

PATRONIZE OUR HOME INDUSTRIES

The prosperous community is the one that within itself, most supplies its own people in their various needs, and by selling much and buying little, keeps its money from going abroad,

Our farmers and manufacturers would each have a better market for their products, if our people would encourage our local manufacturers by giving preference to their products over those imported from other places. Were such the practice, it would not be long until Clackamas county would be one of the greatest industrial centers on this Coast.

Three Important Points

FIRST—Go via St. Paul because
the lines to that point will afford
you the very best service.

SECOND—See that the coupon
beyond St. Paul reads via the Wis-
consin Central because that line
makes close connections with all
the trans-continental lines entering
the Union Depot there, and its ser-
vice is first-class in every particular.

THIRD—For information, call
on your neighbor and friend—the
nearest ticket agent—and ask for a
ticket reading via the Wisconsin
