On last Friday the West Oregon City school closed a nine-months term. Out of respect to one of the pupils whose mother had died a few days previous, the regular commencement exercises were omitted and only a brief program was carried out during the afternoon. This school has been a very successful one and is a credit to Oregon City and much credit is due to the principal, Prof. Durette, and the other teachers, Miss Norma Fox, Miss Addie Young and Miss Emily Young. With this week the Oregon City schools closes a nine-months term. On Friday evening the commencement exercises will be held at Shively's opera house where a splendidly arranged and highly interesting program will be carried out. There are 27 members in the graduating class, the largest in the history of the school, which of itself is a flattering compliment to Prof. S. W. Holmes, who for the past three years has been principal of the city schools. In addition to the part taken in the commencement exercises by the graduates there will be some fine musical selections by the best vocal and instrumental talent in the city and those who attend can be assured of a pleasant and profitable entertainment. With next week the Parkplace-Gladstone school will close after a nine months session. The under-graduates have prepared a pleasing program which they will render at the Chautauqua auditorium on Wednesday evening and on Friday evening the graduating class will hold their exercises at the same place. To each of these entertainments the public is invited with the assurance that the program will both interest and please. Saturday evening the alumni association of the school will give a banquet at the residence of Prof. Gray to the graduating and under-graduate class. Visiting Editors. The California Press association, numbering some 80 members, who have been on a trip to the Sound, will spend Saturday afternoon in Oregon City viewing the falls and factories. Cheney, Charles Meserve, and M. E. Bain were appointed to see that the courtesies of the city were extended to the visiting editors. Married.

HUNTLEY-MILLER—In this city on Wednesday, June 9, 1897, at the residence of the bride's parents, Mr. C. G. Huntley and Miss Lura A. Miller. The ceremony was performed at 1 o'clock in the presence of the immediate relatives and friends of the high contracting parties only. To the strains of Mendelssohn's wedding march played by Miss Mollie Barlow, the bride and groom-elect, attended by Miss Vera Pillsbury and Mr. N. B. Townsend, of Portland, took their places under a bower of roses, ferns, and clematis, where Rev. A. J. Montgomery spoke those few solemn words of the beautiful Episcopal service which united them for life. After blessings and congratulations had been heaped upon the happy couple, the wedding party was seated to a bounteous repast. The bride was attired in a lovely white silk trimmed with chiffon, and carried a beautiful bouquet of bride roses, while the groom wore the conventional morning habit. Miss Pillsbury looked charming in white organdie over pink silk, carrying a bouquet of pink roses. The interior decorations of the Miller residence were superb; the front parlor was decorated with ferns and evergreens, while numerous vases filled with beautiful LaFrance roses were arranged about the room. The dining room was adorned with lavender and clematis and the side parlor in red. The residence was literally a dream of beauty, showing full well that loving hearts and kindly hands had been untiring in forming the decorations. The bride is one of Oregon City's most popular and accomplished daughters, her parents, Mr. and Mrs. T. M. Miller being highly respected pioneer citizens. The groom is one of our best known and enterprising young business men. Mr. and Mrs. Huntley left on the overland for California and will be absent about one month. The best wishes of innumerable friends for their life journey so auspiciously begun are theirs.

SWOPE-GUTHRIE—On Tuesday, May 27, 1897, at the residence of the bride's parents in Urbana, Ohio, Mr. Geo. W. Swope to Miss Nellie Guthrie, Rev. J. G. Vaughan officiating. From the Urbana Daily Citizen the following is taken: "Mr. and Mrs. Swope left last night for St. Joseph, where they will spend a few days after which they will take the Southern Pacific for Oregon City where they will reside. Mr. Swope is a rising young lawyer of the West and a Christian gentleman. Miss Nellie is one of Urbana's most charming young ladies and we bespeak for her a cordial welcome in her far away western home. The Citizen extends congratulations and wishes them a long and happy journey down the stream of time." Mr. and Mrs. Swope are expected to arrive on the overland this morning and will receive a cordial welcome from Mr. Swope's host of friends in this city, even though he did solemnly assert when he started east that he was not going to be married. George first met his lovely bride in Portland two years ago when she was visiting friends there. The acquaintance ripened into love as the sequel shows.

EHRET-WINTERMANTLE—At the residence of the bride's mother near Canby, Wednesday, June 9, 1897, Miss Hettie A. Wintermantle and Rev. J. R. Ehret. The nuptials were celebrated at the home of Mrs. C. Wintermantle in the presence of the relatives of the bride and groom and a few select friends. The occasion proved an impressive one and caused sweet memories to entwine each other's past with glowing hopes for the future in promise. The groom is a member of the Oregon conference of the Evangelical church and a resident pastor at Sweet Home, Linn county. The bride is the eldest daughter of Mrs. C. Wintermantle. The ceremony was performed by Rev. H. I. Bittner, of Portland. Some valuable gifts received gave expression of the interest manifested in the future welfare of the happy couple.

DICKSON-REEK—On Thursday afternoon, June 3, 1897, at the Baptist parsonage by Rev. M. L. Rugg, George Dickson, of Bridal Veil, to Grace Reek, of Pendleton. Pill Clothes.

"I don't believe there ever was so good a pill made as Ayer's Cathartic Pills. They will do all you recommend them for and even more. When I have a cold and ache from head to heels, a dose or two of these pills is all the medicine needed to set me right again. For headache, &c."

The good pill has a good coat. The pill coat serves two purposes; it protects the pill, and disguises it to the sensitive palate. Some coats are too heavy; they won't dissolve, and the pills they cover pass through the system, harmless as a bread pellet. Other coats are too light, and permit the speedy deterioration of the pill. After 30 years exposure, Ayer's Sugar Coated Pills have been found as effective as if just fresh from the laboratory. It's a good pill, with a good coat. Ask your druggist for
