Man and Boy Meet with Painful Accident—A New Bell for School House—Other News.

STAFFORD, Sept. 14.—Johnnie Schantz, a lad of 14 years met with an accident last Friday which might have been serious. He was helping his uncle load a log upon a wagon to haul to Sommer's mill when it rolled on his foot, pressing the buckle of his shoe into the flesh and bruising the ankle quite badly, so that it became very much swollen in a short time and painful. His mother wisely applied compresses of vinegar and water which reduced the swelling and he is able to be out again now. Threshing is coming rapidly to a finish with a rather better yield than had been expected.

We hear that Representative-elect C. H. Kruse met with an accident while loading baled hay. The grab hook gave way, letting him backward and he fell with force from the load to the ground, landing him upon his head and one shoulder. He is a populist and was grabbing all he could see and naturally overbalanced himself.

One of our neighbors seems to believe in evening things up as he has engaged three machines to do his threshing. The school board has bought a bell for the new school house and it will be placed in position this week in readiness for the fall term which commences next Monday the 21st with Miss Ida Francis as teacher.

Many are sneezing and complaining of colds caught in some mysterious way. J. Q. Gage started for Siletz reservation to engage with his brother in fishing for the cannery recently located there.

A number from Stafford and vicinity have gone hop picking, notwithstanding the low price. It is raining gently at present.

LOGAN, Sept. 8.—(Too late for last issue.)—School in district 94, commenced on Monday, with L. W. Hampton as teacher.

Mrs. Cora Sheppard was married on Saturday last to Mr. Bide Sprague of Redland.

Noah Robertson and Miss Alice Smith of Clackamas, were married on Sunday. They left for the hop-yard on Monday morning. Never mind, Joe will be in Logan again, and there are plenty of empty cans, as no one has been kind enough to give the boys a chance to use them for quite a while.

The Grange hall will soon be robbed in a new dress, as Mr. Jubb has already commenced the work of painting.

The smoke is so thick in this locality that it effects the eyes, and one can see only a short distance.

A crowd of 24 from this place have returned from the huckleberry patch near Mt. Hood. They spent 10 days picking the luscious fruit and having a good time. In company with a big crowd of campers from Wanic, Wasco county, making 75 in all, a delightful time was had around a massive campfire, singing, etc. A "side-hill" quadrille was one of the features, while Mr. Alfred Rhinold's singing with barjo accompaniment, deserves especial mention. The Loganites decided to ascend Mt. Hood before returning. They went as far as Crater rock, Mr. Pickard being the only one of the party to climb onto the rock. He found it so warm that he could not rest his hand on it. The party would have climbed to the summit but it was reported unsafe, was not true. They then began to descend which did not take long and what a jolly trip it was! On the base of the mountain the girls gathered wild flowers which reminded one of spring. Everyone had a jolly, good time, if they did feel a little "worse for the wear," and were ready to rest. The girls all returned with sunburned faces. The crowd comprised Mr. and Mrs. Clem Clark, Mr. and Mrs. Frank Wilson, Mrs. Farmer of Portland, Nellie Humiston, L. Wilson and Bessie Reed; Messrs. M. Pickard, Wm. Gibbs, E. Terman, M. Reed, M. Rowan, H. Reed, Andrew —, C. Bengston and A. Bengston. Ruby.

Several wagon loads of young folks have gone to the hop yards in different places.

Mrs. M. W. Baker has been on the sick list, but is now better. Ruby.

Milwaukee Items.

MILWAUKEE, Or. Sept. 15.—A McKinley and Hobart club was organized here last week with a goodly number of staunch republicans as members and it is rapidly gaining in strength. Hon. Peter Ward of Portland addressed the meeting last Saturday evening on the leading questions of the day. Mr. Ward is a very able and forcible speaker and was interrupted frequently by applause. The McKinley club of Milwaukee rendered several of their choice campaign songs which were greatly appreciated.

There will be a Bryan rally Saturday evening September 19, in the town hall, Judge Thos. O Day and Col. F. V. Drake will address the people on the silver question.

Mr. Guy Stryker returned home Sunday from Eastern Oregon where he has been engaged in surveying.

A few of our people left for the hop fields last week, not however with the expectation of getting rich.

A Camp of the Woodmen of the World has been organized here. It has not yet received its charter but will in a short time. The camp is a promising one and those who wish to make their mark in the world as a chopper, should avail themselves of the opportunity by joining Ash camp.

