Golden Wedding.

The 19th of February was a memorable day to Mr. R. V. Short, and his wife Mary Geer Short, the well-known and highly esteemed pioneers of 1847, it being the 50th anniversary of their wedding day. It had been their intention to have a large party of friends and relatives, but, owing to the condition of Mrs. Short's health, it was not deemed advisable, she having only recently recovered from a very serious illness. As it was only members of the family and a few intimate friends were present, there being no invitations issued. However, congratulations from friends and relatives, far and near, continued to pour in all day, and many were the beautiful tributes and souvenirs offered to the still youthfully appearing couple, among which was a beautiful gold spoon, with the dates 1848 and 1898 and the webfoot emblem, from their son, Capt. W. P. Short, of British Columbia, also another by Mrs. Dr. Lou Patterson, California, and others; also a poem written especially for the bride, entitled, "Her Wedding Day," by an old friend. A beautiful and touching letter of congratulation was received from their daughter, Lillie Jolly.

Those of the family present were Capt. W. P. Short and Mrs. Etta Short, his wife, and their daughter, Mrs. E. Demerit, Mrs. Alvina Love, Mr. and Mrs. F. H. Shaw, Miss Bessie Jolly and Mr. and Mrs. Taylor. The evening was spent in music and a few old time games after which a dainty luncheon was served. The company was then drawn up in line and several flash light pictures were taken by Mrs. Etta Short. One of the bride and groom with the two eldest and youngest of the children, and again with all who were present.

Mr. and Mrs. Short crossed the plains in 1847, meeting first at St. Joseph, Missouri. The long and adventurous journey, with ox-teams, with always the horror and dread of meeting the savage, was the beginning of the young couple's romantic courtship; arriving in Oregon City in October of the same year. They were married at Butte, Oregon, February 19th, by Rev. St. M. Fackler, afterward residing in Oregon City until July, 1850, when they removed to Portland, occupying what is now known as the Dekum Block, corner of Third and Washington streets, where their eldest child was born. They resided there until the passage of the Donation Land Claim Act, upon which Mr. Short disposed of the entire block for \$800, which was deemed a very good price indeed. They then removed to Yamhill county and located a land claim twelve miles from Oregon City, on the Willamette River. Mr. Short was the first County Surgeon of Yamhill County. In 1859, a portion of Yamhill County, including their residence, was attached to Clackamas County, where they resided for forty years. Thence they removed to Portland, and are at present living at their beautiful home at 1214 East Salmon street. H. L. N.

THREE FREE SILVER

Parties Meet in Convention and Elect Delegates.

To the State Convention Held Wednesday at Portland - Fusion and Division of Spoils.

All day Friday and until noon Saturday delegates to one or the other of the three silver parties continued to come into Oregon City. By 10 o'clock Saturday Main street was so crowded that it had the appearance of a metropolitan thoroughfare. At every available corner groups of Populists, Silver Republicans, or Silver Democrats collected together, and many of them were indeed representative looking men. Col. Miller in one group was the observed of all the passers, and his graceful hand frequently posed in the attitude of excited gesture. A little farther along, the venerable General Barlow could be singled out, and the youngest delegate in all the crowd could hardly have kept pace with him as he passed hither and thither among the various groups; he was evidently filled with the spirit of the occasion—whatever that was. Altogether the delegation was a remarkable one. Men of every description were represented, that is, Free Silver men. They carried even the Free Silver beard. All were for "fusion" rather than against it; so there was no con-fusion, at least there should have been none.

The Populist Delegation was the largest, being composed of 147 delegates, and met at Shively's hall. Their object in meeting was to canvass the vote on the question of a union with the Silver Democrats and Silver Republicans and elect delegates to the State Convention to be held in Portland last Wednesday.

There were 455 votes cast at the primaries, 412 of which were for union. The delegations from Eagle Creek and Sandy were opposed to union, and withdrew from the convention with the intention of holding a separate convention and electing delegates to the state convention. The matter of distributing the offices was discussed, but no decision was reached. It seemed to be the sentiment that some of the offices should be given to the Silver Democrats and Silver Republicans. The delegates elected to the state convention were:

A Lacy, C. A. Fitch, W. S. U'Ren, W. W. Myers, George Ogle, H. Thiessen, R. T. Dibble, Elmer Dixon, R. Schuebel, J. W. Thomas.

