Committees Appointed to Get Up a Monster Fourth of July Celebration at Union Park—Memorial Day Observed at Viola.

REDLAND, June 8.—J. J. Baryfeld left yesterday for Walla Walla for a couple of weeks visiting.

E. Richardson returned from Idaho, where he has been working. He states work and money scarce.

W. W. Miers one of our prosperous farmers, has been having some slashing done.

Quite a number of the Redlanders attended the school picnic at Stone Saturday last. All said they had a good time.

F. P. Linn talks of returning to Eastern Oregon in the near future, to work.

Mrs. A. Sprague, Mrs. S. S. Mosher and son Harry have been visiting at Portland, and vicinity the past few days.

There is a petition being circulated to change the road up Linn's hill. We believe it will be just about right. A good road up this hill would be something that would be appreciated by every man who is concerned in the welfare of the neighborhood as it would be a good road both winter and summer and besides there would be a way for our road boss to get to town when the Abernethy road gets impassable.

It seems as if it was about time the law was being enforced on those people who will not send their children to school. Because they grew up in ignorance is no reason that their children should. We are sorry to say it but some children in our neighborhood have not attended two months in the past three years, and from the looks of things they are not going unless the law is used on the persons, who have charge of them.

M. Richardson was in Portland on business yesterday.

The program for children's day is completed. The exercises will begin next Sunday at 11 o'clock instead of 10 o'clock as was stated in a recent paper.

We understand there will be a picnic at the residence of Geo. Armstrongs in the near future.

The boys, who thought they could get rich cutting cord wood, came back fully satisfied. We understand they made nearly 25 cents a day.

C. E. Walestein left yesterday for Astoria, where he will attend school.

Wm. Bonny comes to town quite often late. Those wedding bells will soon ring.

Instead of having a celebration at Redland, we joined hands with Viola, Logan, Springwater and Curranville and will have the biggest Fourth of July celebration ever held in this part of the county. A committee of three from the five towns met near Viola last Saturday afternoon to arrange details. The following committees were elected: Oratory, Mr. Shibley and Wm. Lewelling; music, D. C. Richardson, F. Walker and M. Frakes; stands, etc., F. Brock, Wm. Lewelling and D. H. Mosher; advertising, M. Frakes, M. Reed and D. H. Mosher; amusements, L. Kirchem, E. Miller and D. H. Mosher. It is expected that all who are interested in the celebration will meet at an early hour Saturday, June 11, and assist in putting the grounds in order. The celebration will be held on Saturday, July 3d, at Union Park, one and one-half miles east of Viola on the Springwater road.

Memorial day was observed by the Redland school going to Viola Friday where they assisted the Viola school in the exercises. Viola school was to have come and assist our school in the program here but on account of sickness of the teacher and some of the pupils they did not come, so the program was short. It was as follows: Marching from the schoolhouse to the cemetery; songs, When the Roll is Called up Yonder, Battle Hymn of the Republic; prayer by Mr. Hicinbotham; two quotations, Maud and Willie Stone; short talks by H. D. Johnson, Mr. Behmer, Geo. Hicinbotham, C. Rutherford; the program was closed with a recitation and a couple more songs. After the exercises the people spent several hours in clearing up and decorating the graves.

Mr. Aschoff is home from a hard two weeks work on the roads, which are now in excellent condition, even for bikes. Cyclers have often made the run from Portland in a few hours on roads that have not been in as good condition. Mr. Aschoff has paid particular attention to the road work this year and reports the roads in far better condition than they have ever been.

Apropos, I see you have Adolf Aschoff mentioned, in your issue of May 14, as having been appointed superintendent of flowers and natural history for the state fair, and I agree with you that he is well qualified for the position, having made a special study of botany. Yet I am told he has not received official notice.

Among other necessary improvements on his place, Mr. Aschoff intends building a large hall for the amusement of campers, tourists and friends. Marmot being a half-way station to Mt. Hood, mountain climbers and members of the Mazama Club are to be seen here quite often.

The fruit crop is not as good as it looked a month ago. Late apples will not be plentiful. Cereal crops look well so far.
