The remainder of the evening was purely a stag social in all its variations. Refreshments were served, and they had a grand time. Several new applications for membership were received.

A very interesting meeting on "The Needs of Young Men," was held at the Congregational church last Sunday evening. G. H. Bestow conducted the meeting, and Will Moore discussed the needs of young men from a physical standpoint; Secretary Levi Johnson handled the subject from its social aspect, and Erastus Smith discussed it from a spiritual point of view. There is a proposition that the columbine should be adopted as the National floral emblem of the United States. It grows wild in the region where Columbus was borne, as well as in the Rocky Mountain States. A front view of the flower shows the outline of a beautiful five rayed star, emblematic of the stars of the National flag, while the leaf terminates in thirteen lobes, the number of the stripes, as well as of the original States of the Union. While the columbine grows in many colors, three colors—the brilliant red, pure white and exquisite cerulean blue—are the American variety of the flower. A single petal of the long spurred variety is in the shape of a horn of plenty, while the botanical and horticultural name of the flower is aquilegia, connected with the Latin aquila, an eagle.—San Francisco Bulletin.

Tired people are tired because they have exhausted their strength. The only way for them to get strong is to eat proper food. But eating is not all. Strength comes from food, after digestion. Digestion is made easy with Shaker Digestive Cordial.

People who get too tired, die. Life is strength. Food is not food until it is digested.

Tired, pale, thin, exhausted, sick sufferers from indigestion, can be cured by the use of Shaker Digestive Cordial.

It will revive their spent energies, refresh and invigorate them, create new courage, endurance and strength, all by helping their stomachs to digest their food.

It aids nature, and this is the best of it. It gives immediate relief and, with perseverance, permanently cures. Sold by druggists. Trial bottle 10 cents.

Oregon City vs. Portland.

On next Saturday afternoon Oregon City will enjoy the privilege of witnessing the most interesting game of ball ever played upon a Clackamas county field. The contest will be between the boys of Portland's Y. M. C. A. and those of the Oregon City association.

The Oregon City team is sparing no pains in their efforts to make this the most entertaining and hardest fought game of the ball season. Every evening for two weeks past, the boys of this city have practiced with the greatest care and notiring energy.

A good hardy team of boys will represent Portland, boys well trained, strong at the bat and skillful in the field. All lovers of the game who admire quiet ball playing, will be highly entertained and fully repaid for your time and trouble, if you will but attend the young men's game. As the expenses of the home team are many, having balls, bats, gloves and suits to pay for, the trifling sum of 10 cents will be asked as an amittance fee into the ground. May Oregon City prove her interest in the boys, by attending this, their greatest effort on the field. Game called promptly at 3 o'clock p. m. on the Gladstone athletic grounds. The umpire, Clarence Fields, oversees the game. Oregon City's players being: C. Boylan, W. Nefezgar, J. Church, L. Kelly, D. Hart, A. Howell, R. Curbeson and H. Brownell.

A Farewell Party.

One of the most enjoyable surprise parties of the season was given by the young folks of Canemah last Tuesday evening, to Miss Allie Shannon, as she is to leave for Denver next Saturday for a prolonged stay. The company met at the home of Miss Mand Blanchard, at 7:30 and from there went to Miss Shannon's. After greeting Miss Allie at the house, they were invited out to the croquet grounds which they found decorated with Chinese lanterns, flowers and other things to make it pleasant, so that the company was surprised as well as Miss Allie. Games were played for about two hours, after which ice cream and cake were served both of which were delicious. Afterward games were again played until about 11:30. Those present were: Misses Grace Marshall, Magd Blanchard, Maud Dauthet, Daisy Lovel, Ada Quinn, Daisy Dauthet, Gerty Shaner, Anna Shannon, Allie Shannon, Minnie Rakel, and Messrs. Willie Marshall, James Freeman, August George, Herman and Willie Rakel, Roscoe Frost, Willie Stokes, Fred Shannon and Willard Morse.

For Young Men and Young Women

There is nothing that will arouse the ire of a young man or woman so quick as to have inferior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussy their neat appearance is spoiled. The Troy laundry makes a specialty of ladies' and gentlemen's fine work. There can be no better work than is done at the Troy. Leave your orders at Farnsworth's barber shop.

Are You Willing to Listen to a Suggestion?

The New York Tribune's broad columns and large print make it the easiest paper in the country to read, either on the cars or at home.

Henry Romeike, proprietor of the largest Newspaper Clipping Agency in the world, testifies in a published card, that his clippings for over 4,000 clients shows that THE TRIBUNE contains, "day by day and week by week, for more original matter than any daily newspaper in New York City." He proves the fact by figures. THE WEEKLY ranks the same.

Business men find the market report of THE TRIBUNE absolutely without an equal. THE TRIBUNE is the only newspaper in New York City whose reporters actually visit all the different markets in person.

THE TRIBUNE now prints the best and freshest humorous pictures of the day from the comic press of two continents, and supplies plenty of other entertainment.

By its special telegrams and correspondence, its able editorials and high literary character, THE TRIBUNE maintains a splendid position in the regard of Republicans and lovers of music, art, and good books.

THE TRIBUNE's society news is known everywhere for excellence. Its fashions have always been of special value, and changes of style are, as a rule, foretold in THE TRIBUNE sooner than in other newspapers.

THE NEW YORK TRIBUNE is recognized, officially, as the leading newspaper of the Republican party.

As for Farming and Labor, THE TRIBUNE has for 50 years demanded, and yet demands that very possible dollar's worth of food and commodities, consumed by the American people, shall be produced by the American people. For this cause THE TRIBUNE labors in its various additions 365 days in every year.

A man is judged by the newspaper he takes. He who reads THE TRIBUNE is wide awake, progressive, respectable and capable, worthy of the confidence of business and social friends. If you are a young man you will live in a rut all your life (except by catering to that which is base) if you feed your mind upon newspapers, full of scandal, vulgarity and innuendo. Think for a moment of the people who read newspaper of that class. On the other hand, THE TRIBUNE has probably the largest clientele of the very people who can help to improve a young man's position, of any newspaper in the United States. Associate yourself with them.

Mr. Horr continues to write for THE TRIBUNE.
