A man of Louisville who suddenly became dumb a year ago during a sudden outburst of temper in which he used the profanest of language, regained his speech while in a fit of rage. He was quite surprised to find himself cursing audibly and substituting the curses with praises to God.

The statement made many years ago that "man cannot live by bread alone" is as true as it ever was—he must have a nice juicy steak or a roast of meat to go with it. Richard Petzold's always ready to furnish his customers with the best of fresh and smoked meats at either his Main or Seventh street market.

A young English woman once petitioned Bismarck most pathetically for his autograph, declaring that a few lines of his handwriting would make her happy for life. So the chancellor wrote on the front of the book: "Beware, my child of building castles in the air, for they are buildings which we erect so easily, yet they are the most difficult to demolish."

Thousands are Trying It. In order to prove the great merit of Ely's Cream Balm, the most effective cure for Catarrh and Cold in Head, we have prepared a generous trial size for 10 cents. Get it of your druggist or send 10 cents to ELY BROS., 55 Warren St., N. Y. City. I suffered from catarrh of the worst kind ever since a boy, and I never hoped for cure, but Ely's Cream Balm seems to do even that. Many acquaintances have used it with excellent results.—Oscar Ostrum, 45 Warren Ave., Chicago, Ill. Ely's Cream Balm is the acknowledged cure for catarrh and contains no cocaine, mercury nor any injurious drug. Price, 50 cents. At druggists or by mail.

The U. S. Gov't Reports show Royal Baking Powder superior to all others.

A young man named Anderson, residing near Harrisburg, met with a strange accident Wednesday of last week, and escaped almost miraculously from a serious injury. In attempting to shoot a hawk the "firing pin" of his breech loading firearm was torn from the gun by the explosion. The piece of metal measured 3 1/4 inches, and struck Mr. Anderson in the right eye at a point next the nose, and forced its way to a point near the base of the brain, where it lodged. Dr. T. C. Mackey, of Harrisburg, successfully removed the metal from the patient's head.

On Thursday evening of last week the Maple Lane republican club held its first meeting of the campaign and selected delegates to attend the meeting of the state league to be held at Portland. The delegates elected were A. A. Mautz, Julius Priester, M. Randall and George Gibbs. The meeting was very largely attended and enthusiastic.

In accordance with a previous announcement Senator Brownell was present and discussed at length the political situation in his characteristic way which made matters easily understood by his audience. The meeting is said to have been one of the most enthusiastic ever held at that place, and a spirit was manifested which indicated that republicans generally are encouraged over the prospects for success in the coming election.

Mrs. Georgia Ketchum, who has been seriously ill for the past two weeks, we are glad to say is slowly improving.

Mrs. Julia Trullinger, of Logan, was in town last Saturday completing arrangements to make final proof on her homestead.

Merle Johnson, formerly of this city, but now an artist on the San Francisco Call, spent a few days visiting his parents, Mr. and Mrs. W. C. Johnson.

Judge McBride and District Attorney Cleeton are here this week holding an adjourned term of circuit court. They will not get through before the latter part of next week.

V. Harris, the groceryman, left last Saturday evening on the overland for Los Angeles, Cal., to be absent two or three weeks. He expects to visit several other points in Southern California before returning.

John Lewthwaite, assistant superintendent of the Willamette Pulp & Paper Company's mills, left Thursday for New York, where he was summoned by the illness of his sister. He expects to return in about two weeks.

Harley Stevens who went to San Francisco about six months ago to accept a position in an electrical establishment, is at home on a visit with his parents, Mr. and Mrs. H. C. Stevens. He will return to California on Tuesday.

Chris Grasier, who has been in the employ of the Willamette Pulp and Paper Company has made up his mind to leave on the next steamer for the Klondike region. He has a father-in-law in the far North who went there last summer.

W. P. Burns, an old-time resident of Oregon City, but now of Portland, is lying very low with typhoid fever at his home, 187 Sixth street. Mr. Burns has many friends here who will regret to hear of his sickness but hope for a speedy return of health.

At a regular meeting of Pioneer chapter, O. E. S., held last Tuesday evening the local chapter was honored by the presence of Madaline B. Conkling, of Roseburg, grand matron; Mrs. M. E. Lutke, of Portland, associate grand matron, and past matron, Mrs. Della Houston of Portland.

Mayor Pennoyer, of Portland, visited Oregon City last Tuesday consulting with politicians and while here dined with Col. R. A. Miller at the Electric. It is very difficult to tell just what political organization the ex-governor is identified with at this time, in fact he does not seem to be allied with any party or indeed any considerable faction.

Frank E. Donaldson, for a long time cashier of the Commercial Bank of this city, has resigned his position and will devote his entire time to the insurance business in Portland. Mr. F. J. Meyer, who has been in the employ of the bank for some time, has been appointed cashier and will be found at his desk ready to serve the public during banking hours.

Mr. W. H. Hawkins, who has been foreman in the weaving department of the Oregon City Manufacturing Company's establishment for nearly two years, has resigned his position and last Saturday accompanied by Mrs. Hawkins, left for Providence, R. I., where they will in the future reside. Mr. J. S. Murr succeeds Mr. Hawkins in the mill.

Col. R. A. Miller went down to Portland a few days ago looking after political and other matters and while absent Captain Ormsby, who is here this week, placed a placard on the colonel's office door as follows: "This office for rent until my political destiny is decided. Apply to C. B. Moores, next door," or words to that effect. The joke was passed around and the Colonel as well as all others about the building enjoyed it.

A VIRTUE OF OLIVE OIL.

