If asked the question "Have you got a stomach?" it would be safe on general principles, to answer "Yes." But, if you are sure of it, that is, if you ever feel any distress after eating or any pains of whatever description in the region of the stomach, you have got something more than an ordinary stomach; in other words, you have got a diseased stomach. The stomach is a powerful muscle, and the proper remedy for a tired muscle is rest. Try the Shaker Digestive Cordial, for this production not only contains digestive food, which will nourish the system without any work on the part of the diseased organs, but it aids the digestion of other foods as well. You can test its value in your case for the trifling sum of 10 cents. Sample bottles at this price are carried by all druggists.

Mrs. Tabor's Party.

Among the most noted events of the past week was a baby show held at the residence of Mrs. Richard Tabor of Mt. Pleasant. The invited ladies were Mesdames C. L. Perry, G. W. Kidder, F. R. Andrews, Prof. Betzel, F. Josie, J. McKilligan, E. Dixon, G. W. Grace, E. D. Kellogg, B. Hughes and M. Warnock. All brought splendid looking babies. Mrs. Dixon borrowed one, which took the prize, being the finest looking baby there. The afternoon was interspersed with music and songs, making the time fly by on eagle wings, as mirth, conversation and laughing babies chased it only too quickly away. An interesting feature of the afternoon was instrumental music by Miss Edna Tabor, which was well rendered and reflects much credit on her teacher, Prof. Betzel. There were several songs, Mrs. Grace and Mrs. Betzel sang a duette and Mrs. Josie sang a German song. The house was beautifully decorated with ferns and flowers. Too much praise cannot be given Mrs. Tabor for the charming way in which she entertained her guests assisted by Mrs. Kellogg, sparing no pains to make the afternoon pass pleasantly. The delicious ice cream and cake could not be excelled. The breezes, the smiling landscape and the glorious day all conspired to make it one of the most pleasant affairs that any of the guests had ever enjoyed.

Yet relief is ready to the hand of almost any one who will use systematically the remedy that has permanently cured thousands.
