution for the election of United States As a convincing proof that the Wilson purpose of making a speech, but for the descripal ones travel on passes, of course, but tariff biti affects the industries of Clackamas | termined purpose of getting the resolution | then their other expenses will run up to no tion of the Oswego Iron Works affords a it would lift a great burden from many these speakers.