Man-of-war's Men Say That It Will Prevent Intoxication.

The glasses were going round when the man who had been in the navy spoke: "Wait a minute, boys. We've had several. Let me give you a tip that I learned when I was on the China station. You are pretty good drinkers, you Kentucky boys, and you can hold your own with anybody, east, west or north, who tries to put you under the table. But unless you carry out my plan don't you ever stack yourself up against an Englishman, and especially an army or a naval officer. You could knock him out on whisky, but he doesn't drink it, except in the shape of smoky Scotch and Irish abominations. But champagne, burgundy, claret, ale, sherry, madeira, port, pulque in Mexico, saki in China, palm liquor in Africa, bamboos and shandygaff in India, steer clear of them—that is, unless you have the good luck to meet a certain little, yellow faced, wizened croole from Louisiana whose recipe is passed around the mess table of United States men-of-war to this day.

"It started in the old days when the British officers always had the pleasure of outstaying their American guests or hosts whenever two ships met on foreign stations. Then that little yellow devil came along with his trick, and the Englishman has never since come out better than second in any drinking bout. The secret? Olive oil. One wineglassful before the fun begins, and, if possible, another later on, and you can keep your wit and legs throughout the dampest evening. I suppose one of two things happens. Either the oil coats the stomach and keeps the alcohol from being absorbed by the system, or else it floats on top and keeps the fumes from rising to the brain. But you'll have to ask the medicine men about that. All I know is its practical result, and that has enabled us Yankee Doodles to go home cheerful and clear headed many an evening when our foreign cousins were speechless."—Louisville Courier-Journal.

AMERICAN TOOLS ABROAD.

Purchasers Found For Them Nowadays Throughout the World.

American tools are sold all over the world. The New York representative of an American tool manufacturing establishment when asked where American tools were sent ran over the export orders received that day. They included orders from Hungary, Austria, Germany, France, England, South Africa and South America. There were altogether about 20 orders, and from some of the countries named there were two or three orders. The export orders of the previous day included orders from Russia, Australia and New Zealand, and these were not unusual orders, but such as are constantly received. In the shipping room at that moment stood cases marked for Java, for Ecuador and for Australia.

Many of these orders are small. In some cases there were orders for a single tool, or for two or three; for some orders of half a dozen or two or three dozen to supply orders or to keep lines filled. These small orders are mostly from European countries, with which communication is nowadays quick and convenient. European merchants order these things just about as merchants in other cities in this country would. It costs no more to send to London than it does to Chicago, and it is as easy to send to Berlin as it is to Paterson.

The characteristics that commend these American tools to their foreign purchasers are the same that mark American machines and implements generally—lightness, fine finish and perfect adaptability to their several uses. The exports of American tools to all parts of the world are steadily increasing.—New York Sun.

Her Health Restored

THE misery of sleeplessness can only be realized by those who have experienced it. Nervousness, sleeplessness, headaches, neuralgia and that miserable feeling of unrest, can surely be cured by Dr. Miles' Restorative Nerve. So certain is Dr. Miles of this fact that all druggists are authorized to refund price paid for the first bottle tried, providing it does not benefit. Mrs. Henry Bruns, wife of the well known blacksmith at Grand Junction, Iowa, says: "I was troubled with sleeplessness, nervousness, headache and irregular menstruation; suffering untold misery for years. I used various advertised remedies for female complaints besides being under the care of local physicians, without help. I noticed in Dr. Miles' advertisement the testimonial of a lady cured of ailments similar to mine, and I shall never cease to thank that lady. Her testimonial induced me to use Dr. Miles' Nerve and Nerve and Liver Pills, which restored me to health. I cannot say enough for Dr. Miles' Remedies." Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

All pain banished by Dr. Miles' Pain Pills.

Henry A. Townsend, a prominent real estate dealer of Portland, was in the city Wednesday, accompanied by B. E. Groves, a capitalist of St. Paul, Minn., looking over our suburban property with a view of investing. Mr. Groves expressed himself as greatly pleased with Oregon City and her future prospects and could not say enough in praise of our delightful winter weather.

O. B. Scoggin expects to leave in a few days for the gold fields of the far north. He will go as the representative of a syndicate of Oregon City business men who have entered into an agreement to share equally the profits or losses which may accrue from the undertaking, and those who know Mr. Scoggin well believe he will succeed in his new venture.

In the Circuit Court.

An adjourned term of circuit court convened here Wednesday morning and will probably continue all next week.

A decree of divorce was granted to Eliza Jakes from J. A. Jakes.

A motion for a new trial was argued and submitted in the Liebe case, and was by the court taken under advisement until next Monday.

The case of the state vs C. W. F. Thielemann, indicted for selling liquor in New Era precinct in quantities less than one gallon without a license, was tried before a jury Wednesday. The jury could not agree upon a verdict and were discharged which will necessitate another trial. It is understood the jury stood six for conviction and six for acquittal.

A Big Demonstration Salvation Army.

Major S. Marshall of Portland, will visit Oregon City Friday evening, Jan. 14. Ensign C. Park and Ensign J. H. Sheridan will accompany him. Ensign J. Osborne, Lieut. E. Sengerberger, Lieut. A cordial invitation is given to all.

Will Leave for Dyea.

Thomas Campbell and his son will leave on the steamer Elder which sails today for Alaska. Mr. Campbell returned from the North only a few weeks ago and now returns to Sheep Camp, about 15 miles inland from Dyea on the Klondike trail, where he will locate and engage in the hotel and restaurant business. After having been on the ground he is convinced that there are many opportunities for a man to make money without engaging in mining.
