Populistic Methods.

The Populists of the first district are not content to make the campaign on the proper issue—the money question—knowing that if they do their candidates will be defeated. They have caused a circular to be issued, in which Congressman Tongue is attacked for his attitude in the House. The circular recites that he has been detected in his duty on nineteen occasions. In each instance cited Thos. H. Tongue did his duty.

In one paragraph he is charged with having voted to give the Pennsylvania Railroad Company the largest railroad monopoly in the United States, control of the cab service in the entire District of Columbia, thus interfering with the rights of individuals already engaged in that work.

The best answer to such argument is Mr. Tongue's own statement:

"A railroad cannot engage in cab service unless some law authorizes it. The law in question simply authorizes it to have a cab monopoly and have cab service. It gives no monopoly of it, nor does it interfere with any privileges granted to other cab men. The bill passed by 150 votes to 78, 126 not voting, and three members of the Democratic executive committee, Messrs. Osborne, Hardy and Meyer, voted for it.

The Modern Beauty.

Thrives on good food and sunshine, with plenty of exercise in the open air. Her form glows with health and her face blooms with its beauty. If her system needs the cleansing action of a laxative remedy, she uses the gentle and pleasant Syrup of Figs. Made by the California Fig Syrup Co. only.

Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, pimples and skin eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. George A. Harding, agent.

Died.

RINTOUL.—At her home in Canemah, on Saturday, May 28, 1898, Sarah A. Rintoul, aged 37 years, 5 months and 10 days.

Deceased was the beloved wife of A. B. Rintoul and leaves two children. The funeral took place Sunday and was largely attended. Rev. A. J. Montgomery, of the Presbyterian church, conducted the services.

WATSON.—At her home in Oregon City, Friday, May 27, 1898, Mrs. Louise Watson, aged 27 years.

Mrs. Louise Watson, who had been employed at the Electric hotel for some time past, died at 12:45 last Friday morning. She was in apparent good health early Thursday evening, but was taken suddenly ill. Medical assistance was summoned, but the physicians could do nothing for her. Spinal meningitis was the cause of her death. Mrs. Watson was 22 years of age and had no relatives in this vicinity, her parents residing in California. The funeral took place Saturday afternoon, the interment being in the City cemetery.

WALTON.—At his home in Ely, Monday, May 30, 1898, Joseph N. Walton, aged 70 years, 3 months and 8 days.

Mr. Walton was born near Middleford, Delaware, February 22, 1828. When he was seven years of age his parents removed to Michigan, where he remained until 1852, when he crossed the plains and came to Oregon in that year. He worked in the mines in Southern Oregon and California nine years and then came to Clackamas county, locating in Highland precinct, where he followed farming for 28 years. In 1889 he sold his farm for a valuable consideration and moved to that part of Oregon City known as Elyville. He was married in 1864 to Miss Mary Buckner, who survives him. He had no children, but leaves three sisters and one brother in Niles, Mich., and one brother in Crescent City, Cal. As a farmer Mr. Walton was thrifty and practical, clearing above all expenses, as he once told the writer, \$1000 from \$100 acres the last year he tilled the soil. He became a member of the Christian church in 1867, and lived a life consistent with his profession. A good neighbor and substantial citizen has left us for the better land, carrying with him the respect of all who knew him. His remains were deposited in the Mountain View cemetery, Rev. T. W. Butler conducting the funeral services. A FRIEND.

Help for the Hair

is what a great many men and women are looking for; help against approaching baldness; help against thinning locks; help to restore the lost gloss to the hair; help against fading tresses; help for the scalp attacked by dandruff. AYER'S HAIR VIGOR offers just such help. It restores gray or faded hair to its original color, gives it length, thickness and gloss, and removes dandruff.

"My hair was rough and broken and began to fall out. The use of but one bottle of AYER'S HAIR VIGOR both checked the falling out and rendered my hair smooth, glossy and in splendid condition. It is the finest of dressings."—MRS. F. L. SMITH, Silver Creek, Miss.

"Some years ago my hair began to fall out and I became quite bald. By advice I tried

Ayer's Hair Vigor

and very soon my hair ceased to fall out and a new and vigorous growth made its appearance. My hair is now abundant and glossy."—THOS. DUNN, Rockville, Wis.

SHELLED THE FORTS.

Schley Makes Matters Interesting for the Spaniards at Santiago.

New York, June 1.—An Evening Journal special from Cape Haytien says: The torpedo boat Porter arrived at Mole St. Nicholas at 1 o'clock this morning, with dispatches for Washington. She left immediately. Before going to sea, the following story of the bombardment of Santiago was obtained:

The American squadron, augmented by the torpedo boat Porter and an auxiliary cruiser and the protected cruiser New Orleans, approached the entrance to the harbor of Santiago at about 12:30 p. m., the Iowa leading. Inside the entrance to the harbor was seen one warship of Cervera's fleet, stripped for action. As the American fleet drew near the New Orleans was detached and steamed ahead of the Iowa, Texas and Massachusetts. One of the forts opened fire on her, and she replied, the other ships directing their fire at the battery on Punta Gorda within the harbor and to the westward of the position occupied by the Spanish ship. The latter replied to the fire and immediately became a target for all the American ships engaged in the battle. She retired behind the protecting headlands and was not seen again during the engagement.

The Iowa, directed by Captain "Fighting Bob" Evans; the Massachusetts, Texas and New Orleans kept up a terrific fire against the forts for two hours, their projectiles, of enormous size, doing tremendous damage to the defenses of the harbor.

The masonry of Socapa and Morro was battered almost into dust, and the forms of Spanish artillery and infantry men could plainly be seen flying to safety behind neighboring hills.

The auxiliary cruiser which joined Schley's fleet just before the battle took place was hit by shells from the forts and it is thought was seriously damaged. After seeking the protection of the jutting headland the Spanish warships continued to fire projectiles over the hills toward the fleet, but they had no range, and the shells fell harmlessly into the sea. That the number of killed and wounded on the Spanish side is enormous no one doubts, for time and again the American shells struck the shore batteries of the enemy squarely and amid the flying masonry and dismantled guns the forms of men were seen. The damage done to the American fleet cannot be learned, but it is not thought that any person was killed, it, indeed, anyone was wounded.
