You will be surprised when you find how little it costs to paper your room when you see Holman and see his up-to-date styles and prices.

Did you ever stop to think what indigestion really means? It simply means that your stomach is tired. If our legs are tired, we ride. The horse and the steam engine do the work. Why not give your stomach a ride; that is, let something else do its work. Foods can be digested outside of the body. All plants contain digestive principles which will do this. The Shaker Digestive Cordial contains digestive principles and is a preparation designed to rest the stomach. The Shakers themselves have such unbounded confidence in it that they have placed 10 cent sample bottles on the market, and it is said that even so small a quantity proves beneficial in a vast majority of cases. All druggists keep it.

Laxol is the best medicine for children. Doctors recommend it in place of Castor Oil.

The Winner

3. By inducing some friends to try the tea and give her their tickets.

One of her friends kept a boarding house, and sent her lots of tickets.

Haven't you some friend who keeps a boarding house or a restaurant, or who has influence in some hospital or other public institution? They need good tea there.

Meldrum, who departed this life about eight years ago, from Iowa in 1845 and settled in Oregon City in 1866, where she has since resided. She has lived to see her family grow up to manhood and womanhood and become useful members of society.

PURELY VEGETABLE.

The Cheapest, Purest and Best Family Medicine in the world!
 An ELYSIAC SPECIFIC for all diseases of the Liver, Stomach and Spleen. Regulates the Liver and prevents CHILLS AND FEVER, MALARIA, BILIOUSNESS, HEADACHE, COLIC, BRUISES, RHEUMATISM, JAUNDICE AND NAUSEA.

BAD BREATH!
 Nothing is so unpleasant, nothing so common, as bad breath; and in nearly every case it comes from the stomach, and can be so easily corrected if you will take SIMMONS' LIVER REGULATOR. Do not neglect to cure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

FILES!
 How many suffer torture day after day, making life a burden and robbing existence of all pleasure, owing to the secret suffering from Files. Yet relief is ready to the hand of almost any one who will use systematically the remedy that has permanently cured thousands. SIMMONS' LIVER REGULATOR is no drastic, violent purge, but a gentle assistant to nature.

CONSTIPATION
 SHOULD not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a constive habit of body prevails.

SICK HEADACHE!
 This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache, for the relief of which TAKE SIMMONS' LIVER REGULATOR OR MEDICINE.
