CONVENTIONS HELD

Non-Partisan and Independents Nominate Candidates.

Convention Proceedings in Detail—Much Interest Taken in Next Monday's Contest.

Non-Partisan Ticket.

Mayor—E. G. Canfield. Treasurer—H. E. Straight. Councilmen, First ward—John Bittner and Rudolph Koerner. Councilmen, Second ward—Arthur Milln and Fred Metzner.

Pursuant to a call for a non-partisan convention which had been previously issued about 125 citizens gathered in Weinhard's hall Monday evening for the purpose of nominating candidates to be voted for at the coming city election, which takes place next Monday. Mr. George A. Harding called the meeting to order at 8 o'clock, and after stating the object of the meeting, declared nominations for chairman in order. Upon motion which was carried unanimously Mr. Harding was made permanent chairman and after thanking the convention for the honor conferred, stated that the next order of business was the election of secretary. Frank Griffith was chosen secretary by acclamation.

At this juncture the chair announced that nominations for mayor were in order. Rudolph Koerner, after complimenting the city upon the able administration which had been given it by the present incumbent, placed the name of Mayor Canfield before the convention for that office, and in the absence of other nominations it was made unanimous. At this point great enthusiasm prevailed and Mr. Canfield was called for. That gentleman came forward and thanked the convention for its hearty approval of his course and pledging anew his best efforts in behalf of the city if again elected.

For treasurer H. E. Straight was re-nominated by acclamation.

The chair then instructed the citizens of each ward to organize separate or ward conventions for the purpose of nominating councilmen, the First ward occupying the east and the Second ward the west side of the room. The First ward selected G. W. Church as chairman and Max Bollack secretary, after which John Bittner and Rudolph Koerner were re-nominated by acclamation for councilmen, after which that wing of the convention adjourned.

The Second ward selected E. E. Williams chairman and A. S. Dresser secretary. Nominations for councilmen were declared in order and the following names were proposed. George Broughton, J. A. Thayer, Fred Metzner, J. H. Walker, Arthur Milln, S. F. Scripture. At this juncture a motion was made and duly carried that the two candidates receiving the highest number of votes should be declared the nominees. C. H. Dye, Dr. Carl, George Broughton and B. Curry were appointed tellers. The first ballot resulted as follows:

- Broughton—10
Thayer—14
Metzner—20
Walker—20
Milln—25
Scripture—10

Whereupon Milln was declared nominated, but as there was a tie between the two next highest a second ballot was taken, and with the exception of six scattering, Walker and Metzner received all the votes as follows:

- Walker—22
Metzner—36

Metzner was declared nominated. The convention as a whole was then called to order and upon motion of C. H. Dye the nominees of the two wards were unanimously endorsed.

George A. Harding, Thomas F. Ryan and S. F. Scripture were selected as a campaign committee, after which the convention adjourned.

The Independent Ticket.

Mayor—Dr. John W. Powell. Treasurer—H. E. Straight. Councilmen, First ward—Charles D. Latourette, H. C. Stevens. Councilmen, Second ward—Solomon S. Walker, George Broughton.

About 100 citizens assembled at Wilamette hall Monday evening in compliance with a call issued by means of posters scattered throughout the city, to nominate candidates for city officers.

E. E. Charman called the meeting to order and placed T. F. Cowing in nomination for chairman. Mr. Cowing was the unanimous choice of the convention and on being escorted to the chair by Messrs. Cooke and Fields, thanked the assembly for the honor of serving as the presiding officer and announced as the next order of business, the election of secretary. After several had declined to serve E. H. Cosper was elected.

A motion prevailed that all nominations be made by acclamation.

Coroner Godfrey placed Dr. J. W. Powell in nomination for mayor and the nomination was seconded by Max Schulpus. There being no other nomination, Dr. Powell was nominated by acclamation, amid a storm of applause. Dr. Powell said, in response to repeated calls for a speech: "I desire to return my sincere thanks for the honor you have conferred upon me, and promise, if

electd, to give a good, clean, economical administration of city affairs. I am in favor of extending the electric lights to Ely and shall also use my influence to get a third ward for the city."

