

PATRONIZE OUR HOME INDUSTRIES

The prosperous community is the one that within itself, most supplies its own people in their various needs, and by selling much and buying little, keeps its money from going abroad.

Our farmers and manufacturers would each have a better market for their products, if our people would encourage our local manufacturers by giving preference to their products over those imported from other places. Were such the practice, it would not be long until Clackamas county would be one of the greatest industrial centers on this Coast.

Three Important Points

FIRST—Go via St. Paul because the lines to that point will afford you the very best service.

SECOND—See that the coupon beyond St. Paul reads via the Wisconsin Central because that line makes close connections with all the trans-continental lines entering the Union Depot there, and its service is first-class in every particular.

THIRD—For information, call on your neighbor and friend—the nearest ticket agent—and ask for a ticket reading via the Wisconsin Central lines, or address
