

PATRONIZE OUR HOME INDUSTRIES

The prosperous community is the one that within itself, most supplies its own people in their various needs, and by selling much and buying little, keeps its money from going abroad,

Our farmers and manufacturers would each have a better market for their products, if our people would encourage our local manufacturers by giving preference to their products over those imported from other places. Were such the practice, it would not be long until Clackamas county would be one of the greatest industrial centers on this Coast.

An Industrial Exhibit.
The attention of all citizens of Clackamas county who wish to aid in the development of our agricultural, mineral and manufacturing interest is called to the work of Oregon City board of trade through its special committee on exploitation. The committee wants to obtain samples of every mineral found in the county. Of the clays the samples should be large enough so that working tests can be made to ascertain their value. The various mineral specimens should be plainly labeled with the name of the donor, the location from where taken, the apparent quantity in sight and any other data relative to their value. The board of trade would also like to have samples of the various kinds of manufactured articles of every class and description. For the agricultural exhibit farmers should commence preparing now. As their products mature the board wants samples sent in, properly labeled and the board asks the farmers to plant and cultivate with that end in view. They want to maintain a permanent exhibit here in Oregon City and also mean to have the best county exhibit at the Industrial fair in Portland next fall. They also contemplate showing the exhibit East at points where they think the greatest good will accrue to Clackamas county. This is a matter in which all citizens of this county are directly interested and

each one should endeavor to further the cause and insure the success of the undertaking. The members of the committee are: Charles Meserve, E. E. Charman, J. G. Pillsbury, J. A. Thayer and J. F. Clark, and articles for the exhibit can be left with any one of them or at the ENTERPRISE office.

Notice to Owners of Lots in City Cemetery
All persons owning or claiming lots in the city cemetery of Oregon City are hereby notified that the said cemetery is about to be re-surveyed by the city council of Oregon City, and all interested persons must immediately have stakes set around their lots, with the names of owners or claimants posted thereon, so that the proper record can be made of those interested therein and unclaimed stakes off. Any land not thus staked off and marked will be considered as unowned and be at the disposal of the city authorities.

By order of city council committee.
THOS. F. RYAN, City Recorder.
Dated this 7th day of April, 1897.

Send the ENTERPRISE to your friend in the East and thus give him an idea of what is going on in Clackamas county. It may induce him to locate with us.

Going East?

IF YOU ARE,
DO NOT FORGET

Three Important Points

FIRST—Go via St. Paul because the lines to that point will afford you the very best service.

SECOND—See that the coupon beyond St. Paul reads via the Wisconsin Central because that line makes close connections with all the trans-continental lines entering the Union Depot there, and its service is first-class in every particular.

THIRD—For information, call on your neighbor and friend—the nearest ticket agent—and ask for a ticket reading via the Wisconsin Central lines, or address
