South Oregon City

A GOOD PLACE TO LIVE

Beautiful scenery and health giving air, high level land with good productive soil and pure water, a first-class public school building attended by nearly a hundred pupils on the premises; and a good plank road (one of the main thoroughfares in the county), connects with the macadamized streets of the city. This beautiful tract adjoins Oregon City and no portion of it is beyond a mile from the heart of the city and but a 15 minutes walk on plank walks to the business houses.

Some attractions of South Oregon City. Now is the time to think of the place to build your home or a good place to lay by an investment that will increase in value. The easy terms on which this property is sold should not embarrass any thrifty person. Lots are 50x100 and prices range from \$100 to \$150. Terms, \$5 down and \$5 per month until paid, without interest or taxes, a liberal discount for cash, and inducements to build. Every lot clear and ready for the garden. Quite a number of lots have been sold and there are several houses already occupied on the tract and quite a settlement in the neighborhood.

Oregon City with her big monthly pay roll, great woolen mills, large pulp paper and flouring mills and massive electric station, her fine public schools and all the modern improvements, is bound to increase her growth. Where can you find a better place to live in or a safer place for an investment? For further information call on or address

Charman Bros. Block, Oregon City, Or.

Beryfogel, of Reading, Pa., will conduct the business of the conference and will also preach on Sunday the 25th at 10:50 a. m. and 7:30 p. m. There will also be preaching services every evening including Wednesday evening by different ministers of the conference.

To these services and also to the business meetings all are heartily invited. We expect from 50 to 75 persons in Canby next week.

Rheumatism Quickly Cured.

After having been confined to the house for eleven days and paying out \$25 in doctor bills without benefit, Mr. Frank Dulson, of Sault Ste. Marie, Mich., was cured by one bottle of Chamberlain's Pain Balm costing 25 cents and has not since been troubled with that complaint. For sale by Geo. A. Harding.

Easter Sunday at the Episcopal Church.

There will be special services at St. Paul's Episcopal church, conducted by the Rector, Rev. Joseph DeForest on next Sunday, in commemoration of the resurrection of our Savior. The choir will render beautiful music especially appropriate for that day. Visitors will be welcome.
