Thomas Charman & Son's
Pioneer Store.

TO ALL THE PEOPLE

Secretary Gage Makes a General Invitation.

Coupon and Registered Bonds

Preference Will be Given Individual Subscriptions—Low Amounts Allocated First.

TREASURY DEPARTMENT,
OFFICE OF THE SECRETARY.

WASHINGTON, D. C., June 18, 1898.

The Secretary of the Treasury invites subscriptions from the people of the United States for \$200,000,000 of the bonds of the 3 per cent loan authorized by congress to provide ways and means to meet war expenditures. Subscriptions will be received at par for a period of thirty-two days, the subscription being open from this date to 3 o'clock p. m. on the 14th day of July, 1898. The bonds will be issued in both coupon and registered form, the coupon bonds in denominations of \$20, \$100, \$500 and \$1000, and the registered bonds in denominations of \$20, \$100, \$500, \$1,000 and \$10,000. They will be dated August 1, 1898, and, by their terms, will be redeemable in coin at the pleasure of the United States after ten years from the date of their issue, and due and payable August 1, 1918.

The bonds will bear interest at the rate of 3 per cent per annum, payable quarterly; the interest on the coupon bonds will be paid by means of coupons, to be detached from the bonds as the interest becomes due, and the interest on the registered bonds will be paid by checks drawn to the order of the payees, and mailed to their addresses.

The law authorizing this issue of bonds provides that in allotting said bonds the several subscriptions of individuals shall be first accepted, and the subscriptions of the lowest amounts shall be first allotted. In accordance with that provision allotments to individual subscribers will be made before any bonds will be allotted to other than individuals. All individual subscriptions for \$500 or less will be allotted in full as they are received, and such subscriptions must be paid in full at the time the subscription is made. If the total sum subscribed for in amounts of \$500 or less should exceed \$200,000,000 the allotments will be made according to the priority of the receipt of the subscriptions.

Allotments on subscriptions for over \$500 will not be made until after the subscription closes, July 14, and will then be made inversely according to the size of the subscription, the smallest subscription being first allotted, then the next in size next, and so on, preference being given to individual subscriptions. Persons subscribing for more than \$500 must send in cash or certified checks to the amount of 2 per cent of the sum subscribed for, such deposit to constitute a partial payment, and to be forfeited to the United States in event of failure on the subscriber's part to make full payment for his subscription, according to the terms of the circular. Allotments to subscribers for more than \$500 will be made as soon as possible after the subscription closes.

In order to avoid a too rapid absorption of funds into the treasury with a possible consequent evil effect on industry and commerce, any subscriber for more than \$500 will be permitted to take his allotment of bonds in installments of 20 per cent, taking the first installment within ten days after the notice of the allotment, and the balance at four equal intervals of forty days each, in four installments each of 20 per cent of the bonds allotted. Delivery of bonds will be made in installments as payment for them is received, and payment must in all cases be made in full as the bonds are taken. The 2 per cent deposit will apply on the final installment. Any subscriber may pay for the full amount allotted him within ten days from the date of the notice of his allotment. Interest will be adjusted from the time of the actual payment, whether paid in one sum or in installments as permitted. Separate subscriptions from one individual, although made from time to time, will be aggregated and considered as one subscription for this issue of bonds.

The Secretary of the Treasury will receive in payment for the bonds post-office money orders payable at Washington, D. C., and checks, bank drafts, and express money orders collectable in the cities of New York, Boston, Philadelphia, Baltimore, Washington, Cincinnati, Chicago, St. Louis, New Orleans and San Francisco. All money orders and bank drafts must be drawn in favor of the Treasurer of the United States. The money orders and bank checks so received will be forwarded for collection by the department, and as soon as returns are obtained the subscriber will be credited with the amount of his subscription as of the date of collection. The secretary will also receive in payment for the bonds certificates of deposit issued by the as-

SAFE AT HONOLULU
Report Says the City of Peking Narrowly Escapes.

7000 SOLDIER-LETTERS WRITTEN
The Hawaiian Government Royally Entertains the United States Expedition.

VICTORIA, June 18.—The steamer *Miowera* brings the following from Honolulu under date of June 8: The Hawaiian Star of June 3 publishes the following story regarding an attempt to blow up the United States ship *City of Peking*, while that vessel was in port in this harbor.

If the report which is in circulation today is true, Honolulu came near being the scene of as frightful a disaster as that of the *Maine*, and in much the same way. The story is nothing more nor less than an attempt to blow up the *Peking*, but it was frustrated just in time.

An enlisted man, it is said, was caught in the act of arranging a fuse connecting with the magazine. The magazine contains 400 tons of powder. The dastard, it is said, is now under the closest guard and when the *Peking* gets out on the high seas, will be hanged at the yard arm. The alleged culprit is said to be half Spanish. The officers of the ship denied the truth of the story, but their denial was made in a half-hearted way.

SAFE AT HONOLULU
they took in the neighborhood of 1600 tons of coal.

On June 10 the Spanish vice-consul at Honolulu made a formal protest to the Hawaiian minister of foreign affairs against the constant violation of neutrality in Honolulu harbor while actual war exists between Spain and the United States. The minister of foreign affairs replied:

"I have the honor to say that owing to the intimate relations now existing between this country and the United States this government has not issued a proclamation of neutrality, having reference to the present conflict between the United States and Spain, but on the contrary, the United States has tendered us privileges and assistance, for which reason your protest can have no further consideration than to acknowledge its receipt."

THE TROOPS FEASTED.

VICTORIA, B. C., June 18.—Advised today per steamer *Miowera* from Honolulu June 10 say the United States transports *City of Peking*, *City of Sidney* and *Australia* arrived there together June 1. As soon as the three vessels were sighted, all Honolulu turned out to welcome the soldiers. The docks were lined with people, and as the vessels entered the harbor, the spectators yelled themselves hoarse. Such a scene of enthusiasm was never before witnessed in Honolulu.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was—Free trial bottles of this Great Discovery at Charnan & Co's Drug Store. Large bottles 50 cents and \$1.00.

For Young Men and Young Women.

There is nothing that will arouse the ire of a young man or woman so quick as to have inferior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussy their neat appearance is spoiled. The *Troy Laundry* makes a specialty of ladies' and gentlemen's fine work. There can be no better work than is done at the *Troy*. Leave your orders at Johnson's barber shop.

A dollar saved is equal to two dollars earned. Pay up your subscription to the ENTERPRISE and get the benefit of the reduction in price.

THE DREADED CONSUMPTION CAN BE CURED.

T. A. SLOCUM, M. C., the Great Chemist and Scientist, Will Send, Free, Three Bottles of His Newly Discovered Remedies to Sufferers.

EDITOR ENTERPRISE:—I have discovered a reliable cure for consumption and general decline, loss of flesh and all conditions of wasting away. By its timely use thousands of apparently hopeless cases have been cured. So proof-positive am I of its power to cure, that to make its merits known, I will send, free, to any afflicted reader of your paper, three bottles of my newly discovered remedies upon receipt of express and post office address, T. A. SLOCUM, M. C., 98 Pine Street, New York.
