The tongue-twister and ice cream social at the Congregational church Tuesday night was a decided success. Mrs. O. A. Cheney, of this city is the recipient of a charming water-color painting of "Morning on the Columbia," with Mt. Hood in the distance painted by Prof. M. Shaw, of San Francisco. Horace Greeley once said: "The way to resume is to resume," speaking of again putting gold into circulation after the war. But you may say "resume," any number of times to that torpid liver of yours and it won't budge until you take Simmons Liver Regulator. Many people seem to forget that Constipation, Biliousness and Sick Headache are all caused by a sluggish liver. Keep the liver active.

AYER'S ARGUMENT.

If there is any reason why you should use any sarsaparilla, there is every reason why you should use Ayer's. When you take sarsaparilla you take it to cure disease; you want to be cured as quickly as possible and as cheaply as possible. That is why you should use Ayer's: it cures quickly and cheaply—and it cures to stay. Many people write us: "I would sooner have one bottle of Ayer's Sarsaparilla than three of any other kind." A druggist writes that "one bottle of Ayer's will give more benefit than six of any other kind." If one bottle of Ayer's will do the work of three it must have the strength of three at the cost of one. There's the point in a nutshell. It pays every way to use

Ayer's Sarsaparilla.
