IT'S LIKE THIS?

If you've been able to save up a little money out of your earnings it is very discouraging to be compelled to use that little for the purpose of furnishing your house—you'd almost prefer going without the furniture, but you needn't do that. You can buy the furniture, carpets, stoves, crockery, etc., of us on credit. We won't charge you a penny more for them than you'd have to pay cash in any other store. Let your little pile of money stay right where it is. Get every thing you need of us—pay for it a little at a time weekly or monthly. No security asked.

CHAUTAUQUA ANNUAL MEETING.

Board of Directors Began Preparations for the Assembly of 1898.

Monday afternoon the annual meeting of the board of directors of the Willamette Valley Chautauqua Association was held at the office of the secretary, C. H. Dye. There were present President R. A. Miller; Secretary, C. H. Dye; and directors, J. T. Apperson, H. E. Cross, E. E. Charman and Charles Meserve. The annual report of Secretary Dye was submitted as was also that of Treasurer D. C. Latourette. Both reports on motion were referred to the finance committee for auditing.

Prof. J. W. Gray having been elected secretary at the stockholders meeting in July, the books were turned over to him by the outgoing secretary, C. H. Dye, and he assumed the duties of the office. The terms of the executive and finance committees having expired by limitation, on motion, President Miller, Secretary Gray and E. E. Charman were elected members of the executive committee and Capt. Apperson, G. A. Harding and H. E. Cross were chosen as members of the finance committee. The executive committee were authorized to begin at once to secure platform talent and a leader for the round table department and teachers for the various classes for the assembly to be held next July at Gladstone park. It was the desire of the board that the best talent attainable should be had for the next assembly and to accomplish this end it is why the securing of contracts was undertaken at this time instead of waiting until spring as heretofore.

The association, as shown by the treasurer's report, is in better financial condition than at any time since its organization and will be able to undertake the work of the next assembly with an assurance of making it the most successful assembly yet held by the association. Below is given the secretary's report in full, showing the receipts and expenditures for the past year and the present financial condition of the association as also the improvements made to the grounds and other matters of interest to the stockholders and friends of the association.

SECRETARY'S ANNUAL REPORT.

TO THE HON. BOARD OF DIRECTORS OF THE W. V. C. A.—Gentlemen:

I have the pleasure to report that the Willamette Valley Chautauqua Association has closed another prosperous year. While the Chautauqua cannot boast of any boom in its work it has passed a crucial point, and considering the continued financial depression and the rival attraction of the Endeavor convention offering a cheap trip to California and an attractive program, the success has been very gratifying. The indebtedness of the association, amounting with accrued interest to the sum of \$335.92, has been entirely wiped out and a water tank, costing with foundation, connections, etc., about \$210, has been put in besides other improvements more or less permanent, amounting to at least \$100 more. In addition to this we have paid for our lights in cash instead of stock as was formerly done. All this has been done besides furnishing the most expensive program in the history of this association and a balance of \$74.32 remained in the treasury September 1, with all bills paid except two or three minor matters not yet adjusted by the board. Our total receipts for the year were \$3,316.94, of which \$139.20 belong to last year's account, leaving our net receipts for this year \$3,177.74 from all sources. The total disbursements to September 1st was \$3,242.62 leaving the balance of \$74.32 aforementioned. The association conducted twenty classes each day during its assembly of 11 days, which were well attended. Private instruction was also given in several branches. No individual class was as large as some last year but the aggregate attendance in class work was nearly double any previous year. The classes in elocution, music, American history, English literature and bible attracted the largest attendance. This is the first year that the study of the bible has been in the hands of a specialist and the results were most gratifying. The Round Table programs also proved to be pleasing features carried on with enthusiasm and deserving the highest commendation.

Four concerts, fifteen lectures, two readings and two miscellaneous programs were given on the main platform in the afternoon and evening and the 11 o'clock hour was filled with lectures and entertainments by local talent, except in the case of Joaquin Miller. This exception and some other pleasing programs proved that attractive talent will draw in the morning as well as in the afternoon. On the whole the main platform was stronger than ever before. Our weakest point was in the athletic field. Those in charge did the best they could with the means at hand yet I am fully convinced that that part of the work must be greatly strengthened in the future. The Chautauqua's mission is to encourage that which is healthful and

ennobling in all lines and to aid in developing the man in every part of his nature. It is not simply to furnish entertainment and amusement but its purpose is higher. It is in its province to encourage healthful athletic sports while seeking to eliminate from them those features which tend toward moral degradation. The only way this can be done is to put this department into the hands of someone who is competent and in sympathy with the Chautauqua idea of athletic sports and allow him sufficient latitude and money to carry out a comprehensive plan that will enlist the college and Y. M. C. A. athletes of the state. If properly managed this will more than pay its own way. If the program planned by the committee this year had been carried out it would have been a profitable investment for the association.

