Maple Lane, April 18.—If the Free Silver Democrat of this Precinct, who did so much braying at the Republican Primary, the other Saturday will read the paragraph on page 4 Oregon City Enterprise, 15, inst. entitled, "To All Concerned," he can see why no one paid any attention to his blasphemy and slanderous words concerning old soldiers etc.

Damascus, Apr. 13.—Easter was appropriately observed at the school house by the Sunday school, a nice program was rendered to a well-filled house, the Sunday school is in a prosperous way, due to the untiring efforts of a few of the ladies.

Rev. Bahr preached at the Rock creek school house Sunday for the last time for the present. His words are always well chosen and to the point.

A small party of our young folks went to the Rock Creek falls and had a most enjoyable time eating Easter eggs and gassing the time in a solitary place.

After spending the afternoon in singing at the residence of Mr. Barton's, some of the wayward boys took the pleasure to cause some annoyance and misplace a gate, which was very much fun for them of course, but some time it might not be.

REDLAND, April 18.—If the army and navy had done as much fighting on land and sea as has been done around the chimney corner since the battleship Maine was blown up, the whole Spanish race would have been wiped off the face of the earth. If Uncle Sam wants any help he can just call around this way. Everybody is in good practice. He can get a well equipped army if all that is needed is tongues.

POLITICAL POINTERS

"After the election it will be no more 'big four'."—Herald. This refers to U'Ren, Ogle, Bourne and Young, and is undoubtedly true. This "big four" are politically dead.

It is a very satisfactory where both sides claim the victory. One faction of Multnomah Republicans got the organization and the other claims it got the offices; and so both are enthusiastic for the state ticket, and as united in its support as though they loved one another like brothers—Salem Statesman.

If war is declared five hundred million gold bonds are to be issued. What a feast for Wall street.—Herald. These bonds will provide money to pay the brave soldiers and marines who will fight for the grand old flag, and they will be paid in honest money. Uncle Sam didn't pay his soldiers in Populist fifty cent dollars.

The "Brownell-Ryan machine" seems to worry the Herald. Evidently the Herald is in favor of the U'Ren-Bourne \$80 machine. Drop a nickel in the slot and the "banker" will do the rest.

Probably had Mr. Brownell gone in on that "hold up" business and pulled an eighty dollar prize, his populist friends would have endorsed his nomination. The Populist leg-pulling contingent of Clackamas County are not in a happy frame of mind.

When a chronic office seeker gets turned down by his Party, he joins the one-head wing of the Populist Party. E. P. Carter, of Molalla, announces his conversion to the Populist faith in last week's Herald.

The Populists have erected a Tower of Babel in Oregon. The confusion of tongues is secondary to the confusion of political sore-heads. Every \$80 Populist, every one-head Republican, every chronic office-seeking Democrat, every political renegade, every political boodler, have formed an amalgamation for broil and spots. What a nice kettle of fish to set before an intelligent community.

Sent to the Reform School.

Last Thursday evening Willie Walker, who had been riding around considerably of late with A. W. Phillips on his express wagon, went into Julius Schwartz's clothing store, and asked for a suit of clothes on the latter's account. The clerk fitted him out with the clothes, but told him first to go across the street and ask Mr. Schwartz, who was in a barber shop, if it was all right for him to take the clothes. The boy went out but did not see Mr. Schwartz. However, he soon returned and told the clerk that Mr. Schwartz said he could have the clothing. Young Walker took the parcel of clothing and left it in McKittick's shoe store. In the meantime, John Dickman, who had noticed the actions of the boy, informed Officer Shaw. In a very brief period of time the officer had the boy in custody, and the clothing returned to the store. Owing to the extreme youth of the boy he was turned over to County Judge Hayes, who ordered him sent to the reform school, where he will join two brothers, who were sentenced to that institution about four months ago.

Not Always Understood.

A fact often overlooked, or not always understood, is that women suffer as much from distressing kidney and bladder troubles as the men. The womb is situated back of and very close to the bladder, and for that reason any distress, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort.

The error is easily made and may be as easily avoided by setting urine aside for twenty-four hours; a sediment or settling is evidence that your kidneys and bladder need doctoring. If you have pain or dull aching in the back, pass water too frequently, or scanty supply, with smarting or burning,—these are also convincing proofs of kidney trouble. If you have doctored without benefit, try Dr. Kilmer's Swamp-Root, the great kidney remedy. The mild and extraordinary effect will surprise you. It stands the highest for its wonderful cures. If you take a medicine you should take the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention The Oregon City Enterprise and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Remarkable Rescues.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefitted from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own household work, and is as well as she ever was—Free trial bottles of this Great Discovery at Charman & Co's Drug Store. Large bottles 50 cents and \$1.00.

It is a hot race for "Sul-tan," they all want to wear the Royal robes, as supreme ruler of the Orient; surrounded by the 16 Turkish ladies, 12 Persian girls and 16 Grecian Goddesses, who, with the court comedians, specialty artists and Royal Guard have been ordered by the Prime minister to make ready, to hold court in all its oriental splendor, at the Sultan's palace, which has been transferred, as if by magic, in the place of Shilvelly's opera house.

Owing to the voting contest quite a number of seats have been sold already and votes cast; and up to time of going to press the "count" shows Prof. Lee McAdam in the lead with Mr. H. L. Kully second and L. L. Porter third, and the rest bunched for fourth place. It is too early in the contest, however to make a prediction as to who will get there.

This entertainment when given in Astoria was pronounced by 900 people who attended as the very best, most elaborate, and brilliant home talent performance ever given. Judge McBride, who has been in the city all this week, attended the "Oriental Fete" both nights and speaks only in the highest praise for it. Miss May McBride participated as a Grecian Goddess.