J. W. Noble placed Solomon S. Walker in nomination for councilman of the Second ward; W. N. Godfrey placed Charles D. Latourette in nomination for councilman for the First ward; J. J. Cooke nominated H. C. Stevens for the First ward; and T. S. Lawrence named George Broughton for the Second ward. These gentlemen were declared the unanimous choice of the convention for councilmen.

H. E. Straight was placed in nomination for treasurer by V. R. Hyde and received the unanimous viva voce vote of the meeting.

The petitions or certificates of nomination required by law to be filed in each case were submitted and filed, after which the meeting adjourned.

MONTHLY TEACHERS' MEETING

Held at Clackamas Saturday Evening November 27.

The regular monthly meeting of the Clackamas County Teachers' association, was held in the school building at Clackamas, Saturday November 27, 1897. Called to order at the usual time by the president, H. G. Starkweather.

The minutes of the previous meeting as prepared by the secretary, Fannie G. Porter, was read and approved.

It was decided to omit the meeting in December, and hold the next regular meeting at Milwaukee, the last Saturday in January 1898.

The names of Ella J. Boehkle, Alice Williams, W. E. Young, Annie H. Wells, Annie Kennedy and K. H. Gabbert were added to the membership roll of the association.

An address of welcome by Mr. Thomson, claimed a fitting response from Supt. Starkweather.

An informal discourse of the obligations of school boards to applicants for positions as teachers, was led by N. W. Boland, followed by A. C. Strange, J. W. Gray, H. S. Strange and J. C. Zinser.

Song, by the pupils of the school.

"How to Teach Current Events" was the subject assigned J. W. Gray. He emphasized the fact that the teacher should guide the pupil's choice of reading matter. N. W. Boland, J. C. Zinser, H. S. Strange, Mrs. A. H. Wells, A. C. Strange and H. G. Starkweather took part in the discussion which followed.

A pleasing recitation was admirably rendered by Miss Grace Robinson.

At this hour a delicious lunch was served by the generous people of Clackamas, to which it is needless to say, the teachers did ample justice. The dining room was beautifully decorated with ferns and flowers.

The afternoon program was opened by the roll-call, responded to by statements of unrecorded history.

"Music in the Public Schools" was the subject of a very interesting paper read by Mr. S. E. Hunter.

A pathetic recitation by Master Herbert Clarke, received a hearty encore. He responded with a comic selection.

"How much Geography Should be Taught?" was the subject given H. S. Strange. He believes that the study of geography combined with language work should begin with the first grade. The text book should be introduced in the fourth grade. He does not believe in using the Comprehensive geography at all.

Mr. Gray introduced a resolution thanking the good people of Clackamas for their kindness and hospitality, which was unanimously adopted.

The attendance at this meeting was good, about forty teachers were present. On motion association adjourned to meet at Milwaukee the last Saturday in January 1898.

Her Health Restored

THE misery of sleeplessness can only be realized by those who have experienced it. Nervousness, sleeplessness, headaches, neuralgia and that miserable feeling of unrest, can surely be cured by Dr. Miles' Restorative Nerve. So certain is Dr. Miles of this fact that all druggists are authorized to refund price paid for the first bottle tried, providing it does not benefit. Mrs. Henry Bruns, wife of the well known blacksmith at Grand Junction, Iowa, says: "I was troubled with sleeplessness, nervousness, headache and irregular menstruation; suffering untold misery for years. I used various advertised remedies for female complaints besides being under the care of local physicians, without help. I noticed in Dr. Miles' advertisement the testimonial of a lady cured of ailments similar to mine, and I shall never cease to thank that lady. Her testimonial induced me to use Dr. Miles' Nerve and Nerve and Liver Pills, which restored me to health. I cannot say enough for Dr. Miles' Remedies." Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.