A summary of the receipts and disbursements is as follows:

Weddings of Well-known People.

The marriage of Miss Myrtle M. Apperson to Roswell L. Conner was solemnized at the residence of the bride's parents in McMinnville, Mr. and Mrs. A. J. Apperson, on Wednesday, September 1st, by Rev. E. E. Thompson, pastor of the Cumberland Presbyterian church of that city. The bride was a former resident of this city and a niece of Capt. J. T. Apperson, who with Mrs. Apperson, was in attendance at the wedding. Prof. I. M. Glen, of the State university, who had charge of the class in American literature during the Chautauqua assembly, was united in marriage with Miss Julia G. Veazie at the home of the bride near Dallas, on Tuesday, August 31. Pres. H. L. Boardman, of McMinnville college, officiating. The happy couple passed through Oregon City Friday morning for their future home in Eugene.

Lydel Baker, of Portland, clerk of the state railroad commission, left Monday night for Pittsfield, Illinois, where on Thursday, September 30, he will be united in wedlock to Miss Mirreless, a beautiful and accomplished daughter of a highly respected and honorable family.

The True Remedy.

W. M. Repine, editor Tiskilua, Ill., "Chief" says, "We won't keep house without Dr. King's New Discovery for consumption, coughs and colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for coughs, colds, whooping cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at Charman & Co's drug store.

SCHOOL ANNOUNCEMENT.

Divisional Lines Arranged by Superintendent McAdam.

The apportionment of pupils between the Barclay and the Eastham school for the school year beginning on the 13th inst., will be as follows:

All pupils of the high school and grammar pupils of the eighth grade will attend at the Barclay school.

Of the other grammar grades and the primary grades, those pupils whose houses are below the bluff or north of a line extending from the head of Seventh street steps along the middle of said street to J. Q. Adams street; thence along the middle of this street to Ninth street; thence along the middle of Ninth street to Harrison street; thence north-eastward along the middle of Harrison street to the boundary of the school district.

Pupils belonging to either of the seven lower grades whose homes are south of the divisional line described above will attend at the Eastham school.

While this plan of apportionment will generally prevail, yet in order that the work of parallel grades in the two schools may be equalized, pupils will be transferred across this divisional line as the best interest of the school may demand.

This arrangement will secure a representation of all grades at the Barclay school, and of the primary and all grammar grades, except the eight at the Eastham, and will enable all pupils, with few exceptions, belonging to either of the seven lower grades to attend the nearer and more accessible school.

Parents and guardians are urged to have their children or wards enter school on next Monday, or as soon thereafter as may be possible, and continue regular in attendance throughout the year as otherwise the best results can rarely be attained.

Pupils wishing to take examination for promotion to the eighth, the ninth or the tenth grade should report, with their lunches, at the Barclay school on next Monday morning at 9 o'clock.

A Study on Man.

Next Sunday evening Rev. T. W. Butler, P. D., will begin a series of five sermons on "Man" in the First Congregational church of this city. The subjects of the different discourses are: Sept. 12, "Man—Is he a Bankrupt Gorilla?" Sept. 19, "Man—How Came he Here?" "Is Evolution or Creation the Cause?" Sept. 26, "Man—What is he, What is he Here For, and What His Possibilities?" Oct. 3, "Man—What of his end, a Question of the Ages?" Oct. 10, "Man—Has he a Future State, if so, What is he Like in it?" Evening services at 7:30 o'clock and all are cordially invited to listen to the services. Good music at every service.

Oregon's Greatest Fair.

Can be attended for one fare for the round trip from any point on the lines of the Southern Pacific in Oregon.

The fair opens September 30, and closes October 8. Nine days. Every day will be the best. Fraternal order day, October 2, Oregon press day October 4, pioneer and barbecue day, October 5, Salem day, October 6, school day, October 7, children under twelve years of age free. School children over twelve years of age, ten cents.

After harvest you will want a rest, so come to the state fair and enjoy yourself. One fare for round trip. Popular admission of 25 cents.

Fireman's Tournament Offer.

The proposed fireman's tournament, to be held at The Dalles the last of September, has been declared off, owing to the lack of funds, and the little interest manifested in it by the different companies.

One after another of the companies who should have joined in this meet communicated with The Dalles committee, declining to participate, so those who had the matter in hand threw up the sponge and it was decided not to hold a tournament this year.
