of them made appropriate remarks, and announcements concerning the work of their classes.

Dr. Carlos Martyn's address was the great event of the afternoon session, and the audience was about three times greater than on the first day last year His subject was on the "Devil in Politics," not a new subject, but one that he made very interesting in his way of handling the matter. He stated that the trinity of the devil in politics in this country was the grog-seller, the gambler and the woman in scarlet, which stand steadfastly together, well organized, confident and impudent; that the respectable people outnumbered them ten to one, but lack of organization and unity of purpose prevented them from accomplishing anything. He told how municipal reforms had been accomplished in New York and Chicago, and that the

same thing could be accomplished here. Mrs. Alice Hamill-Handcock made a decided hit in her reading of the "Song Bird" and sustained her reputation as one of the most talented elecationists in the east. The Chemawa Indian band made a good impression by the excellence of their music, as they have had the benefit of much practice.

At the evening session, the pratorio of "The Creation" brought out a great crowd. The auditorium was more completely filled then at at any time during the assembly last year. There were at least 3500 people in attendance, and proud of the laurels won for himself and the soloists, Miss Rosa Bloch, E. C. Masten and Prof. Heritage. sembly was a flattering omen of future success. Everybody was delighted, and the managers were a smile of satisfaction over the result of the first day's careful training, and play with much work of the assembly. Already more tents had been planted on the grounds than were up during the height of the other matters of interest concerning season last year. On the athletic grounds | them. one of the features of the afternoon was an entertaining game of basket ball between the Y. M. C. A. clubs of Oregon raised every day. The close of the first day of the as-

Wednesday was Grange Day, and there was a goodly attendance of prom. cate. inent grangers from various parts of the state. There was W. M. Hilleary, lerton. master of the State grange, Pastmasters Vorhees and Judge Boise, Mrs. Howard, ers. of Mulino; O. P. Lent, of Mt. Taber, George Stevenson and Mrs. C. E. Shipley, of Oswego. There are so many things of interest, that it would be impossible here to mention all of them.
