Canby News.

CANBY, April 5.—Everything in and about Canby is smiling this morning on account of the fine weather. D. R. Dinick is confined to his house by a severe attack of asthma. We shall be glad to note his recovery. The late frosts have not damaged the fruit crop in this locality and the prospects are better than for years. Prunes, strawberries, peaches and apples compose the bulk of the crop. John Rydmon is pushing his new house along rapidly. It will be ready for the plasterers next week. James Phlegley of Portland paid Canby a visit Sunday. He came up to see his parents and —. We notice that H. S. C. Phelps and D. J. Parmenter of this vicinity have been drawn for jury duty during the coming term of the circuit court. They are both first-class citizens and fair-minded, honorable gentlemen. Clackamas county needs such men on the juries.

There will be a social in the M. E. church here next Friday evening. James Hodges has been on the sick list for a few days. We are pleased to note his recovery. Dr. H. A. Deeman is having a healthy increase in his practice and is meeting with good success. He is more alive than his name might suggest. Dr. M. H. White is practicing in Portland. His family is still here. "Eli" Lee, the famous bicycle rider, was in Canby Sunday. He is engaged with Fred T. Merrill of Portland. Some of the Canby Nimrods were fishing, but are not disposed to tell how many they caught. They like to change the subject as soon as politeness will permit. Deputy Sheriff Hankins was here Monday subpoenaing jurors for the circuit court.

Logan Locals.

LOGAN, April 5.—Miss Lizzie Wilson of Oregon City, has been visiting her father the past week. She returns to Oregon City tomorrow. Everybody is expecting a genuine good time at the social to be given at the Grange hall Friday night. It is sure to be a grand success. The managers are experienced in such work. Revis, rider and Cummins of Mt. Tabor have been conducting meetings at the Baptist church for the past two weeks. Miss Grace Hampton is the guest of her sister, Mrs. M. W. Baker. School opens in district number 94, this morning with Miss Carrie Swales as teacher.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torrid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation and Dizziness yield to Electric Bitters. 50c and \$1.00 per bottle at Charman & Co's Drug Store.

Save Your Grain.

Five worth that each squirrel destroys \$1.50 worth of grain annually. Wakelee's Squirrel and Gopher Exterminator is the most effective and economical poison known. Price reduced to 30 cents. For sale by C. G. Huntley, G. A. Harding and Charman & Co.