J. G. Wilson Jr. left Tuesday evening for Princetown, N. J. to take a 3-years course in the Princetown college. We join in wishing James success.

Wilsonville Items.

The rush of the hop picking is nearly over and will soon be a thing of the past. The rain has interfered somewhat with the pickers but no serious damage is done to the hops. Nearly all pickers this year are white people. W. A. Crissel has Japs for his yard but all the neighboring yards have white families who go and camp. A party of boys came up from Portland to pick for Peterson and Toozee and last Sunday it is presumed they went on a foraging expedition and were caught shooting chickens in Mr. Yager's barn yard. All that remains to be said is that the next boat carried them back to Portland.

Fred Schwartz is digging a well on his place and making preparations to build a residence. Fred has lately become a benedict and we wish him success.

Joe Roberts has moved on C. T. Toozee's place and will work for him in future, but at present Joe is very happy for on Tuesday a fine boy came to permanently reside with him and his wife. The young voter tipped the scales at 9 1/2 pounds.

School will commence in this district next Monday the 21st with a Mr. Hansen for teacher. He will move his family here and reside in the Rose house.

OSCEOLA.

New Era Cullings.

NEW ERA, Sept. 8.—T. C. Thomas and family have gone to the mines in Linn county, to be gone until spring. Mrs. Thomas and the girls will run a boarding house, while Mr. Thomas and his son work in the mines. Mr. Thomas thinks they can make enough this winter to pay the mortgage off of his farm.

Nearly everybody here have gone to the hop yards.

Geo. Blanchard burned a slashing last week and also burned up his barn, (a small shed) and about a half ton of hay. A spark flew and lit on the hay while he was watching it, and before he could put it out the whole structure was on fire.

McKinleyism seems to be growing in favor here in New Era precinct every day. It now looks as though he would carry the hop yards.

A dance was given by John Albright at the residence of his mother last Saturday evening. A pleasant time was had by a number of his young friends, who were present.

Miss Sarah Rigley of Albina, is visiting at her sisters Mrs. Gregory.

Thanks Mr. Editor for the congratulation.

The U. S. Gov't Reports show Royal Baking Powder superior to all others.

FROM CANBY.

An Enthusiastic McKinley and Hobart League Organized.

CANBY, Sept. 15.—Republican victory in Maine pleased Canby people.

Charles Schmitt, formerly of this place, but recently of Turner Oregon, has again moved to Canby.

J. J. Schmitt has moved into the house Conrad Neibert's family vacated next door to the saloon. Jake is the owner of the house and has had it painted recently and will erect a new barn on the premises at once. He is a rustler, wide awake to improvements as well as in his business in the meat market.

Chas. Lucke has the frame of his new house up. Alex Hart has his new house inclosed.

Canby is again virtually depopulated. A great many have gone to the hop yards, while others are away hunting. J. P. Deyoe, L. D. Shank, and Wm. Bissell have gone to the coast near Tillamook with a view of hunting ducks for the market.

A meeting of the republicans was called for Thursday of last week in Knight's hall for the purpose of organizing a McKinley and Hobart club, preparatory to doing aggressive work in the coming presidential campaign. A. M. Vinyard, F. A. Rosenkrans and W. H. Dobyns were elected temporary chairman and W. M. Shank, temporary secretary, after which the meeting was permanently organized by the election of H. S. C. Phelps president by acclamation. A. M. Vinyard, vice-president; William Knight, secretary, and A. G. Stogsdill, treasurer; all by acclamation. The president appointed A. M. Vinyard, F. A. Rosenkrans and W. H. Dobyns a committee on permanent organization. 42 names enrolled. The club will meet on Wednesday evenings bi-weekly, beginning on the 16th of Sept. H. A. Vorpahl, D. R. Dimick and John Sims, spent Saturday in Oregon City.

Prof. P. L. Coleman and wife are now residents of Canby. They occupy one of A. W. Riggs' cottages on Second street near the city hotel. Prof. Coleman will have charge of the higher grades in the Canby public school during the coming term.

A rail caught in the steam pipe, bursting it and causing the steam to escape in a most perilous way, frightening the horses, throwing the driver off of his seat and nearly killing one team, but as the horses had top-hill run they were caught before any serious damage was done.
