The Oregon City Iron Works has just
completed the casting of a huge steam
hammer to be used in their blacksmith
shop. It will weigh some 4000 pounds
and is the largest casting ever turned

of what can be done at the iron works
here. Mr. Roake is prepared to make

which meets every four years and is

gates. Dr. Parsons was a delegate to
the last session of the conference at
Cleveland and his subject will be of great
interest. The lecture is free but a col-

Morey entertained a number of her
friends at a "Grandmother's Tea" at
the palatial residence of Mr. and Mrs.
P. F. Morey. The guests appeared in
costumes worn by our grandmothers of
twenty to fifty years ago. The decora-
tions were jonquils and daffodils, mak-
ing the effect very pleasing under the
glare of the electric lights, the house
having been darkened for the occasion.
The tables were decorated with violets
and stephanotis. The principal amuse-
ment consisted in guessing the articles
advertised from the pictorial advertise-
ments cut from magazines and pinned
upon the portiere.

Fire at Viola.

The building occupied by Dr. Kartin,

drugs and all of the mail and fixtures of
the postoffice. The loss was \$1,500, with
an insurance of \$750. Dr. Kartin was in
the city Thursday and said he expected
to rebuild in the near future. The fire
originated from a defective flue.

Y. M. C. A. NOTES.

Things for young men to do: Attend
the concert in Shively's on Friday even-
ing, February 26th; talk it up among
your friends and get them to attend;
get a new member this month; Come to
the men's meeting on Sunday at 4 p. m.;
tell the secretary how much you are
willing to give for a new building.

Twenty young men take regular, sys-
tematic exercise in the gymnasium, as
many more take spasmodic exercise, and
several more take no exercise. If a
prophecy were ventured regarding the
future of these young men, it would be
this: The young men who take regular
body-building exercise, will live longer,
be more successful, more respected and
worth more to the community, than an
even number of any other class.

There can be no advertisement equal
to a conspicuous building known as the
property and home of the Young Men's
Christian Association; no stranger will
ask in vain to be directed to it, and no
young man seeking a friendly resort need
fail to find its door. It is a perpetual
educator of the people regarding the
extent and importance of the work. It
also stands as a witness to practical
Christian unity, and the love and care of
the churches for young men.

Hon. H. W. Ladd, governor of Rhode
Island once said, "To the Young
Men's Christian Association, commerce
is indebted for hundreds, thousands and
tens of thousands of conscientious youths
now serving in its ranks. These will be
reliable and trusted men of the future,
and they will be the better for being
members of the association. I have
great faith in this great organization, for
I have watched the results of its moral
and social influence, and I know them to
be beneficial."

Home Beautifying.

There is nothing that adds more to
the attractions of a home than flowers.
The flower-surrounded home is always
a happy one, for cross tempers and the
"blues" are quickly dispelled by the
cherry faces of the bright flowers. At
the Gladstone greenhouse the finest col-
lection of carnations ever grown in Ore-
gon City is now ready for the market, as
well as that prince of flowers, the sweet
perfumed hyacinth which is potted and
ready to bloom. The primroses are also
in their perfection and in a vase make
a most pleasing present to a friend.
Other standard flowering plants in stock.
Cut flowers for sale. Prices reasonable.

For Young Men and Young Women

There is nothing that will arouse the
ire of a young man or woman so quick as
to have inferior laundry work put off on
them. They may dress ever so well,
but if their shirt front or shirt waist is
mussy their neat appearance is spoiled.
The Troy laundry makes a specialty of
ladies' and gentlemen's fine work.
There can be no better work than is
done at the Troy. Leave your orders at
Farnsworth's arber shop.
