THE NEW YORK TRIBUNE'S broad columns and large print make it the easiest paper in the country to read, either on the cars or at home.

Henry Romeike, proprietor of the largest Newspaper Clipping Agency in the world, testifies in a published card, that his clippings for over 4.000 clients shows that THE TRIBUNE contains, "day by day and week by week, for more original matter than any daily newspaper in New York City." He proves the fact by figures. THE WEEKLY ranks the same.

Business men find the market report of The Tribune absolutely without an equal. THE TRIBUNE is the only newspaper in New York City whose reporters actually visit all the different markets in person.

THE TRIBUNE now prints the best and freshest humorous pictures of the day from the comic press of two continents, and supplies plenty of other entertain-

THE INDEPENDENT

New York

THE INDEPENDENT for 49 years has been the leading religious-literary news-paper of the world. It has new, distinctive and attractive features, making it a

FAMILY NEWSPAPER worthy the patronage of all thinking, in-

telligent people Its name indicates its character. It is independent. Religiously it is undenominational. Politically, it maintains the bonor of the country, the integrity of our currency, the supremacy of law, and the rights of poor and rich alike.

For Intelligent People

Everywhere It provides instruction, entertainment and amusement for all the members of intelligent households.

Important Features It has aside from its literary features

special departments edited by the best writers, thinkers and specialists, some of them of surpassing interest to a comparative few, others important and val-uable intellectually. These departments are Science, Music, Fine Arts, Sanitary, Missions, Religions, Intelligence, Biblical Research, Sunday-School, Financial, Insurance, Work Indoors and Out, Puzzies, Book Reviews and Literary Notes.

Survey of the World

Every week the notable events occurring the world over are placed clearly before the reader. No one person has time to read all of the current publications, foreign and domestic; but every one wants to know the events happening in the whole worki, which people think about and talk about. The survey of the World gives each week the gist of important events for the current week. It is really one of the most valuable and important features of any periodical.
