The fact is, foods properly digested are better than so-called tonics. The Cordial not only centains food already digested, but is a digester of other foods. Food that is not digested does more harm than good. People who use the Cordial insure the digestion of what food they eat and in this way get the benefit of it and grow strong.

DUBOIS-At the family residence in Springwater, on Friday, Sept. 24, 1897, Mrs. Effie E. Dubois, aged about 25

M.s. Dubois had been failing for a long time, making a heroic struggle against that dreadful terror, consumption, a disease which, so far as we know, there has, as yet, been discovered nothing to arrest, nothing to alleviate, nothing to cure. When the Angel Azrael casts this shadow of his wing upon the mortal form, it has been the trumpet-call of death which there is no other mode of answering than by personal response to Mrs. the summons.

Deceased was the daughter of Mr. and Mrs A. M. Shibley, old and respected pioneer residents of that portion of the county. She was a dutiful child, a loving companion, and a faithful and consistent Christian, beloved and respected by all who knew her.

The funeral was conducted from the family home Sunday afternoon by Rev. A. A. Hurd, pastor of the Springwater Presbyterian church. The remains were interred in the Lewelling cemetery near Springwater.
