It is a very busy time at the postoffice on Friday mornings, and Postmaster Green and assistants have to work early and late to get through their work. The editions of the three Oregon City weekly papers have to be sorted over at this time, as well as the Weekly Oregonian and Weekly Examiner, which arrive at the same time. And in addition to this a large Eastern mail usually arrives on Friday mornings. As a consequence, the postoffice force have to work late Thursday night, and are on hand long before prescribed office hours in the morning. Under former administrations it was often the custom to let the Eastern mail accumulate, until it could be handled at leisure, but Postmaster Green deserves credit for getting through the mail as well as he does.

Mrs. E. E. Davis, of San Miguel, Cal. says: "I am trying in a measure to repay the manufacturers of Chamberlain's Cough Remedy for the great good their remedy has done me. For years I was a constant sufferer from weak lungs and bronchial asthma. My rest at night was disturbed by a hacking cough, so that I felt miserable the greater part of the time. Many remedies recommended by friends were tried, none of which proved suitable to my case. I did not experience any beneficial results until I began taking Chamberlain's Cough Remedy. After two bottles of the large size have been used I am pleased to state, my health is better than it has been for years. The soreness has left my lungs and chest and I can breathe easily. It has done me so much good that I want all who are suffering from lung troubles, as I was, to give it a trial." For sale by G. A. Harding, druggist.

CAMPAIGN NOTES.

Enthusiastic Echoes for McKinley From Every Section.

Encouraging news is being received from every part of Clackamas county concerning the campaign work, and the enthusiasm is growing. The people are reading and studying for themselves, and they are getting at the truth in a satisfactory way.

Oregon's popular senator, John H. Mitchell is doing a grand work for McKinley and Hobart in Oregon, and is bringing thousands of voters into line for prosperity, protection and good government. He did a great work in Yamhill county, where the bi-metallic forces are in the ascendancy. At Albany on Monday the Senator addressed nearly 1,000 republicans, and the parade of republicans and democrats made a procession of over one mile in length. On Tuesday, September 29th, Senator Mitchell will address the people of Clackamas county at Oregon City. It will be a grand day—there will be a parade, a big rally, and hundreds of people will be in attendance. Among the other features will be music by the Glee Club and Band. The speaking will take place at Shively's opera house at 8 p. m. in the evening. On Wednesday, September 30th, Senator Mitchell will speak at Wright's Springs, at 1:30 p. m. The republicans of that section will see that it is the greatest campaign gathering ever held at that place. Music and everything that will tend to make it a success, will be provided.

Next Monday evening at eight o'clock p. m., Hon. J. D. Lee, one of the ablest political debaters in the state, will speak on the political issues of the campaign, and a grand rally will be held in honor of the event. The club at Canby is doing great work for the cause.

A. S. Dresser addressed the citizens of Logan last Saturday evening, and organized an active working McKinley and Hobart league. The meeting was an enthusiastic one, and the following officers of the league were elected: President, I. L. Clark; vice-president, Charles Weller; secretary, C. M. Brown; treasurer, Fred Schneider. C. H. Dye will address this league next Saturday evening, when a rousing rally will take place. Hon. Walter Tooez, of Woodburn, addressed the citizens of Maple Lane last Saturday night, and a rousing gathering is reported. Mr. Tooez is a logical speaker, and his arguments hit with telling effect. It is said that several who were treading in that broad road, that leads to popocracy and destruction, were turned into the straight and narrow path of McKinleyism that leads to the prosperity of the people.

A McKinley club has been organized at Milwaukie, composed of the German-American citizens. They have also organized a glee club, composed of the best talent, and are prepared to go to any part of the county on the most reasonable terms. They have a lot of the latest and most catchy campaign music, and guarantee satisfaction. Hon. C. U. Gantenbeim will address the club next Saturday night.

A McKinley league was organized at Oswego last Monday morning, with J. H. Pomeroy as president, and C. B. Hall as secretary. This league is a union of the two republican clubs in existence in that town during the campaign last spring. Absolute harmony and good feeling prevail among the republicans in that precinct, and they are all enthusiastically working for McKinley's election. Idle iron works make an object lesson worthy to be heeded by the laboring men, the farmer and the merchant. One hundred and twenty-five names are on the roll, and more are being added.

The Oregon City McKinley and Hobart League have secured the room under the ENTERPRISE office, formerly occupied by R. L. Holman, and fitted it up for headquarters. A glee club was organized Wednesday night, with Mrs. Strickler as leader. They will furnish music for campaign gatherings. The league have splendid headquarters, well supplied with reading matter.

George F. Horton has charge of the county central committee headquarters, during Secretary Ryan's few days absence. He is receiving confident reports from every section of the county, and believes McKinley will carry old Clackamas.

Dr. C. B. Smith, of Eagle creek, brought Hon. T. T. Geer in from that place last Sunday. Mr. Geer is one of the candidates for presidential elector, and delivered a most eloquent and argumentative address last Saturday evening. His speech was to the point, and he explained truths in such a way, that many who heard believed. He gave those in the audience an opportunity of answering his arguments, and said that he did not want them to go away and say that they had not been given an opportunity to reply. For once, the populists were given an opportunity to talk.

Dr. Hickman, the central committeeman from Clackamas, was in the city Tuesday. He states that steps are being taken to organize a league at that place, and a large membership is assured, as there is a healthy growing sentiment in favor of McKinley.

Henry Von Helm, the central committeeman, was at state league head-

quarters in Portland Wednesday, after another supply of literature. He says that all in his neighborhood will vote for McKinley, and in his judgment, Clackamas county will give a good majority for the republican ticket.

Thomas Hisslop, says the Oregonian, whose place of business is on East Clay, near Grand Avenue, is kept busy putting McKinley buttons on the coats of farmers from Clackamas county. He never allows a farmer to pass his building without finding how he stands. He estimates from the number of farmers he has interviewed from Clackamas, that there will be great majority for McKinley in that county.

The republicans of Clackamas county, irrespective of past differences are pulling harmoniously together for the election of McKinley and Hobart.
