FRIDAY, FEBRUARY 26, 1897.

THE TEACHERS' ASSOCIATION.—On Saturday of this week the February meeting of the Clackamas County Teachers' Association will be held at Willamette Falls. Such features have been added to the program by Prof. Strange, principal of the Willamette Falls school, and who is chairman of the program committee, as to make this one of their meetings of more than usual interest. The attendance of teachers promises to be larger than at any meeting for some time past. Superintendent C. A. Miller, of the Willamette Falls railway will have one of the company's fine electric cars in readiness to transport the teachers and others who may attend the association to their destination, the car to leave the West Side Depot at 9:50 a. m., thus allowing ample time for those who arrive on the Southern Pacific trains to connect with this car. The three-mile ride on the Willamette Falls line is one of the most picturesque and enjoyable in Oregon, the cars passing along the edge of the bluff overlooking the Willamette river, thus giving a grand view of the falls and of the great factories of this city. Another feature of interest, especially to those who have never seen a shoe turned out by machinery, will be a visit to the Capen Shoe factory at Willamette Falls, Secretary Moody having extended an invitation to the teachers and their guests to inspect their factory at the close of the association meeting. The citizens of Willamette Falls propose not to be outdone by other places which have entertained the association and will give their guests a most hospitable reception.

RAILROAD TRACK TO BE RAISED.—Preparations are being made by the Southern Pacific company to raise the track on the bottom north of this city so as to get it above the freshets of the Willamette river as well as the backwater raise from the Columbia which every few years covers the tract to such an extent as to prevent the running of trains. An extra siding has been put in at the county gravel pit and a gravel train and crew of men has been put on and work was begun yesterday on the fill. There is about half a mile of track to raise, the lowest part which will be raised over four feet. Of late years scarce a winter has gone by but what the railroad company has had its train service interfered with by highwater in the Willamette river causing them much inconvenience and financial loss. With this piece of low track done away with and the other improvements made in their roadbed which are to be inaugurated during this year the Southern Pacific will be able to give an uninterrupted train service on their line passing through this place at all seasons of the year regardless of freshets or other hindrances.

SCHOOL MEETING.—Notice of school election to be held in this city on Monday, March 8th, to elect one director and a clerk has been officially issued. The polling places will be the hose house on J. Q. Adams street near Seventh and Recorder T. F. Ryan's office on Main

street. The polls will be open from two to six o'clock p. m. The judges for the Adams street voting place are J. T. Porter, John A. Thayer and S. S. Walker; for the Main street polling place H. C. Stevens, G. H. Wishart and T. L. Charman. Jefferson street was made the dividing line between the two polling places. The polls will be kept open until six and the directors recommended that they be kept open so long as any legal voters desired to vote. The annual school meeting will be held at Pope's hall next Monday evening, March 1st. Parkplace, the West Side, Willamette Falls and Canemah will hold their annual school meetings in their respective buildings on Monday evening, the first inst.

CIRCLE ORGANIZED.—Last Saturday evening Mrs. Helen M. Southwick, state organizer of the Woodmen's circle, instituted a grove in this city with 27 charter members when the following officers were chosen: Worthy guardian, Mrs. I. D. Taylor; worthy adviser, Mrs. C. A. Fitch; clerk, Mrs. E. E. Martin; magician, Mrs. J. K. Morris; banker, Mrs. George Ketchum; sentinel, Mrs. Richen, sentry, Mrs. Frank Durham; grove physicians, Drs. Carl and Payne. The circle will meet on this (Friday) evening when the charter will be closed, name given the organization and other matters of importance to the circle transacted. Mrs. Southwick returned Saturday from Astoria, where she organized a grove with 40 charter members. The prospects for a large grove in this city are very good and it is probable that when the charter is closed tomorrow evening the list of members will exceed the number in the Astoria grove.

THE ARTISANS.—This fraternal and beneficiary organization is making an unprecedented record in the number of accessions to its membership, 600 having been added to the list in Oregon alone during the last 49 days. At the meeting of the local lodge Thursday evening in Willamette hall, 27 new members were initiated. Supreme Master Frances I. McKenna, of Portland, presided and was assisted by P. H. Cromwell, supreme deputy, the exemplifying corps, of Portland, eight in number, conferring the degrees. Quite a large number of visiting brethren from Portland were present and a very pleasant and profitable evening was enjoyed by all.

