OREGON CITY, OREGON . . . JULY 15, 1898

THE LOCAL NEWS.

DEATH OF DAVID FERGUSON MAY.

On Monday morning David Ferguson May passed away at his home on Seventh street. He caught a severe cold a few days ago, which rapidly developed into paralysis, from which he failed to recover. Mr. May was born in Dallas county, Texas, on the 19th day of March, 1849. His father, Jephtha May was a painstaking farmer, and highly esteemed by those with whom he came in contact. Believing California to be richer in resources than Texas, Jephtha May moved his family there in 1853. Remaining there two years he engaged in farming and mining, but in '55 led his family north to Oregon, where he settled in Clackamas county, on Beaver Creek. Here David went to school for six months under S. D. Pope, who taught a grammar school in this city. At the age of nineteen he engaged in school teaching, and he continued, very successfully, in that profession up to the time of his death. In '86 he held the office of county school superintendent, and has filled other offices of trust since then. In politics Mr. May was a democrat up to two years ago, when, differing with that party on the money question, he became an adherent to the cause of populism. Mr. May was always willing to assist the needy, and although not a professing Christian, gave liberally to the church. He leaves a wife and three children.

SERVICES AT METHODIST CHURCH.

The services at the Methodist church, on Sunday morning, were conducted in an able manner by Rev. Oberg, who preached on the subject of "God's Use of Rejected Corner Stones." He showed plainly how everyone in the world has a mission to perform, and urged all to endeavor to meet the responsibility that rested upon them. The evening service was an interesting one, led by Rev. N. T. Edwards, a Congregationalist of California. His subject was the "Mount of Privileges," and in an earnest manner he showed the many advantages derived by living a Christian life.

BAPTIST PICNIC.

The 150 young people of the Baptist church enjoyed a delightful picnic, last Friday, at Magoon's park. The afternoon passed quickly in songs and games, including an exciting three-legged race, in which the girls participated. All took their lunches, which were tastefully served under the spreading boughs of the trees. At five o'clock the party steamed up the river, and gained a splendid view of the falls.

BRIDGES BEING REPAIRED.

Benjamin Smith, the bridge contractor of Portland, is actively engaged repairing the east side electric line. He has braced all the bridges between here and Portland, and is now putting in heavy mud sills under the long trestle north of town.

ATTACHMENT SUIT.

An attachment suit was filed in Justice Schuebel's court on Saturday last. D. Williams vs. G. W. Wilson. The plaintiff's claim is for \$22.88 with interest. G. B. Dimick is the attorney for plaintiff.

TO MAKE ITS FIRST TRIP.

The new steamer, the Pomona, built by the Graham Bros., will probably make its first trip to Independence Saturday.

CHEMAWA VS. PORTLAND Y. M. C. A.—Tuesday afternoon the Chemawa Indian team met the Y. M. C. A. club of Portland in a nine inning game of base ball and although the Indians lost the game, in a score of nine to three, they played by far the more quiet and gentlemanly game in every respect. The dark-skinned athletes gave the umpire entire charge of the game and in every instance quietly submitted to his decision while the Portland boys showed a disposition to dictate and determine strikes and balls. This feature of the contest detracted considerably from the merits of the game and had a tendency to give the Indian boys the sympathy of the 5000 people present. Up to the fifth inning the game stood six to nothing in favor of the whites, when in the sixth and seventh innings three of the Chemawa boys made three runs. Portland scored three making it nine to three in favor of Portland. When the ninth inning rolled around both teams came up to the bat with a determination to score nine points but their best endeavors could not add one more run to the score and the game closed with a score of nine to three. The features of the game on Portland's side were French's well delivered ball, good fielding, and Catcher Shea's fluency in arguing with the umpire and in expounding the rules to both teams. The Indians played well, but lost as all successful men sometimes do.

TO BUILD STEPS.—The city council has let the contract for the building of steps from the head of Seventh street to the level of Main street on Eighth street. The steps are to be eight feet wide, and start fifty feet from Main street, going over the railroad track. There is to be no elevated roadway, and the steps will be in the center of the street on Eighth. These steps will be a great convenience to those of the north end of Main street. The city is also going to widen the roadway on Singer hill, improving the same from Main to Seventh street. A sidewalk will be laid along the roadway when completed.

WILHOIT STAGE RUNAWAY.—On Monday evening as the Wilhoit stage started down Soda hill, one of the horses in some way stepped over the tongue of the wagon, and in doing so frightened the other three, which started at breakneck speed down the steep incline. There were six passengers aboard, together with the driver, J. Ware. All kept their seats for some distance, until the vehicle turned over, when they were then thrown out. No one received serious injury except J. Ware, the driver, whose leg was broken. The horses ran to Soda Springs, and when stopped had completely demolished the wagon.