The following resolution was proposed but defeated: Resolved, By the People's party Convention of Clackamas county, that the People's party state convention is hereby advised that "satisfactory arrangements" for union require that the People's party shall have not less than all nominations for legislative offices, state and national, so far as such nominations have not already been made, and also the governor, allowing to the other parties their proportion from the judicial and administrative offices.

Resolved, That our delegates to the State Convention are instructed to favor union on not less than the principles set forth in our Referendum vote at the primaries, and to do all in their power to obtain a distribution of the nominations by departments on the lines above set forth.

The Silver Democrats met in Pope's hall. About 100 delegates were present: County Chairman J. J. Cooke and Secretary A. W. Cheney were made officers of the meeting.

The chair appointed the following committees on credentials: E. D. Kelly, O. W. Robbins, V. R. Hyde, T. S. Lawrence and Ira Jones; on resolutions: R. A. Miller, C. N. Waite, T. F. Cowing, J. E. Jack and T. L. Turner; on order of business: J. K. Gribble, J. Seaver, Mort Robbins, P. J. Rillings and Longstreet Vaughan.

O. W. Robbins and J. E. Jack were appointed tellers, and the meeting then proceeded to vote for delegates to State Convention and the following were elected: J. K. Gribble, of Macksburg; H. L. Vaughan, of Molalla; J. E. Jack and Mort Robbins, of Marquam; T. L. Turner, Tualatin; C. N. Turner, of Tualatin; C. N. Waite, of Canby; D. W. Kelsey, of Oswego and R. A. Miller, T. F. Cowing, E. D. Kelly, Ira Jones, J. J. Cooke and V. R. Hyde, Oregon City.

RESOLUTIONS. Resolved, That the democrats of Clackamas county in convention assembled fully and heartily endorse and appropriate the nine reasons for co-operation of all silver forces given by that sterling disciple and exponent of bimetalism, Hon. W. J. Bryan and add tenth and endorse the Initiative and Referendum, to-wit: First They are unalterably opposed to gold mono-metalism.

Second They demand the immediate restoration of bimetalism at the present ratio by the independent action of this country. Third They oppose the retirement of the greenbacks.

Fourth They oppose the issue of paper money by national banks. Fifth They oppose the issue of interest bearing bonds in time of peace. Sixth They favor the income tax as a means of raising a part of the revenue necessary to administer the federal government.

Seventh They favor the abolition of trusts. Eighth They are opposed to government by injunction. Ninth They are in favor of arbitration as a means of settling disputes between labor and capital. Tenth The enacting of the Initiative and Referendum and the pursuing of direct legislation laws.

Resolved, That it is the sense of this convention, that delegates chosen to represent Clackamas county in the Democratic State Convention, to be held on the 23d inst., should attend that convention in person if possible and in case of the inability of any delegate to so attend, his proxy shall be given to some member of the delegation who shall cast the vote of the absentee.

Whereas, The trusts and combines, the corporations and the representatives of the national banks are entrenched in power and are in possession of all the functions of our government as the results of the lavish and unscrupulous use of enormous sums of money in our last presidential election; coupled with every species of intimidation and fraud; thereby defeating the will of the American people at the polls, and

Whereas, The promises, pledges and prophecies of these representatives of centralized wealth were made to deceive and have been proven false, it now devolves upon a great people to register a just verdict against these despoilers of our national honor, these jugglers with national property; and

Whereas, The English gold standard has been elevated even above our "Stars and Stripes" by these apers after royalty; and

Whereas, The wealth producers, the laborers, the artisan, the farmer and the patriotic business men of the country are found fighting under the Silver banner, though in different political parties; and

Whereas, The supreme need of the hour demands the alliance of all these silver forces against the common enemy, entrenched behind the single gold standard, therefore be it

Resolved, That the Democracy of Clackamas county in convention assembled ever mindful of the liberties of the people and exalting patriotism above partisanship hereby demand that our delegates elected to attend the State Convention use all honorable means to effect a union of the silver forces in the coming campaign.

The Silver Republican Convention was poorly attended. Not more than a dozen being present. Wm. Barlow acted as chairman. The following delegates were elected to the State Convention: Wm. Barlow, George Knight, S. W. Morgan, William Mack, Thomas Pusey.

The following resolution was adopted unanimously: "Resolved, That we favor a union of all reform parties that are in favor of uniting against the single gold standard."

A friend recommended Dr. Miles' Nerve, and I purchased a bottle under protest as I had tried so many remedies unsuccessfully, I thought it no use.
