A good recommendation for Simmons Liver Regulator is, that it is purely vegetable and strongly tonic. Then too, it is better than Pills because easier to take in liquid or powder and with no griping, while the relief from constipation, Biliousness, Sick Headache and Dyspepsia is quick and sure. "I find Simmons Liver Regulator a very safe and valuable family medicine.—Rev. J. M. Rollins, Fairfield, Va.

We all know that any tired muscle can be restored by rest. Your stomach is a muscle. Dyspepsia is its manner of saying "I am tired. Give me rest." To rest the stomach you must do its work outside of the body.

This is the Shaker's method of curing indigestion, and its success is best attested by the fact that these people are practically free from what is without doubt the most prevalent of all diseases. The Shaker Digestive Cordial not only contains digested food which is promptly absorbed without taxing the tired digestive organs, but it is likewise an aid to the digestion of other foods in the stomach. A 10 cent trial bottle will convince you of its merit, and these you can obtain through all druggists.

## The Deal Off.

The information was given out during the week that a combination had been effected between the East Side Railway company and the Oregon City Transportation company, whereby the rate war between them was to be brought to an end. The basis of settlement was that the railway company was to discontinue the free delivery of freight at each end of their road and take off their through car and both lines to put the passenger fare back to the former rate of 45 cents round trip and 25 cents single fare. The proposition to stop the rate war came from the railway company who were as anxious as were the boat people to stop a game at which both were losing and which would eventually bring bankruptcy to both companies.

After all the details had been arranged the creditors of the railway company, which is in the hands of a receiver, filed an objection in Judge Bellinger's court against the payment by the receiver, of the monthly payments to Oregon City for the privilege of running freight cars on Main street, the payments to be credited upon the city's claim against the company, the creditors alleging that this arrangement made Oregon City a preferred creditor, to the detriment of their claims.

What the outcome will be is hard to tell, but it is more than probable that the present low rates will soon come to an end.

## For Two Years.

Daniel Magone was sentenced to two years in the penitentiary by Judge Stearns Tuesday morning. This is the maximum penalty for grave-robbing.

A motion for a new trial was previously overruled, and until Tuesday was allowed for defendant's counsel to prepare a bill of exceptions for an appeal to the supreme court. Magone had nothing to say. There is still an indictment pending against the grave-robbers, accusing them of removing a monument in a cemetery, for which the extreme punishment is one year.

## Died.

BAIR—At her home in Needy, Friday, June 25, 1897, of heart failure, Mennel, wife of Colonel Cornelius Bair, aged 66 years.

On the day of her death Mrs. Bair was apparently as well as usual and engaged about her household duties up to one hour before her demise, when she was suddenly taken ill and expired before medical aid could be summoned. She belonged to the rapidly thinning ranks of our early pioneers, having moved to Oregon with her husband from Missouri in 1867 and settled on the farm at Needy, where they have since resided. Her husband and seven children survive.

The funeral held at the family residence Sunday afternoon, conducted by Mr. Henry Wolfer. Almost the entire neighborhood followed the remains to their last resting place in the Needy cemetery and covered the grave with flowers in token of the high esteem in which she was held in the community.

## Death of Mr. Porter.

Word has been received from Mr. L. L. Porter, who went East several weeks ago to be at the bedside of his father, J. L. Porter, who was seriously ill, that he has since died. Mr. Porter, sr., was a prominent republican of Wisconsin and held many positions of trust in the state. He was an eloquent talker and did good service for protection and prosperity during the last campaign.

L. L. Porter will return to his home in Oregon City so soon as matters pertaining to his father's estate can be settled up.

Nothing is so unpleasant, nothing so common, as bad breath; and in nearly every case it comes from the stomach, and can be so easily corrected if you will take SIMMONS' LIVER REGULATOR. Do not neglect to secure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

FILES!  
How many suffer torture day after day, making life a burden, and to the secret suffering from Files. Yet relief is to be had of almost any one who will use systematically the remedy that has permanently cured thousands. SIMMONS' LIVER REGULATOR is no drastic, violent purge, but a gentle assistant to nature.

CONSTIPATION  
SHOULD not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a costive habit of body prevails.

SICK HEADACHE!  
This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache, for the relief of which TAKE SIMMONS' LIVER REGULATOR OR MEDICINE.