TO THE PENITENTIARY.—Mrs. Jennie Melcher, who has created a reputation as a first-class black miller, was sentenced to two and a half years in the penitentiary for perjury in the circuit court of Multnomah county last Monday. This is the woman who had County Judge Gordon E. Hayes arrested and who has since figured conspicuously in the courts of Multnomah county. Justice has at last been meted out to her. Oregon's penitentiary now numbers three women among its inmates. The others are Mrs. Hannah, doing life sentence from Linn county for murder, and Mrs. Johnson, one and one-half years for larceny.

CAN STILL DO BUSINESS.—The question of the abolition of private corporations resulted in a tie at the discussion last Friday evening in the senate. Wm. Cantwell led the discussion on the affirmative, assisted by E. F. Driggs and T. B. Handins; the negative was led by Dr. Ferrin, assisted by Joseph Rice and Prof. Holmes. The question for discussion this Friday evening is Resolved, that the state should own the road beds and that any corporation shall have the right to run trains over them by paying a specified rental. T. B. Handins will defend the affirmative and E. F. Driggs the negative.

SENT TO THE ASYLUM.—William Shultze, of Macksburg, was examined before Judge Hayes Tuesday, adjudged insane and taken to the asylum at Salem by Sheriff Grace and Chief Burns. He is 56 years of age and has been in jail here since last November, waiting the action of the grand jury for the burglary of Selz's saloon at Liberal, being jointly charged with Tom Dinnell of that offence. The old man was not strong and the confinement seemed to have deranged his mind.

NEW ROOMS ADDED.—A pastor's study and a new Sunday school class room are being added to the Baptist church in this city. The study is to be built in the hallway and the class room in the tower. The Baptist school is one of the largest Sunday schools in the state and the two extra rooms are made necessary on account of the number of classes to be accommodated. The work is in charge of J. D. Renner, who is assisted by a number of mechanics of the congregation.

DIRECTORS ELECTED.—The Oregon City branch of the labor exchange has elected W. W. Myers, A. J. Kellogg and Alfred Lewelling for its board of directors. They are considering the matter of giving employment to their members by buying the stumpage on a tract of timber land just east of the city, and also of purchasing a rock crusher and selling the crushed rock for road improvement at less than prevailing rates.

DEPUTIES APPOINTED.—The work of assessing Clackamas county will be commenced the first of next month or as soon thereafter as the field books are ready for use. And to accomplish this work County Assessor Stout has

appointed W. W. Myers, of Oregon City; C. N. Larkins, of Clarks; and R. Schuelbel, of Carus, deputy county assessors.

FIRE DEPARTMENT ELECTION.—Mayor Caulfield has given official notice of the firemen's election to be held next Monday, March 1st, to choose a chief and an assistant chief of the department. The election will be held at Fountain hose house on Main street near Seventh, between the hours of 10 a. m. and 4 p. m.

A Rich Harvest.

It costs no more to sow good seeds than it does to sow old and worthless stock. How foolish is the person who fails to get the best to start with. No doubt you have often thought of this, when your garden has not done very well.

Will you jog along in the same old way this year, or use a little forethought and send to James Vick's Sons, Rochester, N. Y., for their Catalogue which contains a list of all that's new and good? There seeds are always reliable—sure to grow and never disappoint. Send 10 cents for Catalogue and deduct this amount from first order. Really costs nothing.

PURELY VEGETABLE.

BAD BREATH!
 Nothing is so unpleasant, nothing so common, as bad breath; and in nearly every case it comes from the stomach, and can be so easily corrected if you will take SIMMONS' LIVER REGULATOR. Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

FILES!
 How many suffer torture day after day, making life a burden and robbing existence of all pleasure, owing to the secret suffering from Files. Yet relief is ready to the hand of almost any one who will use systematically the remedy that has permanently cured thousands. SIMMONS' LIVER REGULATOR is no drastic, violent purge, but a gentle assistant to nature.

CONSTIPATION
 SHOULD not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a constive habit of body prevails.

SICK HEADACHE!
 This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache; for the relief of which TAKE SIMMONS' LIVER REGULATOR OR MEDICINE.
