The duelling pistol now occupies its proper place, in the museum of the collector of relics of barbarism. The pistol ought to have beside it the pestle that turned out pills like bullets, to be shot like bullets at the target of the liver. Christmas Presents

Our large and varied stock of Christmas Goods is now displayed, and awaits your inspection. We extend the most cordial invitation to every person in Oregon City to pay at least one visit to our stores and enjoy looking at a stock which represents a great deal of time and money, and which we are justly proud to show.

Every body who knows, us knows that nobody is ever asked to buy in our stores. We shall treat you just as courteously when you are simply "looking," as when you are buying. We try to mark all goods in plain figures so that you are even saved the trouble of asking questions.

In selecting our stock we have taken particular pains to get pretty and attractive presents to sell for 25c, 35c and 50c. To do this we have bought from the stock of five of the largest Eastern dealers in Holiday Goods, selecting the bargains from each.

Kindly remember that the earliest Christmas buyers get a much larger stock to select from; that they get much better service; and that they are not forced at the last moment to buy "something" from a depleted stock.

For a small payment we will put aside any article you may select, and the care is off your mind. We will cheerfully pack and ship goods you wish sent away. We will deliver your presents Christmas eve or Christmas morning if you wish. We will be glad to assist you in any way.

Let us again ask you to visit us at least once, and that once, now, before the prettiest things are gone and the Christmas rush on.
