

# CLACKAMAS COUNTY

## THE ENTERPRISE CORRESPONDENTS SWEEP THE FIELD.

### Union Hall Happenings.

UNION HALL, May 17.—The lumber for a new Congregational church at Phelps' Corner is being placed on the ground.

Everybody is enjoying the May showers. No sickness in this vicinity and our doctors have plenty of time to hoe in the garden and see the flowers.

Road work is the order of business in this neighborhood. Mr. Dimick, our road boss, should be complimented on the efficient work done on the Canby and Oregon City road.

Dr. J. Casto, favorably and well known in this county as a lecturer, made our school a pleasant visit last Friday afternoon. No preparation had been made by the pupils or teacher and the daily program was carried out. The doctor was well pleased and entertained, hearing the pupils recite their lessons, and at the close of the program Mr. Casto gave a half hour talk which was attentively listened to by the pupils. In his remarks he told of his school days and the advantages the pupils of this district have over some districts in this county and throughout the state, with the latest and best methods of instruction, the latest improved seats, charts, fine blackboard, new roller maps, nice globe, and access to the latest and best papers which Mr. Warner had on the table. There was the Oregon City Enterprise, Herald, Silverton Appeal, Cincinnati Weekly Enquirer, Pittsburg Commercial Gazette, Cleveland Ledger, Ohio State Journal, Detroit Free Press, Cosmopolitan and Scientific American, Scribner's and McClure's magazines, Harper's Weekly, Round Table and Bazaar and the Christian Herald.

Mr. Raugh has the finest potato patch, J. H. Burns the best corn and Messrs. Phelps and Volpugh the nicest wheat in this vicinity.

The old soldiers will meet at the school house in district, No. 81, the last Friday of this month. A good time is expected.

Miss Eliza Burns and Miss Daisy Phelps will probably graduate in the common studies this year.

The school children are improving their noons and recesses in gathering wild strawberries, which are beginning to ripen.

### Sunnyside News.

SUNNYSIDE, May 18.—Mrs. Wells and two children, who have been visiting Mrs. Christian's family for the past week, have returned to Portland. Katie Christian also returned.

Quite a number of our people went over to West Portland Friday and Saturday to attend the district quarterly conference. It being the first of this conference year.

Rev. Wiles occupied the pulpit here and preached a grand sermon from Dan. XII 19 to quite a good congregation.

Last Tuesday night a society meeting was called to order to elect a S. S. superintendent for their conference year. Mrs. Wm. Barrett was elected. Next Sunday the rest of the officers will be elected, also a change in the classes will be made and the new teacher will be appointed. All are hoping to have a good Sabbath school this year.

Rev. C. L. Crook went to Happy Hollow a week ago last Sunday at 2 o'clock to organize a Sunday school in the S. H. for the year, and last Sunday a few of us went over and found a large number of children gathered at the appointed place ready to learn out of the bible.

We as a Christian nation should do all we can to encourage the Sabbath schools, and discourage Sabbath desecration. Their awful heathen practices of ball playing, boxing, etc., should be done away with.

Mrs. Tawny has recovered her child which her husband stole away while she was at church the preceding Sabbath.

Clara Cotty has gone to Portland to assist in caring for her grand mother, Mrs. Phillips, who is again quite sick.

Keshia Wiles, who had gone to Portland to spend the summer, came home sick, is recovering very slowly. Norra Barrett has taken her situation until she will be able to go back.

We miss our young people very much in Sabbath school.

While Frank Griffith, Wallace Beebe and Fred Beacher were out home to stay over Sabbath a week ago, some thief broke into their house and stole nearly every thing they had in their batching with all their eatables, clothes, dishes, dish pan, flour barrel etc. etc. It is a shame any one could be so heartless as to disturb three young men, who were attending school. Frank had lost an arithmetic some time before and went to a second hand store to get another and found his own there. Shame on the boldness of some creature.

### Damascus Notes.

DAMASCUS, May 16.—The dance given at the Damascus hall was a grand success. There was an excellent supper and plenty of good dancers.

There will be a dance at Mr. Polsen's June 12th. The best of music will be furnished and all are invited.

A few of the people here attended the conference meeting at Sunnyside last month.

There will be Christian services every third Sunday at the Rock Creek school house; morning and afternoon meetings. Sunday School at 10 a. m.

### Redland Notes.

REDLAND, May 17.—The pie social given by the Y. P. S. C. E. last Friday evening at the residence of Mr. H. A. Allen was one of the most enjoyable affairs of the season. A short program was rendered after which came the "pies." The gentlemen fished through the keyhole and the ladies took hold of the hook—some declared there was different kind of bait used. After playing several social games all returned home. There were between 50 and 60 present.

There will be preaching services every Sunday afternoon at 4 p. m. at Bethel church by Rev. A. A. Hurd.

The Y. P. S. C. E. and prayer meetings will be held every Wednesday evening at 8 o'clock sharp.

### Stafford Notes.

STAFFORD, May 17.—Some people are complaining of the drouth and prophesying that the clover crop will be a failure. In some places clover is now beginning to bloom and is not over six inches high. A copious supply of rain would undoubtedly be very beneficial to most of the growing crops.

Some spud planting is being done but the main crop will not be planted until the last of the month or the first of next.

Wm. Schatz is having some stumps blasted out back of his vineyard.

Jno. Schiere has bought a wheel.

The literary which meets here on Sunday afternoon attracts a large crowd. A rounding paper published by Messrs. Gage and Weddie, two of our noted literary writers, is the center of attraction for today's meeting.

Cap. Hayes is spending a few days in Salem.

J. Q. Gage has returned from the coast country. He reports the roads to be in good condition over the mountains. Many cattle were lost there during the winter, he having lost one-third of his number, yet not being as heavy a loser as some others.

Much road work is being done in our district at present.

A dance was given at Larson's last evening and about 20 couples were present.

B. F. Baker's barn will be raised next Thursday. Fisher Bros. are the builders.

In some orchards the cherries and prunes are badly damaged and the crops will undoubtedly be light.
