The enrollment in the West Oregon City school for the month just closed reached 121 with an average attendance of 92 per cent.

Seventeen different persons have visited the school, and of this number five are teachers in this county or in Multnomah county. The interest, on the part of pupils, is all that could be reasonably expected and each one manifests his interests by diligent work. The advanced grades are larger than ever before and the addition of a ninth year to the course promises to add still more to the growth for another year. It has been necessary to add to the teaching force and Miss Emily Young, of Portland, has been engaged to take charge of the fifth and sixth grades making four teachers now employed in the school.

BARLOW NOTES.

Flag Day to be Observed—A Halloween Dance to be Held.

POLITICAL SPEECH.—The McKinley and Hobart club of this place opened their campaign by having Judge Tanner of Portland address the people on the issues of the hour, last Friday evening. Quite a crowd assembled, but little enthusiasm was shown.

HANNA AND BRYAN.—The suggestion of Mark Hanna which was sanctioned both by Chairman Jones and William Jennings Bryan, to the effect that all citizens of the United States hoist the American flag on the 31st inst. will be observed here. There will be a general flag raising and an initiation of the new pole at the new school house. This pole is a fine one, 80 feet long, gotten out by Mr. Will Bauer, present school clerk of the district.

HALLOWEEN DANCE.—No little talk has been going the rounds of the dance and entertainment Saturday night, under the auspices of the Young Ladies' Athletic club. It promises to be well attended from our sister towns which insures a good crowd. There will be singing, recitations and Indian club swinging by six young ladies who all show marked skill and training, and whose pretty faces and graceful figures make pictures not soon to be forgotten. The hall will be artistically decorated, and an occasional gruesome object to remind one of Halloween. There will be gypsy fortune tellers, also booths where one can ascertain the duration of one's single blessedness etc. The young ladies have worked meritoriously and have spared no labor or expense in endeavoring to make this the hit of the season, and it is hoped that their expectations financially may be realized, thus enabling them to secure equipments for their gymnasium. Come one, come all. The admission price is popular and in the reach of all; 25 cents. Don't miss having a good laugh and lots of dancing.

Qualifications for Voters.

The question as to who are qualified voters at the presidential election next Tuesday is of interest to every person. The constitution of the state provides:

"That every male citizen of the United States of the age of 21 years and upwards, who shall have resided in this state during the six months immediately preceding such election, and every

foreign born male who shall have resided in the state six months and declared his intention to become a citizen one year preceding the election, shall be entitled to vote at all elections." Voters can vote in any precinct in the state for president. If a man lives in Portland and has business in Oregon City or any other place within the state on election day he is entitled to the right to vote. He must be a resident of the state six months. No time of residence is required in the county. A foreigner does not have to have his full papers to vote. If he has taken out his first papers one year prior to November 3, 1896, he is entitled to vote.

Married.

EVANS-KNIGHT.—On Sunday, October 25, 1896, at 11 a. m., at the house of the bride's parents in Canby, Oregon, Miss Ella Irene Knight, eldest daughter of Mr. and Mrs. Geo. Knight was united in marriage to Mr. Clyde Evans also of Canby. The wedding was a quiet one. The ceremony was performed in a most impressive manner by Judge Hayes of Oregon City in the presence of a few near friends and relatives. The bride wore a lovely dress of cream silk albatross with white veil and natural flowers. The groom wore the conventional black.

Miss Ella Knight was well known in Canby, being raised from childhood here. She was well educated and an accomplished musician and was one of Clackamas county's most charming, accomplished and respected young ladies. Mr. Evans was also a native of Canby. He is a young man of exemplary habits and is well educated, intelligent and industrious.

After the ceremony the guests repaired to the dining room, there to partake of a sumptuous repast in the way of a wedding dinner. After dinner the afternoon was spent in music until 3:30 when the happy couple took the train for Portland, but not until a bushel of rice had been showered upon them by friends who went to the depot to see them off.

Mr. and Mrs. Evans will reside on the Evans farm 3 miles north of Canby and will be at home to their many friends after November 1st.

The guests present were: Amanda Evans, Miss Louise Knight, Mrs. Ella Koerber, Mrs. M. J. Lee, Adam Knight, Geo. W. Knight and Judge G. E. Hayes.

Steamer Toledo Sunk.

Last Sunday night as the steamer Toledo was returning to Dayton from this place where she had been doing some towing she ran into a snag in Pikepole bend and tore the whole side of her hull out for a distance of 30 feet back from the bow. Capt. Geor immediately beached his boat and the next day got the Grey Eagle and a barge and expects to have her raised this week and the necessary repairs made to the hull. The night was quite dark at the time of the accident and as the Yamhill river has many snags along its banks the sinking of the boat was one those mishaps that the most careful management cannot always prevent.

Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial bottle at Charman & Co's Drug Store, Charman Bros. block.
