Squirrels, especially gray diggers, are causing farmers here, much annoyance, being more cheeky than ever before in the history of this neighborhood.

There are two miles of county road east of Meadowbrook that need some work very much. What is the matter with our county court, county road superintendent, or whoever has jurisdiction over said road, that we cannot have this piece of road at least put in shape so that one can haul a load over it during the summer?

Rev. Frank Bonney and son George, of Wamie, are visiting friends and relatives in Canyon Creek precinct this week.

Hurrah for Hanna!!

Logan Locals. LOGAN, July 6.—Well, the "Glorious Fourth" has come and gone as usual. It was very quiet in this locality.

The dance at the Grange hall on Friday night was a success, as every one had a regular Fourth of July time, and as girls were in the majority some of the young men expressed their fears that all those girls (young married women included) would talk those few boys to death.

We noticed, however, that the poor dear boys left feeling as well as when they came, and have heard of no death as yet.

How welcome a few good showers of rain would be! Rain is badly needed on late grain. It would also be an agent in settling some of the real estate.

A number of Loganites went to the picnic at Viola on the Fourth.

L. W. Hampton's school in district 94 closed on Thursday with the usual exercises by the pupils.

Miss Rhoda Newkirk was visiting in Springwater this week.

Some of the Logan young folks intended to go on the excursion to the Cascades on the Fourth, but the tickets were all sold before they had the chance to invest, consequently they stayed at home.

Nearly everybody is haying at the present time.

A few Loganites attended Pomona Grange at Tigardville on Wednesday last.

The visiting Grangers were well entertained, as usual. One thing in particular they enjoyed was the pleasant drive through those "lovely groves" on their journey there.

Miss Nellie Hamiston met with an accident while going to the picnic at Viola.

E. W. Hornschuch, our road supervisor, is very busy blasting out stumps and grading the road on Buckner hill.

register their muscular strength for hard striking, two huckster stands, a swing, and other amusements, we never saw better behavior at a Fourth of July celebration.

There was none of that vulgar "competition yelling" commonly indulged in at gatherings by stand and amusement operators.

After dinner the seats about the grand stand of hunting and flowers were again well occupied with humanity to listen to the melodies of music, vocal and instrumental.

Willard W. Austen, Esq., of Oregon City, was introduced as a Molalla boy.

He advanced some solid ideas on duties of American citizens.

E. P. Carter and Uncle Jake Harless each entertained the audience for a few minutes.

A volunteer choir took the stand and closed the grove exercises.

A base ball game was played between a "picked up" nine of Molalla and a nine from Canby, resulting in one point for Canby.

A ball was given in the evening, when some strangers got just a little too liberal, and one was locked up to cool off, but he kicked out of prison before morning.

Quite a display of fire works was shot off at night to the delight of those who remained.

Sandy Items. SANDY, July 5.—The "Glorious Fourth" was a day to be remembered.

The weather was splendid, and about 1200 people came in vehicles and contrivances of almost every kind imaginable to take part in celebrating the Nation's birthday.

The proceedings were as follows: The Glee club favored the audience with four patriotic songs, sang in good style.

Miss Minta Birdsall read the Declaration of Independence in a clear and impressive manner.

Dr. Chas. Pfyffer, orator of the day, put the people in good humor with his stirring and patriotic speech.

Ed. F. Bruns spoke on the history of our flag, for which the young man received numerous congratulations.

Mr. F. G. Johnson, president of the day, then called for three cheers for the flag, which were heartily given.

Everything passed off nicely, and all enjoyed themselves to the highest degree.

The dance in the hall was a most enjoyable affair.

Haying is the order of the day. Some farmers say we need rain to make the crop worth anything.
