Here is a diamond, here a piece of charcoal. Both carbon; yet between them stands the mightiest of magicians—Nature. The food on your table, and your own body; elementary the same; yet between the two stands the digestion the arbiter of growth or decline, life or death.

We cannot make a diamond; we cannot make flesh, blood and bone. No, but by means of the Shaker Digestive Cordial we can enable the stomach to digest food which would otherwise ferment and poison the system. In all forms of dyspepsia and incipient consumption, with weakness, loss of flesh, thin blood, nervous prostration the Cordial is the successful remedy. Taken with food it relieves it at once. It nourishes, and assists nature to nourish. A trial bottle—enough to show its merit 10 cents.

For Young Men and Young Women

There is nothing that will arouse the ire of a young man or woman so quick as to have inferior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussed their neat appearance is spoiled. The Troy laundry makes a specialty of ladies' and gentlemen's fine work. BAD BREATH!
Nothing is so unpleasant, nothing so common, as bad breath; and in nearly every case it comes from the stomach, and can be so easily corrected if you will take SIMMONS' LIVER REGULATOR. Do not neglect to cure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

PILES!
How many suffer torture day after day, making life a burden and robbing existence of all pleasure, owing to the secret suffering from Piles. Yet relief is ready to the hand of almost any one who will use systematically the remedy that has permanently cured thousands. SIMMONS' LIVER REGULATOR is no drastic, violent purge, but a gentle assistant to nature.

CONSTIPATION
SHOULD not be regarded as a trifling ailment—in fact, nature demands the strictest regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a constive habit of body prevails.

SICK HEADACHE!
This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache, for the relief of which TAKE SIMMONS' LIVER REGULATOR OR MEDICINE.

Pleasant Social.

The ladies of the aid society of the First Baptist church gave a very pleasant social at the residence of T. S. Lawrence last Friday evening, which was attended by about 75 persons. One of the special features of the evening was the presentation of a handsome crazy quilt to the pastor, Rev. M. L. Rogz, by Mrs. L. C. Driggs, on behalf of the aid society. Though taken completely by surprise the reverend gentleman responded briefly, thanking the society for their kindly remembrance. Ice-cream and cake were served during the evening. Died.

DIED.—In this city on Saturday, April 10, 1897, Mrs. Lucinda Hamilton, aged 74 years.

Deceased was one of the early pioneers of this state, coming with her husband, the late J. M. Hamilton to this state in 1864. They first settled in Salem and shortly afterward moved to this county and lived for a number of years in the Molalla country. The last 10 years of her life were spent in Oregon City.

She survives one daughter, M. L. G. Wheeler, of North Yakima; and three sons, Louis and Mat Hamilton of this city and William Hamilton of Dayton.

The funeral, held from the Methodist church Monday morning, was conducted by Rev. T. L. Jones and attended by a large concourse of relatives and friends. The interment was in the city cemetery.

Stands at the Head.

Aug. J. Bogel, the leading druggist of Shreveport, La., says "Dr. King's Discovery is the only discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and to-day stands at the head. It never disappoints. Free trial bottles at Charman & Co.'s Drug Store.

Hall of Multnomah Lodge, No. 1, A. F. & A. M.

To the Worshipful Master, Wardens and Brethren of Multnomah Lodge No. 1, A. F. & A. M.

Your memorial committee intrusted with the preparation of resolutions expressing the sentiments of this lodge on the death of Brother Luther M. Andrews, respectfully submit the following:

On the 16th day of March, 1897, death plucked from our number a brother who was beloved by all, one who will live in the memories of those who have been blessed by him, and in the remembrance of noble acts well done.

We honored him in his lifetime and with feelings of fraternal affection, softened by sorrow, would gladly pay a fitting tribute to his memory, therefore, Resolved, That in the death of Brother Luther M. Andrews, his family was deprived of a loving and affectionate husband and father, his neighbors a good friend, the lodge an honored and worthy member and the state an upright citizen.

Resolved, That we offer our heartfelt sympathy to his bereaved family in the grief they must feel in this separation.

Resolved, That a copy of these resolutions be sent to the bereaved family, given to the Oregon City papers for publication, and that they be spread upon the records of the lodge.

Fraternally submitted,
M. E. BAIN,
RUDOLPH KOERNER,
F. S. KELLY,
Committee.

The City Cemetery to be Improved.

The city will improve its cemetery agreeable to recommendations made by the mayor. The council has appointed a committee to carry out the same.

The idea is to have the present cemetery surveyed and platted, locating all occupied space on same and, staking out what vacant land there is in a systematic manner. When this is done, certificates will be given all present lot owners, so they will have something to show for their title to same.

Those who have lots and burial space not enclosed or staked, can be of great assistance to the surveyor by placing stakes at the four corners of lot claimed, with name on one of the stakes or on a board. The size of lots as fixed by ordinance is 12x18 feet, and single burial space is 4x8 feet. This should be done promptly as the surveyor will soon begin.

It is hoped that all citizens will help in this matter as the cemetery is something in which all should take a pride in making it creditable to the city.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer \$100 for any case that it fails to cure. Send for list of testimonials.

Dangers of the Grip.

The greatest danger from la grippe is of its resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for la grippe, we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that this remedy is a certain preventative of that dread disease. It will effect a permanent cure in less time than any other treatment. The 25 and 50 cent sizes for sale by Geo. A. Harding.

Vegetable Plants.

To have an early and successful garden here in Oregon it is necessary to have plants started in the hot house that they may be well grown by the time the weather permits their planting out of doors. Jos. Collins, of the Clackamas greenhouse has a fine selection of cabbage, tomato and other plants now growing which he will guarantee to be perfectly hardy and strong. He also has lettuce and other early vegetables now ready for table use.

From Cripple Creek.

After the big fire in Cripple Creek, I took a very severe cold and tried many remedies without help, the cold only becoming more settled. After using three small bottles of Chamberlain's Cough Remedy, both the cough and cold left me, and in this high altitude it takes a meritorious cough remedy to do any good.—G. B. Henderson, editor Daily Advertiser. For sale by Geo. A. Harding.

Pill Clothes.

The good pill has a good coat. The pill coat serves two purposes; it protects the pill, and disguises it to the sensitive palate. Some coats are too heavy; they won't dissolve, and the pills they cover pass through the system, harmless as a bread pellet. Other coats are too light, and permit the speedy deterioration of the pill. After 30 years exposure, Ayer's Sugar Coated Pills have been found as effective as if just fresh from the laboratory. It's a good pill, with a good coat. Ask your druggist for
