Father Hillebrand in accordance with the impressive ritual of the Catholic church, in the presence of members of the family and a few intimate friends of the high contracting parties. The attendants on the bridal couple were W. Jaklich, of this city, and Miss Augusta Funk, of Redland. The bride, who is a social favorite in Redland, was never prettier than on her wedding morn. Postoffice Improvements. Work was commenced Thursday on some improvements in the postoffice which the growth of Oregon City has long made necessary and which both Postmaster Green and the postal inspector had recommended to the department. The plan is to move forward the boxes to the center of the room so as to allow their number to be increased as well as to give more space in the rear to handle the mail sacks. The partition above the box frames is to be extended up to the ceiling so as to effectually cut off when then the doors are closed, all communication with the interior of the postoffice section of the room, the object being to enable the postmaster to leave the front door of the building open at all times so that the patrons of the boxes can have access to them at any time night or day. This will be a most acceptable convenience and one that will be highly appreciated by the patrons of the office.

Bowling Alley Notice. Tuesday afternoons from 2 to 6 o'clock will be reserved for ladies only. Friday evenings from 7:30 o'clock for ladies and their escorts. Please come early.

How Old are You? It makes no difference whether you answer or not. It is always true that "a woman is as old as she looks." Nothing sets the seal of age upon a woman's beauty so deeply, as gray hair. The hair loses its color generally from lack of nutrition. If you nourish the hair, the original color will come back. That is the way that the normal color of the hair is restored by Ayer's Hair Vigor.