"FRUITS OF THE WINE CUP."—This is the title of a very pretty play, which was presented by the young people of Canemah, on Monday evening, in Stoke's hall. The house was well filled with an appreciative audience, and all parts of the play were well sustained. The people of this vicinity have long needed a hall in which to hold their society and literary events. The proceeds of this entertainment were given to this worthy object. Those who participated in the play were as follows: Misses E. Blanchard, E. Smith, A. Quinn and M. Long. Messrs. F. Smith, L. May, E. Smith, T. Lindsey and L. Feaster.

IMPROVING THE LINE.—The Eastside Railway Company is cutting off the piling in the flat this side of the Clackamas river, and placing the same on timbers instead of leaving the piling in the ground. New timbers are being placed in the trestle and braces added. This is being done so that there will be no chance of an accident similar to the one in East Portland a few years ago. The company has also tightened all the joints in the rails along Main street, and repaired the pavement, putting the street in much better shape.

LAWN SOCIAL.—The lawn social given by the ladies of the Relief Corps, on Monday evening, was a grand success in every particular. The Catholic churchyard was well lighted with 100 large Japanese lanterns, and the ten tables, tastefully set, added much to the beautiful effect. As the proceeds were to go to the boys in blue, a goodly number of Oregon City's loyal people attended and contributed generously to the cause. The band boys very willingly offered their services, and played several excellent selections.

CHEMAWA BASEBALL TEAM.—Nine well developed red men arrived in this city Monday, from the Chemawa school, and made their way to Chautauqua athletic field. This is one of the best ball clubs in the state, and their work on the field is well worth seeing. The team is made up as follows: Graham, pitcher; Treabo, catcher; Minor, short-stop; Young, 1st base; Bognell, 2d base; Davis, 3d base; Ross, left field; Louder, center field; Regan, right field.

OREGON CITY PLAYERS.—Our baseball boys are again on the diamond, practicing with a hearty good will for the Chautauqua games, the first of which occur today with the Chemawa Indians. The following players compose the team: Hays, catcher; Nefezgar, pitcher; C. Fields, short-stop; Nehren, 1st base; E. Chapman, 3d base; Elliot, left field; Little, center field; Fry, right field; H. Reilly and G. Brown, substitutes.

Money to loan at 8 per cent interest on mortgages. Apply to C. D. & D. C. Latourette.

A SERIOUS ACCIDENT.—Mr. G. Booten, of Sherman county, Eastern Oregon, was driving 40 head of wild horses from east of the mountains, Wednesday, when on arriving at Logan a dog ran out and frightened the animals, causing them to stampede and turn back in a narrow lane. Rea Dunn, a boy 15 years of age, was following on horseback, and being unable to escape as the horses turned, was thrown, horse and all, under the 40 pairs of hoofs. Mr. Booten picked up the unfortunate lad in an unconscious condition, and went immediately for Dr. Strickland, who did all possible for the sufferer, but pronounced him seriously if not fatally injured.

DROWNED IN EAGLE CREEK.—Preston Hoffman, the fourteen-year-old son of Samuel Hoffman, was fishing in Eagle Creek, on Saturday, just above the falls, fifteen feet in height, when upon undertaking to cross the creek on a slippery log he lost his footing and was hurled to a fearful death. Three men from below witnessed the spectacle, but were unable to rescue the unfortunate boy as it was impossible to get to the water's edge from where they were, and besides they could not swim. They succeeded in recovering the body after it had been in the water 45 minutes.

THE BICYCLE PATH.—The bicycle path that has been under consideration the past three weeks, from G. H. Beston's to the Clackamas bridge, is now about completed, and only requires a little smoothing off. Everybody who owns a bicycle should be willing to appear in person and help to finish the remainder of the work, which will require but a few days more labor.

BAND CONCERT.—The concert given by the Oregon City band boys, on Friday evening last, was far above the average. They rendered a dozen splendid selections, which were appreciated by the crowds of people present. All that is needed now to make this one of the leading bands in the state is for the people of Oregon City and vicinity to give them their hearty co-operation.

A ROLL OF HONOR.—At a business meeting of the Presbyterian Y. P. S. C. E., held the other evening, they decided to create a roll of honor, upon which should be placed the names of their members who took up arms in defence of their country. To this roll have already been added the names of A. Holden, G. H. Black and G. McCausland.

NEWLY LIGHTED.—The Congregational church in this city, which has up to this time been lighted by lamps, has introduced the acetylene gas jets. These are said to be cheaper than the electric light, and many think they give a better light.

A NEW STORE BUILDING.—Geo. Ely has just completed building on Seventh street one of the best store buildings in the city. This is a two story building, 40x50 feet, neatly papered, and well fitted out with deep dry goods shelves.

Best shave in the city at Johnson's barber shop.

For Sale.—Remington typewriter at Harris' grocery.

The campmeeting is still in progress at New Era, and will continue for ten days longer.

The Victor straight line sprocket prevents chain breakage and excessive friction.

Money to loan at 8 per cent interest on mortgages. Apply to C. D. & D. C. Latourette.

