FRIDAY, AUGUST 7, 1896.

FOR CRATER LAKE—Complete and detailed arrangements are being made for the Mazama excursion to Crater Lake. It is not yet known just how many of the Clackamas county contingent of the Mazamas will participate in the excursion. The outing at Crater Lake begins August 16th and lasts one week from that date. All parties are expected to arrive at the lake by the 16th so that it will be necessary for them to leave Ashland or Medford not later than August 13th and all who desire to climb Mount Pitt or stop over a day or two elsewhere on the route to the lake should start early enough to do so and reach the lake by August 16th if they want to enjoy the whole program. The information has been given out that everybody desiring accommodations in the matter of transportation, provisions, tents, etc., for the excursion, should at once notify Mr. H. L. Whitted, secretary of the Ashland Crater Lake club, or Mr. George W. Rogers, secretary of the Medford club. The rate by rail from all points on the lines of the Southern Pacific company to Ashland, Medford or Ager has been fixed at one and one-third fare for the round trip, tickets to be sold for trains arriving at those points August 4th to 17th, inclusive, and limited to return on and including September 9th. An agent of the Company will be at the Lake, and all who have paid the one and one-third fare, will receive a rebate of the one-third fare paid, and will be given a free return ticket home with stop-over privileges. This will give those who visit Crater Lake an opportunity to ride both ways on the Southern Pacific railroad for one fare.

ILLEGAL FISHING ON THE SALMON—Superintendent Waldo complains that campers and others persist in catching salmon, which have collected below the rack recently put in by the government for stopping the salmon there. Shortly after the rack was put in, notices were posted up along the river warning everyone from fishing within several miles of the rack, but neither these notices nor the fact that it is unlawful to take salmon anywhere after August 10th deterred the greed of these fishermen who frequent these rivers. These racks were put in by the government for the purpose of supplying the Clackamas hatchery with eggs, and the only way the rack can be made useful to the hatchery is by guarding the fish carefully until they are ready to be taken out by the employees of the hatchery. In view of the fact, deputies have been appointed, and unless this illegal fishing is stopped, some prompt arrests will be made.

CIRCUIT COURT DOCKET—The circuit court docket for the fall term is growing and among the actions recently filed in the county clerk's office, are the following: A H Cone vs H E Wood, H E Cross for plaintiff; S B Hutson vs M Lawler, Latouettes for plaintiff; William Kelly vs T A McBride, MacMa-

hon and McGinn for plaintiff; John Hotts vs M A Winne, et al, George P Lent for plaintiff; Ed Greene vs Jesse A Chapman, et al, J U Campbell for plaintiff; The Sisters of the Good Shepherd of the Magdalen Home vs E C Maddock and G. W. Grace, William Foley for plaintiff; A W Wills et al, vs O N Lance, John T Whalley for plaintiff; Charles Mitchell vs A N Wills, John T Whalley for plaintiff; Catherine H Hammar vs Julius W Hammer, Bronnell for plaintiff; S Knight vs Daniel Wyland, George W Hazen for plaintiff; Harris W Cook vs Ella R Burghardt, et al, Nash & Boothe for plaintiff; Jacob Rauch vs E C Maddock and Mary Maddock, B F and G W Swopes for plaintiff; John Sims vs Charles Schmitt, W H Dobyns for plaintiff; W W Kimball Company vs Mary Brown, John W Hazen for plaintiff.

OREGON CITY AND OSWEGO ROAD.—Great improvements have been made on the wagon road between Oregon City and Oswego. It has been newly graded for almost the entire distance, and before the year closes, will have received a new coating of gravel. A change has been made in the road for the distance of a half mile, after leaving the East end of the suspension bridge, and for the past two or three weeks, Road Foreman Prosser has had a number of men and teams at work on the new piece of road. This new piece of road saves climbing the grade followed by the old road, making a symmetrical curve along the bank of the river below Morey's barn until it intersects the old road on the level flat. The new grade, which has been completed, is sufficiently wide for two wagons to pass without crowding, and is now receiving a dressing of crushed rock. The road between Oregon City and Oswego has long been an eyesore to lovers of good roads, and it is a source of gratification to know now that this much used thoroughfare will soon be in first class condition.

ROLLED DOWN AN EMBARKMENT—Clackamas county affords excellent fishing grounds for numerous Portland people, and as a rule, they are successful in securing the spoils. However, three East Portland fishermen who went out to Damascus Saturday night had something of a serious time. There were three of them, and they drove out in a cart, which was very much crowded with their provisions and accoutrements. They made rather slow time, and the darkness of night found them some distance from their destination. In fact, it was so dark that they could not see the road. They were passing along an embankment on one side of the road, which was about 10 feet high and almost perpendicular. The cart tumbled over and the entire outfit rolled to the bottom with the cart on top. Fortunately they were not far from a house, and they secured help in a few minutes. All three were badly bruised. Besides this the cart turned over twice in on the road, and on Sunday one of the number fell into a hole while fishing, and barely escaped drowning.

HOP PROSPECTS.—Owing to the prevailing low price of hops, growers in many sections have set the price for picking hops at 25 cents per box. They claim that it will not pay to pick hops unless they can get them gathered at a low rate. The hop growers in the vicinity of Aurora and Butteville have, with very few exceptions, determined to pay only 25 cents per box. A meeting of the hop growers in the Salem-Independence district, was held the other day, and they all expressed themselves as unable to pick their hops unless they could get the work done at 25 cents per box. The growers at this meeting represented 854 acres of hops. The recent rain showers have greatly benefited the hops, and they are looking much healthier than they were two or three weeks ago, and the prospects are much better for a good crop.

TO ADVERTISE OREGON.—For the purpose of advertising Oregon, the Pacific Northwest Immigration board will send a car of Oregon products to the Minnesota state fair, which will be held at St. Paul, August 31st to September 5th inclusive. Excellent space has been reserved for this exhibit in the main pavilion. During the time of the state fair the Grand Army encampment is held in St. Paul and the Knights of Pythias conclave is held in Minneapolis, so that it is expected that at least one half million people will view Oregon's exhibit. This board will bear the entire expense of this exhibit, but it is asked that the people of Oregon assist to make an exhibit worthy of the state. It is desired to exhibit grain, grass, fruit, minerals, wood, fish, wool, hops, vegetables, etc.

SURVEYING CONTRACTS LET.—The bids have been in the surveyor general's office at Portland for the survey of 130 townships, principally within the confines of the Oregon & California Railroad Company's grant. For some time the clerical force of the office have been very busy examining the numerous bids presented, and ascertaining which were the lowest responsible bids. The work was awarded in 32 contracts, generally four townships being awarded where two bid jointly and two townships to those bidding singly. Among the Oregon City people who were awarded contracts are J. W. Meldrum and I. L. Hoffman, Henry Meldrum and R. B. Hays, Sidney Smyth and J. P. Case.

W. is prospering, and new officers have been elected and installed for the second term, who are as follows: Mrs. Thomas Warner, chief; Mrs. Max Shulpin, past chief; Mrs. Gillette, lady of honor; Mrs. Sprague, lady of honor; Mrs. Jennie Pierce, financier; Mrs. Goodfellow, receiver, Miss Clara Warner, usher; Mrs. A.
