The difference between Pills and Simmons Liver Regulator, is just this: Pills don't go down very easy with most people, and you feel them afterwards. While Simmons Liver Regulator in liquid or powder is very pleasant to take, and the only feeling that you have afterwards is the great relief that it gives from Constipation, Biliouness, Sick headache and Dyspepsia. It is a mild laxative and a tonic.

This medicine can always be depended upon for colic, cholera morbus, dysentery and diarrhoea. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by G. A. Harding.

## A Military Election.

Captain F. S. Kelly, owing to his removal from the city, having resigned the command of F Company, a special election was held Monday evening by the company, to choose a new captain. The election was under the supervision of Captain I. T. Strain, of the brigade staff, as special inspector of elections. For captain, First Lieutenant L. L. Pickens was chosen by unanimous vote. The same compliment was paid Second Lieutenant W. A. Huntley who was made first lieutenant and First Sergeant Fred Metzner was honored in the unanimous vote of his comrades for second lieutenant.

Gen. Chas. F. Beebe and Major Geo. T. Willett were present during the evening. At the close of the election Gen. Beebe made a brief address in which he complimented the boys of F Co. for the good good fellowship which he found manifested between the men and the perfect harmony existing between the men and the officers. He also spoke highly of the personnel of the company of its efficiency and numerical strength which the company displayed.

F Co. has 54 men upon its roster and applications enough to make up for the loss of men by expiration of time of service, and bring it up to the full limit allowed by the regulations. The company, since its organization eight years ago, has not been in better order than now and it ranks as one of the best drilled and most efficient companies in the state. Captain Pickens and Lieutenants Huntley and Metzner have fairly earned their merited promotions, for each has come up through all the grades from the ranks and are thoroughly posted in all that pertains to their duties. Captain Pickens is an old guardsman having served in one of the crack regiments of New York and is a soldier in every sense of the word.

The appointment of non-commissioned officers will not take place until Captain Pickens receives his commission from Governor Lord, which will probably not be for two or three weeks yet.

## Property Sold For Taxes.

The sale of property for delinquent taxes Saturday did not attract any purchasers outside of the city, seven-eighths of all that was sold being purchased by a Portland broker. Something like \$4000 was realized from the sale. The county did not buy, thereby leaving the property not bought by private purchasers without any negotiable lien against it. This operates to the advantage of the delinquent taxpayer, who is thus given his own time to discharge the lien, without penalty or interest accruing during the period of nonpayment.

When given to the printer August 26, the delinquent list footed up about \$27,000. Between that time and the date of sale the total was reduced to about \$14,000. About \$10,000 of 1896 taxes remain now uncollected.

## Money for Farmers.

When it comes to buying harness, saddles, whips or robes the prices and work to be had at Willey's harness shop cannot be duplicated in Portland. Repairing done in good shape and promptly. # Our I's and Other Eyes.

Our I's are just as strong as they were fifty years ago, when we have cause to use them. But we have less and less cause to praise ourselves, since others do the praising, and we are more than willing for you to see us through other eyes. This is how we look to S. F. Boyce, wholesale and retail druggist, Duluth, Minn., who after a quarter of a century of observation writes:

"I have sold Ayer's Sarsaparilla for more than 25 years, both at wholesale and retail, and have never heard anything but words of praise from my customers; not a single complaint has ever reached me. I believe Ayer's Sarsaparilla to be the best blood purifier that has been introduced to the general public." This, from a man who has sold thousands of dozens of Ayer's Sarsaparilla, is strong testimony. But it only echoes popular sentiment the world over, which has "Nothing but words of praise for Ayer's Sarsaparilla."

Any doubt about it? Send for the "Curebook." It kills dandruff and cures dimples. Address: J. C. Ayer Co., Lowell, Mass.
