The newly elected county officials have filed their bonds and they have all been approved except Recorder Luelling, which will be ready when the court convenes. The new officers who will take their places next Monday are G. W. Grace, sheriff; Elmer Dixon, clerk; A. Luelling, recorder; Jacob Shade, treasurer; H. L. Starkweather, school superintendent; surveyor, J. H. Wright, and coroner, Warren Godfrey. Lucien Scott, the assessor elect, will not take his place until next January.

Recorder Ramsby will remove to his Molalla farm in a few days. School Superintendent Gibson will assume the principalship of the Oswego school in September, and Surveyor Kinnaird will remove his office to the Caulfield block. Deputy Clerk Strange will probably secure a school, as he is capable of filling the principalship of any school in the state. Oregon State Camp-Meeting.

The Oregon State Camp-Meeting of the Methodist Episcopal church will be held at Canby, Ore., on their beautiful grounds, beginning July 14th and continuing until July 27th. The grounds will be suitably arranged and every thing in good condition for an enjoyable and profitable meeting. By order of the association the grounds will be enclosed with a barbed wire fence, and instead of spoiling the Sunday services by drum ming for money to pay expenses, a small fee of 10 cents for single admission will be taken at the gate. A season ticket for a single individual good during the camp meeting can be had for fifty cents, and a family ticket one dollar. This includes all campers upon the grounds without any additional expenses to themselves and family. The boarding house will be fitted up with care and let to responsible persons, who will furnish desirable board at reasonable rates. The date is later than usual, but after consultation with interested parties it was thought best, owing to the backwardness of the season, the Chautauqua Assembly in session so near to us and other considerations, to fix the date a few days later than usual. As far as possible we want to make this a real old fashioned Methodist camp meeting where sinners are converted and believers sanctified. Surely there are hundreds of needy souls among us who are longing for a deeper christian experience and in thus coming together with one accord eternally alone will reveal the good accomplished. Let all Methodists take a deep interest in this camp meeting. Come bring your neighbors—especially the unconverted. G. W. GUE, President.

Some People Leave Town.

Last Sunday three of Oregon City's well known citizens, went with their families for a drive into the country, and getting too far away to return home by noon pulled up at the comfortable home of Mr. and Mrs. F. A. Slight on Canby prairie. Mrs. Slight immediately prepared a dinner commensurate with the appetites of her guests, especially the gentlemen. After allowing a suitable rest Mr. Slight took the party to inspect his strawberry field, with the result that the price of berries was marked up two cents higher the following Monday at Williams' grocery store. Notwithstanding it was a Sunday excursion the party conducted themselves with the utmost decorum, except Clark Greenman, who got full of strawberries, and Bob Wilson, who was caught robbing a hen's nest. Some fat sheep in an adjoining pasture came near tempting Charlie Albright, but his manhood asserted itself and the sheep are still peacefully nibbling grass. The party arrived home early in the evening greatly refreshed and rested by their little outing in the country, with a resolve to again test the hospitality of the residents of Canby prairie with the coming of the next strawberry season.