Last year's patterns of wall paper at reduced prices. 5 and 10c counters at Bellomy & Busch.

stop that cough! Take warning. It may lead to consumption. A 25c bottle of Shloh's Cure may save your life. Sold by Charman & Co., druggists, Oregon City.

There will be a grand colored sacred concert at the Congregational church, next Sunday evening. The Millar-Batson Colored Company will give a grand musical concert. Miss Flora Batson, the "Peersless Queen of Song," will sing several solos. Don't miss attending. A collection will be taken to divide with the company. Miss Batson will sing a solo at the morning service.

A Tempting Array.

We are justly proud, we think, of our tempting array of good things for the table. At this season it requires enterprise and some expense to find new and choice things. We prefer putting forth every effort in behalf of our enviable reputation and the needs of our patrons.

A. ROBERTSON,
7th St. Grocer.

Semi-Annual Report of Board of Water Commissioners.

For the six months ending June 30, 1898.

To the Honorable the Mayor and City Council of Oregon City:

GENTLEMEN:—We herewith submit our semi-annual report, and would respectfully call your attention to the work done during the past six months.

There has been no new mains laid. Five tappings have been made at a net profit of \$3.85. One hydrant has been set at a cost of \$29.75.

The pumps have been thoroughly overhauled and repaired at considerable expense, and are now in first-class condition.

The new 30-inch belt and other improvements made on the Union pump, has increased its efficiency so that there is no possibility of its breaking down under the heavy work required to keep the reservoir full.

The reservoir was cleaned out this spring, after the pumps were repaired, and found in excellent condition.

During the repairs the reservoir supplied the bill for four days, including the lower city for one day when the pumps were shut down.

It was mentioned in last report that lower insurance rates could be had if certain improvements were made to the pumping station. On the recommendation of the Board of Fire Underwriters of the Pacific, we have placed a sprinkling system on the station, at a cost of \$81.27, and in consequence of the same and the general distribution of hydrants, together with the efficient fire department, the city has been specially rated and given rate book No. 3, making a saving in insurance rates of from 10 to 25 per cent.

We suggest that the council have the old Willamette hydrants changed to use a wrench to turn on the water instead of the present difficult method, which has the serious objection that they are always open to any mischievous person who might be disposed to tamper with them. This defect has already cost considerable for repairs, and the improvement mentioned would make all the hydrants uniform.

RECEIPTS.

Mrs. J. R. SEEVER,

Committee.

"I have used Chamberlain's cough remedy in my family for years and always with good results," says Mr. W. B. Cooper of El Rio, Cal. "For small children we find it especially effective." For sale by Geo. A. Harding.

LaGrippe.

Followed by Heart Disease, Cured by DR. MILES' HEART CURE.

M. B. C. SHULTS, of Winterset, Iowa, inventor and manufacturer of Shults' Safety Whiffletree Coupling, writes of Dr. Miles' Heart Cure. "Two years ago an attack of LaGrippe left me with a weak heart. I had run down in flesh to mere skin and bone. I could not sleep lying down for smothering spells; frequent sharp darting pains and palpitation caused a constant fear of sudden death, nothing could induce me to remain away from home over night. My local physician prescribed Dr. Miles' Heart Cure and in a few days I was able to sleep well and the pains gradually lessened, and finally ceased. I reduced the dose, having gained fifteen pounds, and am now feeling better in every way than I have for years."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

What Everybody Says Must Be So!

They all say that

HARRIS' GROCERY

Headquarters for Hay, Landplaster, Seeds, Etc.

Royal makes the food pure, wholesome and delicious.

Attention Campers.

The Wilhoit stage will start out of Oregon City Mondays, Wednesdays and Fridays, returning Tuesdays, Thursdays, and Saturdays. Leaves Noblitt's stable at 12 o'clock noon. Round trip tickets \$2.50.

Campers to Wilhoit or other resorts in the county will be taken out in private rigs if desired, at bedrock prices. Call or address Chas. Noblitt, Oregon City.

A Child Enjoys.

The pleasant flavor, gentle action, and soothing effect of Syrup of Figs, when in need of a laxative, and if the father or mother be costive or bilious, the most gratifying results follow its use; so that it is the best family remedy known and every family should have a bottle. Manufactured by the California Fig Syrup Co.

Tuesday Deputy District Attorney G. B. Dimick, and Dr. Strickland were summoned ten and one-half miles north of Damascus, to examine the body of James Welch, who had been found by his brother lying dead near the house. After giving the body a careful examination, an inquest not being considered necessary, they pronounced his death the result of heart disease. He was a single man, and has lived on the farm with his father for some time.

Now is the time to paint your house, barn roofs, fences, bicycles, huggies etc. and Charman & Co. have the agency for the best Pure Prepared Paint made, all sold at less than Portland prices. Remember Charman's Drug Store. The Original Cut Rate Druggists.

Daniel Williams, at the northeast corner of Center and Seventh streets, has a choice and well selected stock of family groceries which he is selling at very reasonable rates. His motto is "live and let live, with honest weights and measures". Goods delivered to any part of the city.

</
